

Part 5 - Freedom Alchemy Class - Inception of Light

Resetting Time on Earth - St. Germain Christ Jesus Christ Michael, 5th December 2020

INVOCATION: Beloved Mighty All-Pervading 'Presence', Open the Door to the Altar of Our Hearts Allowing the Christ Consciousness to Blaze Forth. We Are Calling to Your Majestic 'Presence', Creator of All Things, Your Limitless Power, Your Perfect Fulfilment of Every Need and Highest Inspiration which has Revealed the True Reality of Living and Expressing Your Unconditional Love to ALL Life. Come and Lift Our Hearts and Receptive Minds Into Your Divine Consciousness and Loving Intelligence That So Marvellously Designed this World and Brought It Into Form as We Have Committed Ourselves to Your Care. Giving Us the Wisdom to always Achieve a Loving Response to any influences That are not of Your Consciousness so That We Continue Establishing a Framework of Your Divine Consciousness on Earth.

ST. GERMAIN: Greetings Dear Ones, I return today at Peter's Behest to Assist by taking the Qualifications Call to an even Deeper Level of Awareness, as more Qualified Concentration is required for what is developing within the EGA at present, and this may come as a bit of a surprise to many, as it has not yet been spoken of with any Group Circle due to its allowance to come forth in a much more Precipitative way from within The Christ Conscious Mind Itself. I hinted this yesterday, and the Call has been Heard and is being Responded to not only from within the Realms of the Masters but from within the Council Offices of the Christ. So, today, to go Deeper, I will step back shortly to Allow the Beloved Lord Jesus, Lord Michael, Lord Melchizedek and Lord Metatron to Respond to you regarding the New Development of the potentiality staring you in the face Dear Ones, whereby humanity could be divided very soon from its present Evolutionary Path of Human Evolution. This Divide is now within the Hands of those who hold the Divine Love, Wisdom and Power to divert this undesirable Course for Humanity.

It was Archangel Gabriel nearly a year ago Who told you that the New Erthe was born on 23rd December 2018, and the Gateways into the New Erthe have now been Established and Activated so that the Christ Ones could now begin to enter. Excerpt from '*Archangel Gabriel - Immaculate Conception of The New Erthe - 'I AM' Freedom Alchemy Class 23rd December 2018*'.

"Dear Ones, This New Erthe was Conceived in You, Your Genetic Blueprints held within your DNA, since many aeons ago and now, after all your lifetimes of holding these Visions Firmly within your Hearts and Minds, you have finally allowed the Birth to Be Precipitated, and thus, A Great Celebration has begun! This New Mother Divine Design, this New Incoming Erthe, shall be Born of the Black Light, That Place of Nothingness, where no Light other than through

the Holy Father's Intent is Visible. It is Now Visible! This New Erthe has been, up until Now, awaiting the final Acceptance and Gratification from the New Adam/Lilith Human Race.

On Christmas Day of 2018, The New Erthe shall be Born, Who will carry with it a Perfection of Life not seen here for millions of years! And those who shall live there shall hold within themselves the Highest and Most Advanced Qualities and Virtues where We the Masters, the Angelic Host, The Elohim and Other Higher God Intelligences will be able to Walk among you, where the Blessings, Qualities and Virtues, Gifts and Talents of the Living Christ shall All become Everyday God Life! End Excerpt

This Black Hole, or the Reversal Of Human Consciousness or the New Cosmic Consciousness Grid, will all be revealed in Greater Depth very soon. However, no matter what it is called, It is Calling for Those Who wish to Step more Fully into Their 'I AM' Presence from within the Full Embodiment of the Christ Consciousness. Where is that Gateway awaiting Entry?? There within you, Dear Ones! There within the Full Blending and Merging of the Higher Mind and the Higher Heart. And this is why 'I AM' So adamant to keep the Elemental Grace Alliance on a Single Track of Consciousness, but all this will Demand of each of you Reading, Listening, of Feeling into it, more detailed Level of Awareness that The Cosmic Offices of the Christ have already shared with the EGA. Listen carefully, Dear Brothers and Sisters and follow through with another review of the Supporting Discourses, these will help validate the Qualifications you have already received to date. Remember, Qualification, Qualification, Qualification!

