

Part 3 - Freedom Alchemy Class - Boot Camp

Boot Camp Design Template - St. Germain, 24th November 2018

INVOCATION: Mighty, All-Pervading 'Presence'! We give praise and thanks for the happiness pervading those under this Radiation. We give praise and thanks that the Simple Key to Perfect Happiness may be given to Bless and to anchor these Children of God into their own firm Dominion. We give praise for the harmony maintained within each Disciple and Initiate, and that they feel the necessity to continue it. We give praise that 'I AM' everywhere present, controlling every outer activity and bringing it into Perfection.

ST. GERMAIN: Greetings Dear Ones, surrounding each individual is a thought-world created by him or her. Within this thought-world is the seed, the Divine 'Presence', the 'I AM', which is the only acting 'Presence' there is in the Universe, and which directs all energy. This energy can be intensified beyond any limit through the conscious activity of the individual. The Divine 'Presence' within is likened unto the pit or seed of a peach; the thought-world around it unto the pulp of the peach. The pulp represents not only the thought-world created by the individual, but also the Universal Electronic Substance, ever present, waiting to be acted upon by the conscious determination of the individual to be precipitated into his visible use as the form of whatsoever he may desire. The sure pathway to the understanding and use of this conscious power comes through Self-control.

What do I mean by Self-control? First, the recognition of the 'I AM' Intelligence as the only Acting 'Presence'. Second, that knowing this, we know there is no limit to the power of its use. Third, that individuals, having been given free will and choice, do create in the world about them whatsoever their thought, through their attention, is held firmly upon. The time has arrived when all must understand that thought and feeling are the only and Mightiest Creative Power in Life or in the Universe. Thus, the only way to the definite use of the full power of one's thought and feeling, which is God in Action, is through Self-Control and Self-Correction by which one may quickly reach the attainment, the understanding whereby he may direct and use this Creative Thought-power without any limit whatsoever. When sufficient Self-Control is attained, it enables individuals to hold the thought steady upon a given desire, likened unto the flame of an acetylene torch held immovable.

Thus, thought and feeling held upon a given desire unwaveringly, with the consciousness that it is the 'I AM' Presence and Intelligence thinking that it is God in Action then will they understand that they may bring into visibility, precipitate into visibility, whatsoever they desire. Today's Lesson Dear One's all rotates around the Qualification of Self, the Self-Realization of what does and what does not sustain and maintain the Mighty 'Presence' of The 'I AM' in your outer manifestations! I have told you that the 'I AM' Presence does not separate or segregate and as it is the All-Pervading Power it accepts that what you think, what you give your attention to, shall be allowed to manifest in your life. I told you yesterday, that each and every one of you have the Creative Energy at your fingertips, it does not distinguish

between what is good or bad, what is positive or negative. When you say 'I' or 'I AM' that is the magnetic dynamo that sets in motion the words that follow! 'I AM' sick, broke or feeling miserable, or 'I AM' healthy, wealthy and happy, whatever the thought projected, the manifestation comes into your world.

Today We wish to help you begin to be far more cognizant of where such thoughts come from and how they are overlooked, even ignored when it comes to Self-Awareness, and Self-Control.

Let's continue with Our Conditions of Engagement with your 'I AM' Presence in a far more conscious, mindful, receptive and responsive way.

To Qualify with Your 'I AM' Presence First, before engagement of any earthly spiritual activity through other individuals or groups.

Those who are reaching to the Light so earnestly, desiring to live in and be Children of the Light, are dwelling constantly in the Higher Spheres. The beauty of these spheres surpasses the fondest imagination of the outer consciousness. When you enter them consciously and at you will find all creation there just as tangible as your physical buildings are here.

To take your firm stand: **'I AM' the Power of my complete Self-control, forever sustained will make it easier for you to gain this Mastery.** Students must be conscious that when they recognize the 'I AM' Presence acting, it is impossible for It to be interrupted or interfered with in any way. Know there is no time nor space; then the knowing of the vastness of Eternity is within your grasp. To enter a Higher Sphere than your physical world in full consciousness is but an adjusting or changing of your consciousness. How do we do this? Answer: By knowing you are consciously there.

