ST. GERMAIN: Greetings Dear Ones, today, We return to *'Memory Lane'*, for I wish only to Re-Enforce, Remind and Re-Establish what you already KNOW to Follow the Path of Least Resistance! When anyone tells you that no-one can Qualify another, this comes from a lack of Understanding of God's Truth and a lack of clarity, including perceived orientations of communication links, where the direct Communication between ego-personality and Their 'I AM' Presence cannot be fully established and therefore successfully Qualify to a Point of All Knowing. ANYONE CAN QUALIFY ANOTHER if they are Working in their Fullness with their Own 'I AM' Presence. This is True because the 'I AM' of One is the 'I AM' of All. The 'I AM' of All is GOD! Therefore, God Knows All! I Speak to you today as your Own 'I AM' Presence, and doing so, 'I AM' Qualifying not only each of you individually but as a Group as well. For the 'I AM' Presence Knows All, It is All Pervading and All Governing and Never does it Speak from a place of anything less than Divine Love, Divine Power and Divine Wisdom, All within a Place of Happiness and Joy to be of Service. And when Called, as you have Called today, MUST Respond in Truth where it Qualifies All in That Service.

Likewise, to Help and Assist, it MUST Read the Resonances and Emotional Bodies of the Individual or the Group so that Its Responses are Fully Embraced for All Equally, so no Part of that Living Organism, Individual or Group is left out or does not have the Opportunity to come to the same Self Realization as Their Brother and Sister. You see, Dear Ones, when the 'I AM' is Present, the ego-personality has left the building! That is when True Progress is made, where ANY disagreement, misgiving, any problem of concern can find Its Higher Solution, It's

Highest Truth to Move Forward and not get stuck within old human programs and beliefs of doing things from within old ways or structural formations or principles.

The Masters have shared much about the 'I AM' Presence in the 'I AM' Activity Classes through Our Beloved Brother and Sister Guy and Lotus Ballard and again here in The 'I AM' Presence Authority Discourses within the EGA and none more potent than the one from Beloved El Morya and the '*49 Shades of Grey*' to understand the Way of Being the 'I AM' Presence when He shared this:

Let us begin by speaking a little about the 'I AM' Presence and your relationship with Her/Him. I clearly say Him/Her, for even though you may grasp a little of the Monadic Essence of your Beingness, All Consciousness within this Solar System, from the most minute pentaquark to the Solar System itself, comes under the Cosmic Laws of Polarity and the Laws of Gender. This is not the place right now to speak of these things, but I mention it in advance for a deeper discussion of these Laws in due course. So, because it is easier for you to relate to your 'I AM' Presence as Masculine or Feminine, or the Mother/Father Principle or even Divine Consciousness, We need to use language that you can ascribe to.

Before opening your mouth, become the Observer rather than the participant within any exchange. Listening is a wonderful tool in this process, for while you are Listening, with no other thought in your mind, you are opening to the Truth of the situation, the circumstance, the drama, the reaction. While you are engaging with your environment outside of a Peaceful, Harmonious and Joyous Attitude, any connection with your 'I AM' Presence is going to be full of static, interference, obstruction, impediment or other noise that is not conducive to a direct or honest communication.

It has been, in some cases, many millennia since you have had a direct connection and open communication with your 'I AM' Presence. Therefore, throughout the aeons of time, through your incarnations, there has been much dissonance, discord, friction, resistance, disharmony and, in fact, disagreements that has shut down these connections. These can be for many reasons, but let's not travel that path here, We are attempting to dissolve such travesties. But what I wish you to Know in a much more embedded way as part of your 'Fixed Design' is the Law of Action. This Law simply stated, 'No matter what you feel or know, no matter what your potential gifts or talents, only action brings them to life'. Those of you who think you understand concepts, such as commitment, courage and love, will one day discover that you only Create Knowingness when you place your Knowledge into Action; doing becomes the Understanding, following through Intuitively leads to Becoming, and the Creation is the Evidence and Witness of the Wisdom gained. Every Disciple and Initiate is a 'Focal Point of Energy' and should be a Conscious Focal Point of that Energy. In the midst of any whirlpool or thunderstorm of human consciousness (of the chaos of the third dimension), she or he should make His/Her 'I AM' Presence felt within Him/Herself.

