St. GERMAIN: Greetings Dear One's, due to the events of the past 24 hours and the request to re-visit Part 3, along with the responses now submitted, I have chosen to place the Seeking of the New Laws to be entered another day. This subject matter that we are about to embrace is at the core of this Introductory Class and its messages since we began, with Part 1. We did not really begin with Part 5; this was simply a belief drawn from old outdated experiential paradigms. Today, we speak of Miracles and the Power of Faith again.

When a word is spoken, a chemical change takes place in the body because *'the Life current in man is subject to the spoken word'*. Faith moves ideas in the mind and causes them to express themselves. You all use the Power of Faith, but usually in an unconscious ineffective way. When Faith becomes active in you, you may get restless and discontented with your world. This is a sign that Faith is moving in your mind, trying to bring Greater Good into your life.

Question: *Why Is Faith So Powerful?*

Answer: When you Activate Faith you set into operation a '**Mind Energy**' that is a thousand times more Powerful than electricity, a '**Will**' which is equal to Mighty God Power. Your Mind Power of Faith, then generates an energy, that contacts the Universal energy and causes circumstances and events to be created, that make your goal of *Faith* possible. Indeed, Activated Faith releases a vibration that is Endowed with a fantastic, Attracting Power. The drawing Power of Faith is NOT possessed by any of the other '**Mind Powers**'. It is interesting to note here, that these Powers are referred to as Mind Powers; even though the Centres are in other parts of the body. The fact is that they are being controlled by the Mind. *'The Higher Conscious Mind or as I refer to it the 'I AM' Presence Aspect of Self'*. The body is of no use to you without the Mind. The body will not function without the Mind. Therefore, it is no surprise that all the functions of these Mind Power Centres Originate from the Mind.

Question: *How Does One Release Faith?*

Answer: *Your Attention Is Your Faith.* Whatever gets your Attention, gets your Faith. Whatever you give your Attention, you have Faith in. Whatever you are deeply convinced

about, you have Faith in. Whatever you expect and prepare for, you have Faith in. Material wealth can lead to power and often power corrupts, therefore you must not place your Faith in mere things. The True Riches, the same Riches of Joy, that Jesus spoke of yesterday await you once your Faith is strong enough to Attract them to you. When you search for them, you will find them, but only within the Heart Centre. Listen to your Heart Dear Souls, as you all did yesterday with your Blessed Sister's unfortunate situation. It will be the Compassion and Love that you showed to her and others, which is the Food for the Application of God Life. It is there that you will find your Riches of Joy, Bliss, Harmony, Purpose and Wisdom, thus becoming Truth in Divine Service, Released as Love in Action.

So, *'Your Thinking Is Your Faith'*. Whatever you are firm about in your thinking, you have Faith in and it will manifest in your life by the *'Power of Faith'*, whether it is positive or negative. Through that firm belief, you release a *'Super-Atomic Energy'* into your Electro-Magnetic System to *'Work for or against you, depending upon the nature of your belief or knowing'*. Remember the Power of the Mind, as I have explained it before in previous times is the Power to do anything you set out to accomplish. You have the Divine Access to that Power of Faith.

Question: *What is the mind in these constructs?*

Answer:

- It is the cause of disease and has equal power in overcoming it. The Energy shows no favouritism as to either the positive or the negative; it is neutral until the mind gives it its instructions to manifest. As it is directed, so it shall proceed.
- It does not act of Itself but is acted upon by thoughts within you and opinions outside of you, that you listen to. Whatever opinion you put into a thing, is what you will get out of it.
- It is made up of ideas held within it, its belief patterns and other programming. Concentration upon just one single principle will change the mind miraculously and cause it to rise in confidence above many of its previous beliefs and fears.

'Faith, therefore, can be used destructively or constructively'; the choice is yours. Your Attention will result in generating Power, so be careful what you give your Attention to. The fact that your Mind Power of Faith, is located between the ears and eyes, indicates that what you listen to and what you see, will manifest within your life if you give it your Power. Allow your Power of Faith then to unfold through the correct use of your Inner Sight and your feelings, which are registered within the Heart Centre; otherwise known as The Intuition.

We Realise that the Whole Universe is a Sacrament which mirrors the Divine Reality that each created thing, though nothing in itself, is of Infinite Value and Significance, as I explained to you yesterday, although it is fragmented, it is as Magnificent, as Brilliant, as Miraculous and a Spectacle far greater than anyone's landscape or panoramic view; it is the Sign of a Mystery which is Enshrined in the depths of its own being. The human being is known to be not merely an isolated individual, carried along on the flux of space and time and doomed to extinction, but a Member of a Divine Reality.

Just as are the splintered shafts of Light that create the manifestations of ugliness, deformation, warped forms and thought forms, all miscreation's physical, mental, emotional and spiritual. Mankind then, are working out their destiny through their destinations and are subject to all the consequences of subservience, both the tragic and the Miraculous in the material world. Destined to transcend the limitations of time, space and mortality and to enter into that Fullness of Life where there shall be *'neither mourning nor weeping nor pain anymore'*. The suffering of this world can have no meaning if you attempt to judge it in the Light of these present limitations in understanding and this space-time continuum.

When you have passed beyond the conditions of this present life, you shall then have that Integral Knowledge in which the Whole Becomes the Known in Every Part and where, Every Part is Seen to Mirror that Wholeness of God Life. This is a certainty, that only Faith can give, so even now you can begin to discern something of this Truth about Divine Faith. For Love Divine can give all men and women, a Genre of Knowledge, Light, Sound, Colour, Tone and the Divine Individualised Expression of God's Mighty Power. That Power being that which elevates beyond that of Faith and any reasonable explanation. But it takes Practical Application of God Life, Focused Attention, Love Divine, Compassion and Forgiveness.