Affirm often: **Through the Power of the Electronic Circle which I have created, 'I AM' no longer touched by any doubts or fears. I joyously grasp the Sceptre which 'I AM' and step boldly forth into any of these Higher Spheres that I wish, retaining perfectly clear conscious memory of my activity there.**

In this way one may quickly find himself/herself enjoying Limitless Freedom and the Perfect Happiness of being active in any sphere he chooses. To be aware of what is a thousand years in advance is as easily and readily attained, in fact, more so, as going to your library in search of a book.

The great delusion the outer consciousness of mankind has built up, creating time and space in its belief, has been the great stumbling block to humanity's Freedom. Those who have reached the great disillusionment, that wealth, or the outer effect of things, cannot bring happiness, will understand with great blessing that within their own Creative thought, power and feeling are held in Perfect Happiness, Perfect Freedom, and Perfect Dominion.

When the student once understands that whatsoever, he or she connects himself/herself with, through his attention he or she becomes a part of, to the degree of the intensity with which his/her attention is fixed, he or she will see the importance of keeping their attention

off the seeming destructive angles of human experience, no matter what they are. To discuss the seeming inability, shortcomings, or faults of your friends and associates but builds that element upon which your discussion rests within your own consciousness, and also adds to the appearance which seems to be in the other individual. Know that there is nothing hidden that is not revealed in all activity if you remain steady upon the Path of Truth. And when outer interference invades your world Stand Forth with clarity of your Decree to nullify and dissolve such projections. Simply say: **In the Name of the Beloved Mighty 'I AM' Presence, I say to all human creation: NO! By the Victory of the Sacred Fire, you have no power! Your day is done! Be thou dissolved and consumed from the face of the Earth forever!**

It is very important to stipulate, You have no power! to that human creation and those human forces. It is absolutely imperative to be maintained. And when you ask that they be dissolved and consumed, I think it is a very important part of the Work; for not only is that accomplishment being temporarily done, but when the Great Cosmic Light in this Greater Power descends of Its own Volition which It will, that means the Activity of that Light will then take over the charge of the quality of mankind and enable It to do in a Great Sweep, as it were, the dissolving and consuming effect for the conditions that are in the atmosphere of Earth, which it is the Province of the Great Cosmic Light to dissolve. We cannot always tell just how It is going to manifest. At first It may begin with Great Rays of Light that hundreds of people will see, and they will feel the Activity of the Forces of Light. Should It decide to act in that manner, you would see the greatest transformation in human beings you ever witnessed on Earth!

So, when you engage within earthly activities, spiritual or other, with individuals or groups, known or unknown, know that what you give your attention to you are creating. Do not allow interference to overturn your Peace or Stillness, if you do You are energetically tying yourself to those groups or individuals which I said yesterday, will keep you from stepping into your Divine Sovereignty.

It is one thing to be engaging in family, accepting your responsibilities and roles within these Circles of Life, but it is another giving your energies to others, that while searching for the 'I AM' Presence within, which has the potential to build boundaries that can inhibit your growth far more than anyone may realize!

People and groups are placed upon your Path according to the thoughts and beliefs and programs you have accepted as your own, yet they are not going to offer you what your 'I AM' Presence alone can GIVE! So, be very mindful, watchful and alert, especially through the mediums of internet, television and mind-controlling subliminal advertising. Be mindful of all the ways you are influenced and as to why people come into your life, invited or uninvited. By all means, if you see they are there to offer you something, then stay only as long as you need to be. Then quickly offer your Gratitude and Blessings and move toward your OWN Divine Mighty Freedom within your Own Divine Plan and Purpose. If they are there to take advantage of you, use your Powers of the 'I AM' to Dissolve and Consume by use of the Cosmic White Fire Light, all that is not of God!

Remember what was shared about teachers yesterday! You have only ONE Teacher! Your All-Pervading, All-Governing, All-Guiding Beloved God 'I AM' Presence. Demand Divine Justice be done, and it shall use its Governing Justice Power to bring Harmony and Peace back into your Life!

The Entrance of the Great 'I AM' Presence into the activity of mankind will only spread when a thread of Light is manifested and Self-sustained through the activity of the New Disciples and Initiates as they expand Their Luminous '*Presence*' like a Mantle of softly falling Golden Snow. This Gossamer Veil of White Fire Substance will then be absorbed by the minds of humanity, the majority being entirely unaware, although there will be some who will sense the Inner Penetrating '*Presence*'. The aim here in this "I AM" FREEDOM Class is to co-create that Gossamer Veil while going about their daily activities. To do this one MUST become aware of the use of words and their distribution. Thoughts, words and actions are all Energy, and all contain consciousness.