This is the Law of Action and the Law of Action in motion! Do you see? The renewed connection with your 'I AM' Presence is going to take a bit of time and, more so, a great deal of effort through discernment, and this can be done in several ways. Silence, taking several Breaths before speaking, linking with your 'I AM' before opening your mouth, becoming the Observer rather than the participant within any exchange.

So, Dear Hearts, be VERY aware of the voices that belong to your 4 lower bodies, the combination of what is called your personality consciousness, whose goal is to tell you how great you are, what you know, how well you are doing, how important is what you say. The ego is in battle with what it knows as reality and cannot appreciate what your 'I AM' KNOWS. The 'I AM' NEEDS SAY NOTHING, for in Its action, in Its sharing, all is Known by the Receiver/Listener! The 'I AM' Is seen for All Its Colours because it comes from Truth, and in Truth, no proof is needed, no need for defensive behaviours or unbalanced attitude is required, The 'I AM' Simply Is!

The ego personality is a tricky customer, as you can appreciate, and it will do everything it can to make you think you are further along the path than you actually might be! So, be aware of this, you will have to be Listening and Aware of Every thought, word and action that comes from your energetic environment both within and out of you. Not only that but Listening to every word and Watching Every Action from another whom you are engaging with or in the company of. You can learn a great deal by simply LISTENING first and responding after consultation with your 'I AM' Presence and thus calling upon your Reserves of God Source Energy. End Excerpt.

The Law of Polarity, Dear Hearts, is of major interest here for anything that is not directly upon one's path, as it may have the potential to become a '*Point of Resistance*' if not Rightfully Applied, with Truth of Correct Qualification, and thus a distraction and or divergence in form away from your Known or perceived path! Every person will have such a Higher Path and, as I have told you many times, the Elemental Grace Alliance, as do many other Groups, must stay True to its own Guidance, Direction and Qualified Extra Ordinary Instructions when they have been Specifically Petitioned and Given Grants for that Petition by the Karmic Board of Directors. But just because the EGA has such a Petition Granted does not mean any Members of the EGA prior to or post of that Grant can accept it without Their own Full 'I AM' Qualification First. The First Condition of Engagement is Becoming a Sacred Alchemical Scientist through Knowing Thyself First!

Law of Polarity, simply stated, is the Cosmic Law that states everything has an opposite within the physical Realms of 3rd Dimensional Life. Light has to have Dark in order to understand each. If one changes an undesirable thought by concentrating on the opposite thought, this brings about a desirable change. This Law describes to you that everything vibrates and moves to a Rhythm. Each Rhythm establishes seasons, cycles, stages of development, thoughtforms, actions and patterns or templates of approach. Each cycle or circle reflects the

regularity of the Universe or the human embrace. To Master Rhythm, you must rise above any negative parts of a cycle, technology or consciousness, human embrace or indeed any form of True Service, which is the Goal and Aim of the 'I AM' Presence through the medium of the Human Vehicle and Biology.

Everything is Dualistic in nature. Everything has poles. Everything has its pair of opposites. Like and unlike are the same. **'Opposites are identical in nature but different in degree'**. All paradoxes may be reconciled where a Resolution and Solution can be found as a mutually beneficial outcome. The Evidence of this Simple Principle is Observed in the Polarity of Planets and the various Celestial Bodies that includes your Earth, Solar System and Galaxy. Likewise, one can Observe such Polarities within the personal as well as the Impersonal interactions between humanity in the way they exchange energies between each other. The difference is only the Depth or lack of Observation and Rightful Application to God Life and the Levels of Qualification through the **Real** 'I AM' Presence, or the perceived one, are placed in Love In Action or human action, respectfully. Therefore, Everything has Polarity. Without the Law of Polarity - Light, Gravity, Electricity, man and woman, friend and foe, reason and non-reason, Qualification and non-qualification would not be possible.