Until you have reached the Levels of the Christ Consciousness to Ascend, Qualification cannot stop, so as to help you make the Correct choices within your 'free will', allowing you to place them all into the Rightful Application Into every part of God Life. Before I step back, I wish to bring to your attention the Discourse from K 17, Who has made His 'Presence' known to you and Who told you about a small Window of Opportunity available to make a change that could Transform the Course of Human Evolution, if jumped upon with All your Focus and Intentions to fulfil His Call to you. The Discourses that are going to be Quoted to you today and possibly tomorrow have been prepared for you ahead of time with Intentional Purpose so that you would be Primed in Advance to be Able to Act quickly and with the Precision of the Masters. I step back now and Welcome Beloved Brothers of Us All, Christ Jesus, to Speak once again with you all.

LORD JESUS: Dearly Beloveds of My Heart, as you Know, I Work through the Inner Attunement for the Evolution of the Human Race into the Second Coming of the New Race of Human Beings. All Offices of the Christ Work with Uriel, Creator of the Inner Light, for the Evolution of Souls and with I, Christ Jesus, As Head of the Offices of the Christ, which Work through the 144,000 Masters and Trinity Teachers. It is the Offices of the Christ which Ultimately Advance myriads upon myriads of Souls.

The Trinity Teachers exemplify a *'missing piece'* of a descended creation. This Work of the three Triple Powers, that is, the Ability to take the thought-forms of a Creative Father/Mother Life, Co-join Them with a Creator Sons and Daughters and Expand Them through the Work of the Infinite Spirit for the Evolution of a New Species of Man and Woman. That Man and Woman you know as the Adam and Lilith Kadmon Human Race.

It was My Work, as the Eternal Son, Who has taken on the Work of the Adam Kadmon, to become a Creator Son in showing humanity the mystery of the Father-Son-Holy Spirit Partnership so that We, through Being Re-Created with the Christ, could Attain to the Divine Level of Being Creator Sons and Daughters of the Father's Light and Mother's Love.

It was I, the Christ Jesus, Who Restored the Melchizedek Priesthood upon the Earth so that it would Work in Alignment with the Full Power of Lord Melchizedek, Lord Michael and Lord Metatron and the Creator Sons and Daughters Who Embodiment the Offices of Myriads of Beings sharing their Names within a Creative Partnership to Create a New World, or as you may call it, the New Erthe. Now, it is from this Capacity which I Spoke to you in My Discourse *'10 ENACA Petition Digital Libraries of Consciousness Jesus The Christ 20190802'* to offer you the Inner Working of My Attunements, Through You Who are Working within the Christ Offices of Melchizedek, Metatron and Michael.

So, to keep this Discourse to an agreed *'Formula of Approach'*, I will simply leave you with a short excerpt of what I shared within the Full Discourse, which encompasses much about the topic at hand of technology and the Divine Plans for the New Cosmic Grids of Consciousness for Humanity. This information has the potential to be misconstrued in accordance to the direction one is coming from and the experiences of life, not only in this one but previous ones who may continue to hold fragments of such lifetimes that have yet to be dealt with to be able to Fully Embodiment the New Human Consciousness and hence to begin the migration from the one Path of Evolution for mankind of a most energetic potential, presently facing mankind to another, that is the Original Evolutionary Path Designed By God from within the Offices of the Christ.

I will allow you, Beloved Brothers and Sisters, to make your own evaluations now as to how you will proceed from here.

Excerpt.

When you realize that, the Luminous *'Presence'* of Myself or any Ascended Master, where We Focus an Action of the Sacred Fire within that Action and Charge It with the Power of the Great Central Sun Magnet, and then hold It around an individual or a condition, It immediately begins to Raise that out of the vibratory action, out of the substance, out of the feeling, and out of the conditions of that which is of limitation, of human limitation.