When We Speak of Miracles, that come from Divine Faith, we understand that countless Miracles of the Christ have been duplicated, by men and women at various times and climates, since His wonderous advent and because of human scepticism and forgetfulness, the wonder of it all has been regulated to the realm of myth, or the imaginings of gullible minds. Let Me therefore plead with you all here, reading or listening to this, for a renewal of Divine Faith and In The Power of God; This is a requirement of everyone, who would be a Divine Alchemist, of Spiritual Accomplishment, on behalf of the Holy Purpose of the Universal Law Itself. The Laws of Existence, Cosmic Laws and the Laws that you the New Disciples and Initiates are Seeking, are your Divine Heritage as a Christed Being upon Earth today, that Jesus the Christ Demonstrated for you, 2020 years ago.

Without **'Faith'**, it is not only impossible to Manifest to Equal God, but to declare unto you, it is impossible to manifest the Perfection of the Laws of the Cosmos. *As 'Faith is so Great a requirement', would it not pay well for each one to 're-examine their reasons for any doubts that remain within their own individual beliefs or conscious programs'?*

Note, that most doubts arise from patterns of self-deception and the practice of deceit and the failures of the human mind to fulfil its professed Integrity. Seeing, then, that such negative conditions stem from the consciousness that one 'sows' within their own mind, as error, would it not be wise for all to look to the 'I AM' Presence, The Mighty God Within and to Live a New Life? With God All things are possible, but as in every science, proficiency does not usually come about without Knowledge, that has been Divinely cultivated and proven through persistent Application, Grounded and Qualified Experimentation, Joyful and Harmonious Feelings, Love in Action and more than this, Divine Awareness of your Own Divine Self as Jesus was in this example.

TOUCHING THE HEM OF JESUS' GARMENT (LUKE 8:40-48)

Luke 8:40-49

Now when Jesus returned, a crowd welcomed him, for they were all expecting him. Then a man named Jairus, a ruler of the synagogue, came and fell at Jesus' feet, pleading with him to come to his house because his only daughter, a girl of about twelve, was dying.

As Jesus was on his way, the crowds almost crushed him. And a woman was there who had been subject to bleeding for twelve years, but no one could heal her. She came up behind him and touched the edge of his cloak and immediately her bleeding stopped.

"Who touched me?" Jesus asked.

When they all denied it, Peter said, "Master, the people are crowding and pressing against you."

But Jesus said, "Someone touched me; I know that Power has gone out from me."

Then the woman, seeing that she could not go unnoticed, came trembling and fell at his feet. In the presence of all the people, she told why she had touched him and how she had been instantly healed. Then he said to her, "Daughter, your Faith has healed you. Go in peace."

Exposition

Jesus and his disciples have returned to Galilee from the land of the Gerasenes, but as their boat lands on the western shore of the lake, probably at Capernaum, a crowd is waiting. They have seen his boat from afar and have massed on the beach to welcome him.

The Press of the Crowd (8:40-42)

*As Jesus heads for Jairus' house to heal his daughter, the crowd is especially thick. The NIV says, "As Jesus was on his way, the crowds almost crushed him". The word translated "crushed" or "thronged" (KJV) is Greek *sumpnigo*, "as a hyperbolic expression for 'crowd around, press upon,' something like 'almost crush.' "It is the same word used by the Gospel writers in the '**Parable of the Sower**' to describe the thorns '**choking**' the wheat and making it unfruitful. End Insertion*

Dear Brothers and Sisters, I hope, that you are now beginning to see, how the Universal Flow takes shape, within the Manifested Form through Divine Faith. I hope that you can also see now, after 3 days of concentrated awareness, just how much can be missed when Focused Attention skims and annotates over the words of what is shared with you from the Octaves of Light. They are indeed just words, with no power to manifest or heal, '*yet with the Right Mindfulness, Rightful Application and Use, the combination of them can move mountains*'. I Tell you, Dear One's, We Have many mountains of miscreation's to move and change from human perceptions from ugliness and deformation to Beauty and Perfection. We can do, WE ARE WILLING TO DO IT THROUGH OR DIVINE FAITH, SELF EXAMINATION, RIGHTFUL APPRAISAL, EXPERIMENTATION AND JOY.

Question: *What doubts within you arise from any patterns of self-deception and the practice of deceit and the failures of your own human mind, do you feel is limiting your fulfilment of your own professed Integrity?*

This is a Group Activity, but your answers shall remain off the Group and for your eyes only. This is about Integrity, Honesty and Humility to dive deep within yourself, unguided or supported by anyone else but your own Individualised self or Self. This is about how much **'Faith'** will you apply to make the differences in your life to walk as a Christed Being, to fulfil your Applications to God Life in everything you think, say and do. This for many of you will not be a difficult task, for I know how much work you have already done upon yourselves, but for others it will be more challenging. So, that is why this will be a private exercise. Dear Ones, if you can identify such dishonesties, tricks, shams and excuses that your ego personality has entangled you in, then you will make a huge step today. If you would like to try, then this is where your freewill, the very consciousness that will be your greatest Friend or your most damning nemesis, the inescapable agent of someone's or something's downfall. Your Faith will be your Divine Sceptre.

Let us allow 2 days for this and We will see if more time is needed or not. But this may not be that easy. You are however, all being asked to rise to this challenge.

I GIVE MY DIVINE FAITH THAT WHICH I GIVE MY ATTENTION

Until tomorrow, I Am St. Germain walking with you in the Oneness of Divine Faith.