On the Higher Mental Plane, this Principle Manifests Itself in the Heart Centre of each person as the Enlightened, or darker Mind, or mind, respectively. The Principle of Polarity makes possible the choices one makes on the Scales of Life between Good and that which is deemed iniquity or iniquitous, right and wrong, generosity and greed, Love and fear, Truth and lies. The Law of Cause and Effect is closely connected to Polarity and holds one True to the choices and actions they make by returning to oneself what they have measured out to others. Meaning what they create and how it is measured in terms of God's Reality or the reality of man's own projections of thoughts and beliefs, good or bad, positive or negative. Like the swing of the pendulum, it always returns where it began. In Cosmic terms, it is expressed as, *'Whatsoever a man sows, so shall he reap'*. *'Do unto others as you would have them do to you'*. This principle establishes the paradox or the dual aspects of reality. *'Everything that is has its double'*. Positive and negative, Light and darkness, hot and cold, Love and fear, mortality and Immortality. One could consider here in the present example that has the need for this Qualification, that axiom which says, *'what would you choose to create, that which is life-enhancing or that which is More Life Enhancing'?*

This Law of Polarity brought to you, Dear Ones, how the very nature of how it plays out within the Opportunities were brought to you regarding the Triune Grace Commission Trust Formation. It failed in Resolution because no Mutual Benefit was reached and for no other reason! I use the word *'failure'* only because that is what human measures advancement by. Success or failure, good or bad, mutually beneficial or not. But in Polarity, no result is not a Perfect Expression of God's Love. Just opposites that are identical in nature but different in degree.

This Whole Experience you are going through right now is Everything about becoming the Divine Alchemist, and as I have pounded your doors Dear Hearts, My ONLY Desire for the EGA is to pursue and keep this Divine Plan on Track, to become the Foundational Platform for the Creations and Precipitations of the Christ Councils. Everything else is periphery to this Focus and Divine Intent. The timeline of November 2022 has been mentioned of late, but I tell you, any variation, diversion or jumping the train now could turn this date for the EGA into a lost Opportunity. 'I AM' not going to tell you what to do and how to solve your present situations on any level. That would not be Honouring your *'free will'*, but you have here within the Circles of Light, potentially, to Fully Embrace the Truth Of God that will Qualify any and all concerns you may have about your Own Very Specific Divine Plan to Ground the Christ Consciousness through the Christ Councils. I tell you in no uncertain terms, NOTHING on Earth, now or in the future, no thought forms, technology of any present or perceived type in human awareness, will Ground the Love of God, The Word of God, The Gift of Being God and Love In Action, more than your own Individualized Connections with your Own 'I AM' Presence!

Jesus has told you within the Christ Letters. I have told you within the 'I AM' Discourses. So, many Masters, Archangels, Elohim, even the Dear and Beloved Elementals, Devas and Angelic Host have told you all this repeatedly! People may try, but ultimately the **True Constitution of the 'I AM' One World Nation** will be made up of Human Beings standing within the Light of God's Mighty Image and Universal Consciousness in Their Own Love, Wisdom and Power, Fully Autonomous and the Sovereignty of Being One With the All That IS! Anything less than this is not the Divine Plan of the Elemental Grace Alliance, and until this is Truly Comprehended, Dear Souls will come and go, and those who stay without the desire to make the choices to make such Shifts will stay but remain the same, unmoved and stuck within the old Piscean paradigms.

As We draw near to the end of this Discourse, I wish you to revisit *'Memory Lane'* with this excerpt from another Discourse from Our Brother Master Rakoczy, 19th July 2016, where He shares what Beloved Sanat Kumara says about the *'Inceptions of Light'*. This may help you define the deeper Truth behind any concern with self or another and the continued pursuit of Truth within the 'I AM' Presence. Should you wish to continue this Qualification Call, then come back, and We will go Deeper still!

'Groups and Gatherings - The Great Divine Director - Elemental Grace Alliance 19th July 2016'.

THE GREAT DIVINE DIRECTOR/SANAT KUMARA: In the Elemental Grace Alliance Discourses, Beloved Sanat Kumara said:

Beloved Kuan Yin made clear references to the potentials of those who are now moving into place for such a 'Second Coming', but Know this, igniting your 'I AM' Presence within the 3rd Dimensional Earth does not automatically afford Ascension. There is still another aspect of

the Divine Plan that today, 2000 years after Yeshua's Ascension, where a Single Soul is no longer sufficient for the Salvation of the World, it must now come through the Soul Merging and the Final Group Initiations of the 'Inceptions of Light'! Then Dear Souls, if that is not hard enough, it then has to be Integrated Fully into the physical realms of Earth Now! Sounds hard indeed, but the Truth Is, once the Soul Merge has begun, Living within the Multidimensional Levels of God the Father and Mother, those of the 4th through to the 9th Dimensional States of Consciousness will become as Natural to you as breathing in and out of the Life of God! Living from the Centre of Your Beingness will become your Joy and Your Love, Power and Wisdom.