So, when one uses unnecessary Energy within that consciousness, they are wasting Life Force Energy that could be better utilized in Higher and more productive and Co-Creational Activities. The world is full of such use of language and self-expression, yet far more could be done without the use of words. From the standpoint of working within a Unified Group, and in this case, where you are working from many different locations around the world, there is a tendency to use words, through replies and responses that in fact offer no tangible or productive benefit. Platitudes, Gratuities, Everydayness, the following of old patterns and the bolstering of other's personality needs, conscious or unconscious, the replies for the sake of replies, actually is a great waste of time, space and Energy!

The use of your internet as you see within almost every media format is built around the concept of useless, impractical, broken, unworkable, unachievable and unattainable waste of Energy. For the dark forces all this is such a blessing for here they are able to corral human consciousness, hold them within the imprisonment of their own making! It is only the ignorance of humanity that cannot see this happening on a minute by minute basis. Your worldwide medias, internet, television, radio, gaming machines are all designed to hold humanity within the grasp of those lower and more dense vibrational frequencies. Oh the Children of the new generations how they are being brainwashed!

Drugs and addictions of all kinds are one of the Greatest Problems humanity face today! I tell you Dear Ones, I plead with you, **STOP** wasting your time on that which has no further use upon the Path toward your Mighty Freedom. Your Freedom shall be the Freedom of others, but more so, the New Children of the Earth. I will broach this subject again, but for now I sense you are getting my point here! I see your consciousness moving far beyond that which is just about personal and group interaction! It is about Self-Awareness and Self-Control through the Qualification of your 'I AM' Presence!

Beloved Brothers and Sisters, I desire you to know that sometimes when I wish to be felt nearer to you, I do use language that tells you 'I AM' close, very close! For those of you who are clairsentient, you will feel this right now! It will be felt in many different ways, for each

person is different and their emotional and feeling body responds differently! Some will feel tingling, others warmth and still others a deep peace.

So, in this first **'I AM' FREEDOM** Alchemy Class, as this is a new experience for All of Us, I wish to Protect not only each one of you, but the Full Radiation of the Discourses and in turn the Group Identity and Balance within it. We would not dare to begin with a Group of new people who do not hold a certain awareness according to the strength of the Disciples and Initiates therein. You will come to know that your part in this Class is to hold a certain Protection, of the Discourses as naturally as We do.

So, when I ask that there be no discussion about the Class Activity it is twofold. One, to Protect the material and its Radiation Frequencies and the other until the individuals in the Group have entered the full experience through their own individual encounters, any sharing would be premature and could interfere with another's own perception. People must learn for themselves through Self-Realization of which I shall speak of in more detail tomorrow. If this happens, they are not going to Stand Forth in their own 'I AM' Presence, but in the reflective experiences of others and that is simply NOT acceptable when it comes to Divine Sovereignty. With the Work that you are aligning to do, against the darker forces, you MUST be able to Stand Clearly in the Light, both Individually and as a Group. Incidental, secondary or supplementary experiences are not Grounds to receive or attain Higher Vibrational Resonances and Light Quotients.

After the Class is complete, I will make another assessment according to progress and productivity. You will, however, have an opportunity to be able to share your experiences, but only about that which your findings about the 'I AM' Presence has presented to you. Unrelated subject matter will not be acceptable. If you have any questions, ask them between now and Christmas Eve, and if you are guided by your 'I AM' Presence to share something relevant to the Group, please do, but be mindful of why you are sharing, be very careful of the glamour that sharing can have the tendency to highlight! I will speak of this in another point as we continue the Lessons.

I will be very strict about no more sharing once the first Discourse is sent out until the end of the 33rd week! In that duration of time, it shall be only you and the 'I AM' Presence! That is the Objective of this "I AM" FREEDOM Class, and that is the jumping into the deep end of the pool, to see who can swim and who can tread water! This is what you are all signing up for here!

Let us close here for today and We shall continue tomorrow!
