

## Part 9 - Freedom Alchemy Class - Inception of Light

---

### Take Charge - St. Germain, 6th July 2021

**INVOCATION:** The Beloved Company of Heaven, All God Intelligences, Master 'Presence', Come Now to Our Calling Forth as We Qualify the Ascended Masters' Sacred Fire, Invincible Power, Protection and Purity, the Violet Flame of Love, to Life Into All outer conditions around Us and Within the 'I AM' One World Nation and Its True Constitution and God All-Pervading Government of All World Life and Affairs. We Ask for the Protection of Divine Rights for the People of All Nations, the World's People, the Preservation of Divine Freedom that God has Given to All to Enjoy in Harmony and Happiness and Expand in Higher Knowledge Within! We Ask for the Protection of The Divine Resources Constantly Blessing All, the Divine Authority and Control of All Borders of Nations, All Truth to be Revealed, and the Divine Removal of All That Is iniquitous Within the World Nations which is held within the mind, body, spiritual and all miscreations where illusions continue to reside and mislead the Peoples of this Beautiful Planet! Earth Is God's Dominion ONLY! We Demand With Every God Atom and Every Living Cell of Our Being That All That Is God Be Now Made Invincible for Eternity, revealing, making public and then dispelling All lies and untruths, all misgivings and misinformation about all world economies, business, medical and big pharma, artificial intelligences and the use of satellite technologies for surveillance and control of the masses, along with falsehoods about the world food production affairs and facilitations that continue to create resistance and obstacles that prevent Dear Human Beings to be God Free!

**ST. GERMAIN:** Greetings, Dear Ones, 'I AM' Come today to Speak with you all about the inconsistencies relating to My Conditions of Engagement to your Own 'I AM' Presence that continues to create resistances within the Elemental Grace Alliance's '*Forward Movement*'. The continued lack of the Power of the Cohesion of God's Divine Purity of Love is what has prompted the Visitation from Lord Melchizedek to Peter and, in turn to all of you in the EACOL. But as this is principally directed toward the EGA Administration, it too relates very much to all who will listen to or read this Discourse in the future!

The Masters have gone to great lengths to offer all the Guidance necessary for this Divine Plan to succeed in its Designated Areas to help Lift Human Consciousness into Higher Knowledge and to be made ready to receive the '*Inceptions of Light*' that are Destined to be Anchored within the physical bodies of those who have Knowingly already and unknowingly yet, come to Mother Earth to Become the Full Embodiment of the Living Christs. For without the Dear Human Souls, who will take their Seats within the Christ Councils there in the physical realms of Earth, the Ascension of the Planet will continue with the present human conscious resistances and obstacles.

Dear Souls, We have told you before, many times now, that there is a need for human consciousness to begin the Transitions into the New Living Organisms, to find your own places within either one of two Fundamental Groups. Those of the Exoteric and Esoteric Groups, those who are content within the Service to Humanity as part of the *'Sons and Daughters of Water'*, or the *'Sons and Daughters of Fire'*, who are the builders of communities, cities and nations. One Group is Conservative, and the Other is Progressive in Nature. One is happy, settling for the immediate view of the outer, the other fixes their focus on the future, never content to remain where they are.

I Understand the delays in the finding of a suitable balance within your New Synthesis of Light Forum, as those who have arrived through the Opening of the Heavenly Doors as other Dear Hearts Hear the Key-Note of the Call from the Elemental Grace Alliance Council to increase the Intensity and Assistance of many more Disciples and Initiates to join this Divine Plan in due course. Yet I tell you, this New Forum is not enough! And any further delays that prevent the other avenues that are awaiting their Creations will only remain part of the Fundamental Exoteric Group. What is happening, Dear Souls, is that while all your efforts remain focused upon this Group Platform for teaching and supporting the New Main 'IAMOWN' Body of the EGA, the Greater Work of Development and Implementation, many other needed potentials are now lacking.

Therefore, the Message from Lord Melchizedek is Simple in Nature but more complicated in Rightful Application for the Second Group, for those who are not content to remain where they have their own calling and the very reason, We made the Decision to Open the Doors to the EGA's United Forcefield, thus providing the additional help to keep both Groups functioning within their own potentialities equally! You must have that help NOW! One Group is dependent upon the other, but neither can be given the entire focus, so the other declines in its own need to Move the Divine Plan Forward in its magnitude and expansiveness.