To move toward with these potentials now, Dear Souls, you will have to want it, want it so bad that nothing will stand in your way any longer. It is time that you begin to ask yourselves the questions that will offer the Guidance to achieve what you Holy Desire or, indeed, more importantly, what your Soul Desire's for you! You have an unimaginable potential being offered to you here. What you do with it will make all the difference! I Plead with you all who are reading this, give this some deep feeling and due diligence and then step aside of your ego and your personality intellect and listen to what your 'I AM' Presence wants you to Know! End Excerpt.

Make a clear and definite note here, Dear Hearts! The mention of the 4th to the 9th Dimension denotes the use of the Mental Body. The Stepping-Stone to Christ Consciousness from Humanity, however, the Levels above the 9th Dimension, the 10th and onwards, must have the complete and total integration of the Higher Heart, as Jesus had when He Ascended! Anything below the 10th Dimension should be a perceived limitation to those who wish to Fully Embody the Love and Light of The Christed Consciousness. Know this Truth of Thyself herein, Dear Brothers and Sister and all choices along your Divine Path shall be as easy and as simple as taking a Breath into God Life!

Do you remember the Discourse where Peter asked Me to Qualify the statement;

'Do not dogmatize in creed, or statement of being, as a governing rule of thought and action for those who join your organization. These things are limitations, and they often prevent free development because of foolish insistence on consistency?'

The Discourse was '2 Freedom Alchemy Class Transformation In The Spirit of Truth St. Germain 20200531'.

I shared this,

The short answer is, directly after that statement, it goes on to say, 'The creed that you write today may not fit the viewpoint of tomorrow; hence the safe and sure religious foundation for all men is that laid down by Jesus, The Spirit of Truth shall Guide you into all

***the Truth'*. A statement setting forth the teaching of a religious institution is essential, but compelling clauses should be omitted. End Excerpt.**

Therefore, anything one does must follow Cosmic Law based upon the Impersonal Life and not the personality life! If one were to follow the Living Example of Jesus the Christ, *'In The Spirit of Truth'*, then it shall be the Path to take to seek out All Truth! The moment one implements a personality aspect within the task, deed, or Vision, then these are the clauses that will not apply!

Worth a review in the Qualification herein?

Dear Ones, the injunction *'Man, Know Thyself'* must be applied by you to the *'Pure Truth'* of Being and the Spirit of Truth and not to human concepts of what that Truth is. It is also dangerous, however, to be critical of another or of his or her concepts; for only the individual can apprehend, through the screen of his or her own being, his or her world and the Cosmos beyond. When you Self-Realize the meaning of interpreting life for yourself, you will see how utterly impossible it is for you to perform this for another, inasmuch as the average person cannot successfully enter the consciousness of another lifestream nor accurately assess his or her complete thought and feeling processes.

This, by the Grace of God, We Are Able To Do; and the Karmic Board, in connection with the Universally Christed Selves of all mankind, is able to Mediate. We often hesitate, unless Mightily Appealed To, to interfere in individual karma. Yet foolish unascended mankind often rushes in to decide how an individual ought to live or think. I Trust My Brothers and Sisters of this Class Activity will come more and more to Realize how helpful they can be to one another by Holding the Immaculate Concept for each one's Life Plan and then leaving the Guidance to that one's own *'I AM'* Presence.

One last stop on *'Memory Lane'* for today, remember the Parable of the 10 Virgins, the 5 wise and the 5 foolish? What happened when the Call went out that the Bridegroom was coming?

To Know God First, Know Yourself!

Take the Path of Least Resistance!

No Longer Seek Further That Which Is Seen,

Rather Seek ONLY Now That Which Is Unseen!

May You Pass Every Test.

'I AM' Your Holy Brother Standing within the Light of Your *'I AM'* Presence With You.
