

The Golden Thread

The Law of Light ~ Lars Muhl

For most Westerners there is an inexplicable Golden Thread running through Yeshua's Aramaic Wisdom woven out of Light, lyrical sense and unsentimental empathy. Here are some statements which express that Wisdom.

- The destruction by another of even one person is as if he or she had destroyed an entire world; and the saving of even one person is as if an entire world had been saved.
- The one thing to lack, is that which you personally have failed to contribute.
- That which is not to be found here, is not to be found anywhere.
- Sooner or later, everything returns to its origin.
- Whoever exalts himself will be humbled, and whoever humbles himself shall be exalted.
- The path that doesn't lead to the heart is an illusion.
- Those who dance are often condemned by those who cannot hear the music.
- The heavenly height to which we can aspire are in direct proportion to the uncharted depths into which we have the courage to dive.
- Even narrow doors lead to large rooms.
- In the same way that Heaven is a State, the meaning of hell is just that one, is not oneself.
- Raise yourself up and be your True Self – You Are Whole!
- Forgive and you shall be forgiven.
- The hardened heart has to break before its Inherent Light can Shine forth.
- Only that which is made conscious can be transcended.
- Sacrifice is the only thing that is able to tear the veils of the world asunder.

- All paradoxes, forms or separation and contrasts only exist in a divided mind, preoccupied by a subject-object relationships. They are dispersed as soon as they are considered from the perspective of Unity and the Heavenly Self.
- Let the dead bury the dead. Don't cultivate the person, but exclusively the good fruits of the surviving deed. If we cultivate the personal, we cultivate the past, and so we ourselves are bound or perish.
- Only the redeemed cannot be saved.
- Sin means to miss the target. Therefore, be more attentive and present and try again.
- The mistakes of the past can only be corrected by changing one's behaviour NOW!
- Only a Pure Heart can see in the dark.
- Regard you neighbours success as your success, and your neighbours loss as your loss.
- Pain is the Messenger and the message is "Wake up"!
- Only that which is Loved can be understood.
- We will be amazed when we realize how much one man and one woman, who truly Love each other, are able to achieve.
- We cannot own something unless we are willing to give it away.
- Only that which we are prepared to give away can we truly be called our own.

"We Beseech in the Name of the Cosmic Christ in Us, that the Heavenly Forces Present, Bless This Vision of the 'True Constitution' and the 'I AM' One World Nation, so It Can Freely, Lovingly and Wholly Unfold Everywhere. We Give Thanks and Gratitude Because It By Divine Will It Will Be Done, NOW!"