Dear Brothers and Sisters, The Universe is Divine Intelligence, and it is not governed by human consciousness. Christ Consciousness Flows through the Entire Cosmoses and All Things as the Cohesive Power of the All That Is, in Divine Love and Truth. This Power of Divine Fire is man's and woman's Natural Element. If I may Use an analogy here.

In the same way that fish find themselves in their own Natural Element, Water, both mankind and fish can remain in their Natural Elements without the Awareness of being within it! Being part of it! Modern men and women live today without the basic Divine Principles that are the prerequisites for their existence. To be a Christed Man or Woman, there are some Basic Conditions of Engagement.

It is only after the fisherman has caught a fish on his hook and pulls it out of the water that the fish wakes up to a New Reality. It is the same for man and woman when they find themselves hooked upon the Lifeline of Spiritual Truth and Love. He or she then wakes up

after such an experience to the acknowledgement of a New Reality, only to find that Spiritual Truth within them slips away again, and they spit the hook and fall back into the waters of emotional imbalance and the comforts of what that may be for them. Some could call that complacency or a comfort zone! Here is where the Spiritual Lifeline then floats within these waters, but now without any bait, without any Magnetic Pull of Divine Spiritual Message. So, finding their way back to the New Reality remains even more elusive!

One can, however, presume that Dear Souls, who choose to live in the waters of life, unlike the fish, is in a position to reflect upon the experience and use it positively to transform his or her view on life and how they may live it. But the Cohesion of Divine Love is Ever Present with its All-Pervading Endless Networks of Light, Sound and Christ Consciousness. This Divine Intelligence is Energy that Reveals Itself in Varying Speeds and Frequencies. **'Take Charge'** then, is calling for each of you to become your Own Lifeline, cast into the Waters of Life so that you shall become as Jesus Is, Fishers of Men and Women who have yet to find their own New Realities, a New Life with all the New Experiences that will come with that New Life! Do you remember when We spoke about only Seeking that which is Unseen? Your New Realities are yet Unseen, and while one remains attached to the slowest and toughest, to the most inconsistent vibrations floating within the oceans of the Cohesive Power of Love, only the lower vibrations of the human ego-mind will constitute the so-called visual forms of the material world.

Mankind today continues to live by their thoughts, and whether they are set forth as feelings, words or actions, they have, since time immemorial, been recorded within the Universe and remain constantly available as Cosmic information. Thoughts may be invisible, but they create form, both on the physical plane and in the Etheric Realms. Negative thought patterns impede and limit and can, in the worst cases, create physical, mental and emotional illness, physical pains, sickness, etcetera, while positive thought patterns create the form that human beings can develop, progress in their Divine Spirituality, can Cleanse, Transcend, Transmute, Transform and Transfigure one's life to the next! The New Thoughts of men and women must become free from spiritual glamour, pseudo or imitations of Divine Spirituality, and the illusions of the three worlds, the physical, astral and Etheric Worlds. Human spirituality is NOT Divine Spirituality! One is Your Divine Birthright, the other is the human illusion where one freely chooses to believe is their Divine Birthright! These are like chalk and cheese, Dear Ones.

One must become free from the illusions of the mental projections of the ego-personality. One must become free from the imbalanced emotional encounters that only occur in the lower vibrational frequencies and light quotients. And here we are again, where all are being called within the Elemental Grace Alliance, along with all those who Seek a New Life in Christ, must begin to look more deeply within themselves before they make another choice to create what they think they personally desire, rather than what their 'I AM' Presence Knows what is required for their New Life. And without one's own personal and direct Life-Line to their Own

'I AM' Presence, from within the oceans of forgetfulness, then the Christ Councils and the Cohesive Nature of Pure Love will remain as elusive to those human beings who choose to live within the old paradigms of the human consciousness.

A New Reality can only be Experienced once one has removed themselves from the illusionary worlds of form and the miscreations of mind, body and human spirituality of the human consciousness. There are no exceptions here. There is nothing personal about any of it. This is Plainly and Simply about **'Taking Charge'** of One's Own New Reality Life, even though It may not yet be seen or Precipitated into another type of Physical Form; One Enveloped as a *'Bubble of Life'*, a *'Garment of Shaddai'*, an *"I AM' One World Nation'*, where Only The Cohesive Power of Love and Truth Reigns Supreme without human resistances and obstacles in all the forms they display for themselves.