These are Powerful Cosmic Laws that are being drawn to your attention and held before your consciousness again and again and again, and 'I AM' Ready, with your Co-Operation, to draw more of this Activity of the Sacred Fire into the conditions that surround you, if you want to be Free from the problems and the mistakes of the past.

And one of those which I wish to draw your attention to specifically today, for immediate action, is that of the addiction to technology. Of course, there are many forms of addiction, and there are many forms of technology, not just that which is mechanical in nature! And We can speak of these another time, but as this is all about the use of technology, then this is of prime importance right now!

You have now heard within these very Discourses by Lord Melchizedek about the '*time-binding - contraction of time*'! He said, in Part 5, '*5 ENACA Petition Time Binding Time Contraction Lord Melchizedek 20190719*'

Finally, if I may say to each of you reading this, including all the Intergalactic Emissaries of Light, this is indeed an **Activation in its own Rite**; if One Reads the Light Language Overlaid and Interwoven within these words for a '*Time Binding and Time Contraction*' to take place! This is an opportunity that has the potential to pull back the loss of time of this Artificial Time Cell that this Earth is in right now and to draw it closer back to Its '*Natural Time Cell*' Where It Belongs! Beloved Sons and Daughters of God, are you Listening?

'I AM' Lord Melchizedek offering this Illumination for your Journey within this Divine Plan! Think Radiation Temples, Dear Ones. Divine Your Christ Consciousness and Circles of Light! Become the 'I AM' Presence. A '*Time Contraction*' is upon you!" End Excerpt.

Dear Sons and Daughters of Man, as Sons and Daughters of God, You need to Know that a '*contraction of time*' is upon you, indeed! Loosely explained, that means that you have before you a crossroad that faces humanity! One Path leads to a planet that will succumb to technology and thus will lock humanity into a virtual reality that shall be one of the hardest addictions to ever escape from. The other is one where the use of technology shall allow for the expansion of consciousness whereby that technology will dissolve and be surpassed by God Consciousness within the Higher Octaves of Christ Consciousness. The latter is one that the Human Evolutionary Path was always destined for! So, there is little time now to remove that alternative path if the mass Ascension of humanity is going to turn themselves upon the Path to Freedom. As the Sons and Daughters Of God, who have the Powers Invested in Them and Who are presently Petitioning for the Grants and Dispensations to turn human heads and hearts away from additional technology, this is most definitely a New Human Opportunity to be the Salvation of a World in need!

The New Children upon the Planet cannot afford to be corralled within any more mighty deceptions of false power and limitations. This single choice to turn humanity away from inappropriate technology alone can place the Evolution of Humanity here on Planet Earth

back into their *'Natural Time Cell'*, but also, as Beloved Myra has shared with you, it will allow for the complete dissolution of time, so that humanity, as a New Species of the Adam/Lilith Kadmon Race, will fulfil its Own Destiny to Live in the Perfected State of the Now Moment expressing the 'I AM' Presence within EVERY Pulse of Life Choice! End Excerpt. For reference - (08 - ENACA Petition - Unifying Consciousness - Myra - Lyran Galactic Council for Human Creation and Affairs 29th July 2019).

I step aside for Lord Michael to speak with you now. 'I AM' Your Beloved Brother In Christ, Jesus.

LORD MICHAEL: Thank You Dear Brother, Yes Dear Souls, this is a most Auspicious Occasion and one that We have been waiting, for those with Their Consciousness Open to receive the Impulses and Impressions from the Masters and Other God Intelligences, to come forward in Love in Action, to become the Fire of Change and the Caldron that Hold The Eternal Flames of the Three-Fold Flame Burning with Greater Intensity by the day! Like Beloved Jesus has shared, I will follow suit by doing the same. The Discourse Excerpts, I hope, will encourage you all to Move Forward swiftly now, to Embrace this New Window of Opportunity. It is an Intense time right now and will only amplify over the coming weeks and months, so We are asking each of you, those who are ready and able to stand Alive and Well, Within the All-Consuming Violet Fire, to accept the shattered shards of fragmentations of consciousness and send it back to the Solar Sun of Helios and Vesta to etherealize all imbalance and impurities of man's creations back to their Source.