Dear Brothers and Sisters, We Unite here together as One Mind and One Heart. However, I Come to tell you also, **'Take Charge'** of your Own Truth and Your Own Reality of what your Memories are calling forth from you! **'Take Charge'** over the persistence of the ego mind that tells you, you are only a human being swimming in an ocean of old human consciousness. Remember that you Are Created in the Likeness and Similitude of God. Whether you think you are Sons or Daughters of Fire or Water, Know that you are Both, for God is Not separate of Self! Be mindful then that each of you have been called to specific tasks to Play your Part in this Evolutionary Divine Plan. Just as the Individualization of the Masters and Angelic Intelligences are All Things that humanity uses with Names or Titles, Gifts or Talents, Divine Virtues or Characteristics, each Uses the Cohesive Power of Love to Assist in any Divine Plan to Evolve an Entire Cosmos from within the lower consciousness of the old laggard human consciousness.

It has taken millions of years to arrive at this time you are all in right now. You have been pulled out of the old waters of life into a New Reality! Are you going to spit the hook again, falling back into the old waters of life or jump right into the Boat as it Floats toward a New Land, Life Form?

'I AM' going to close now and leave you with a reminder from the Discourses given to you on the 23<sup>rd</sup> of January 2021, Part 8 of this Series.

*8 Freedom Alchemy Class Inception Of Light Removing the Veil Do Less Be More St. Germain 20210123.*

Lord Melchizedek will be Speaking with you tomorrow 'I AM' told.

There is much to contemplate, Dear Ones, in this Discourse.

**'I AM' the Truth, the Light and the Way.**

**'I AM' the Creator as God Creates.**

**I 'AM' the All-Seeing Eye of Only Union.**

**'I AM' the Observation of What Is.**

**'I AM' The Acceptance of My Homecoming.**

'I AM' Your Brother Holding the Vision of Your Homecoming and the Creation of the New Reality With Humanity's Freedom Intact!

And So, It Is.

Excerpt from the Discourse mentioned above.

Remove the Veil that has held you all in human consciousness if that is what you desire. I want to give you a thought that will assist you in this, just as it was given to Myself and Our Brother Jesus some time ago. And the thought is this, and I would ask that you consider it well.

What if the very life you are living, and each are experiencing that flows toward you since the moment you decided, *'I've got to Awaken here'*. What if everything was being directly sent to you of Your Father because your Father Knows what is necessary to unravel within your consciousness that will allow you to Awaken enough to 'Remove the Veil' of consciousness that has kept you in limitation for so long? What if the very things you are resisting are the very stepping stones to your Homecoming? What if you achieved a Maturity along this Pathway in which you were finally Willing to let things be just as they are? Nothing is by chance, and nothing that you experience has not been given to you as an Opportunity to Awaken the Moment you Self Realize It!

And if it was necessary to be given what may appear to be of such menial tasks to you, you simply took a deep breath and said, *'Father, You Know the Way Home for me'*, and therefore began sweeping. And then, up into the mind comes the thought, 'Oh my God, I won't be recognized. I won't stand out, or this is not what I wish nor the way I see My Service to God. People won't think I'm special if I'm just a street sweeper.

And then you recognize, *'Ah-ha, no wonder my Father wants me to do this. I've got to flush this up so that I can look at it, dis-identify from it, and Learn to be the 'Presence' of Love in the sweeping of the street'*. For in Truth, I Tell you, the least of these things among you, according to your perception, is already equal to the Greatest of All Services to God and His/Her Divine Plans! And there is none among you Who is less than The 'I AM' Presence! End Excerpt.

**BENEDICTION: Beloved 'I AM', We Praise Life and Its Infinite Blessings upon mankind and the World. We Give Gratitude to the Divine Immortal Existence of the Divine Consciousness. 'I AM' Master of Everything in the Universe by the Divine Purity of**

**Love and the Peace which 'I AM', and That is Power Without Limit. And So It Is! As Above, So Below, As The Soul, So The Human Life. 'I AM' The Light that Never Fails'.**