Excerpt from *'8 ENACA Petition The Reordering Process Lord Michael 20190724'*.

Here, prediction and retrodiction (the explanation or interpretation of past actions or events inferred from the laws that are assumed to have governed them) are important in that they are fused together by perceptual mass or *'that which relates to the ability to notice something or come to an opinion about something using your senses'*. This may be called a biological reversal, or it may also be called a resurrection of former life-death states. When We think of the lower mind, We See this as the linkage capsule between the Divine Language Systems and the Language Systems of the mind-body complex. The perceptual apparatus for the Higher Mind Reality of your Higher Intelligence is the normal mind. **The mind is localized in consciousness; consciousness is not localized in the mind.** Here the mind receives 'images' from an infinite number of Higher Mind Realities that are comprised of multiple Levels of the Quanta Universal Mind.

To put it another way: Just as the mind can entertain mathematical and mythological simulation, paradigm or patterning, which is basically the dichotomy of Science and Religion, some individuals who were the Priest-Scientists of history or who were the sages, oracles, mystics, channels, clairvoyants, clairsentients, clairaudients and alchemists, who many of you

reading this were, could understand how the mind-space could be elongated and could understand that it was the necessary violation of structure.

They knew that the mind could overcome the perceptual timeframes of mathematical or mythological simulation, paradigm or patterning. Individuals who could work with a '*priori logic*' and Transcendental Consciousness, in general, could appreciate the mental enlargement of the Mind-Space Continuum that could House many Cosmological Factors. Even though they were not all actively used, the minds of some individuals could be elongated to exist simultaneously on many perceptual levels. In this modern age, it is not a question of hardware or software, of computers or microcomputers, but more so now '**Lightware**', breaking the matter-energy construct of the mind so that the mind is linked with the Higher Mind Reality, which begins with the Eighth, Ninth, and Tenth Chakras:

The Eighth Chakra; the template that can work with parallel dimensions.

The Ninth Chakra; that can work with different language systems coming from parallel space-time frames.

The Ninth and Tenth Chakras together; that can actually work with the collective consciousness of evolutionary systems far beyond the finite level of creation that Mankind occupies (i.e. in material creation).

The Higher Mind is a Second World of Consciousness Development, a Second World of '*Advanced Intelligence*' as an Over Self-Governor - connecting the Planetary Mind-body Complex with the functions of the Universal Mind. The Higher Mind works considerably faster than the lower mind and interconnects with numerous Entities, Entities within the Greater Universe. Hence the Levels of Consciousness that one must begin to expand upon before they can move into the Realms of Christ Councils or the Circles of Light! And it is this that I wished to bring some further clarity to you all today, for while you still may not feel you are at these Levels of Higher Mind or Advanced Intelligence, it is not that you are not there yet, just that you have not yet accepted these Levels of Advancement held within your Adam/Lilith Seed Consciousness held within your DNA Encodements. This you need to Know and now you are one step closer to knowing this Greater Reality if you did not know it before!

I bring all this to you today to help you All, including the Galactic Emissaries of Light, to know that any action, through any sort of Advanced Technology either used on behalf of humanity or indeed for the development for the use by humanity MUST go through the correct channels before passing on to this Human Evolutionary Path. Agreements have to be reached and entered into on All Levels of Dimensions beforehand to safeguard humanity from falling into any recycling of human consciousness that is not for the Greatest Good of Their Advancements into the Higher Realms of the New Adam/Lilith Kadmon Man and Woman Human Race! This New Planetary Cycle is vital to stay on track, whereby mankind must take FULL Control of its Own Evolutionary Path here! And so, I have introduced what I have today

for this reason so that those who are sufficiently Aware can take the next Advancement of Steps toward the Removal of All constraints that have held humanity back until now.

I tell you, technology can be used for good or bad, and without the correct levels of engagement, through the Correct Authorities of the Cosmic Laws, many such technologies can be used against the Advancement of the Adam/Lilith Kadmon Human Race, just as those technologies have been given to mankind by the 'Greys' and other dark forces in exchange for tens of thousands of human soul experimentations. These technologies have been and continue to be used against the present Human Race as forms of war, control and sustained surveillance. Use of such things are NOT ACCEPTABLE any longer! **Full Stop!** War machines and machinations are soon to be things of the past!

What is becoming very clear into Our Focus is that humanity is upon a Threshold of a huge radical change due to what is transpiring upon Earth today. And this is what is being contemplated on All Levels of Dimensional Realities As We Speak. To such a degree, in fact, that there is mention, once again, about the Re-Writing of some of the Human Akashic Records in Advance of Time Cell changes to radically change the direction of Human Evolution.

As you will Know, Peter, this was spoken with you in detail a decade ago, and it is resurfacing again now for even Greater Consideration for Compassionate Purposefulness. However, before We can come to any final Decision for this, the Christ Councils and Circles of Light must become a Reality! For True change is only achieved through Self-Empowerment. And that is Humanity's Responsibility now. The 'Gates' of the Heart/Mind cannot be opened by force or fear. Love in Faith and without expectation is the Key NOW! Great Progress can proceed with Love and Honouring the wonders of Your Unified Core. Yes, We encourage you, Peter, with these New Council Connections, to continue with Their Merging and Emerging, releasing again any weight of scepticism and divisive judgment of those who suffer unaware in the mire of duality. Centre in tranquillity then and spend time in Close Focus with the Ascension of 12.

All True Councils, as you know, have a 13th Member or Component - the Central connection to the Next Level in Higher Consciousness, as well as the Twelve who Attract and Reflect the Communal Focus of Heart Feeling and Mind Conceptualization. This is the Core of Effective Councils, even if the 13th is a Titular Conception and not an incarnate/discarnate 'Presence'. The usefulness of all such Councils to work beyond ego positioning and fear paradigms requires a Communal Focal Point. Just as this ENACA Alliance Council has done. This Central Focus needs to be accepted by All Members beyond judgment and beyond criticism. The next Council We wish to See is that of 12 Human Beings in Circle, that is Your Goal! End Excerpt.

Beloved Brothers and Sisters, continue to Shine your eyes upon the indwelling Divine Faith you have. See the Living Hierarchy Encircling the World with every Call you make through the Multiple Extensions of the Teachers of Light Now Operating Globally to fulfil the Work of God

on Earth as it is in the Heavens. As Beloved Lord Melchizedek Tells you, **For the Son and Daughter of man are those who the Most High has kept from many generations of Man and those who will be seen to deliver this Creation. Behold Those who Will Gather the Legions of Beings and the Children of Light Beneath the oceans and mountains of this world to the astonishment of the dwellers of the earth and those Who Will Bring Forth a Cycle of Peace as the planet is RESET within the Heavens of this Universe.**

Here the Brother and Sisterhood of Man shall Become Brother and Sisterhood of Light in its Ultimate Phase of Initiation into the Mansion Worlds.

With the Coming of the Fullness of Christ, The Christ Consciousness and the Hierarchy of the *'Christed Masters'*, We Participate Directly in the Marrying of the Macrocosm to the Microcosm, Realizing a New System with its Own Inner and Outer Depths of Creation through Those who have the Eyes and Ears of God to Follow the Light and Love of Source.

'I AM' Christ Michael At Your Service. Call on Me Anytime.

Lord Metatron and Melchizedek shall speak with you all tomorrow!
