St. GERMAIN: Greetings Dear Brothers and Sisters. Before Peter and I could Truly enter into any Bonding and Merging today, Sue presented something which I thought would be a far Greater Treasure for you, that should nail Home the Purpose, of why We Are Here Together in this Class. It will also help to Seal this Class Activity, regarding its Membership, in identifying without further need of discussion or explanation with anyone, why I Am so adamant, that anyone who is not upholding the Rules of this Class Engagement, must remove their Seat with Integrity, or have it removed for them. None of you, can, at this time from where you are sitting, appreciate the Magnitude or the Intensity of what you have begun by joining the EGA, by stepping into this Class and accepting the Challenges before you!

It can be easy to say, as I can hear it at times, *'can all this be True, is it Real or is all this in my imagination'*? Fair thoughtforms when everything from where you are, cannot be seen from Our Higher View Point. So, today, totally separate, with neither Group interacting with the other, comes a validation, a confirmation and Mirror Image of the Truth you seek. Not through Peter, not through any Members here, but through another Group, The Radiant Rose Academy.

This is not the first time this has happened and, in both occasions, the EGA was working without any other awareness of what any other Group was doing! This is My Point; you do

not need to know anything about any other Group or what it is doing. Simply fix your Sights to where you are here or move on to some other Group of your preferred liking! So, although the last time, in 2015, gave confirmation, hopefully this one will put to bed any further doubts or any uncertainties of what the EGA's Divine Plan is, or its position as a Way Shower or Spearhead toward the Grounding and Activations of the New Civilization of The Adam Lilith Kadmon Man and Woman. Do not then Dear Ones, make the mistake of ever thinking that this is not the MOST SERIOUS THING you will ever do in your Entire Universal Life. As you will hear from Beloved Lord Melchizedek, Who by the Way, is the Father of this Elemental Grace Alliance Divine Plan, there is some very Powerful Work to be done here.

It will require your Full Attention, Your Focus and the Implementation of All the Virtues and Qualities of the Christ Himself. I Am here to give you all the Training you will need, but, as this is a Very BIG BUT, if you wish to continue to walk other Paths, following other Life Purposes that are not completely Aligned to those of the EGA, or cannot fulfil the tasks that I shall Assign to you, that is accepted, but you can no longer remain in My Class. There are going to be Sacrifices to be given, directions to take and paths to walk alone to Prove you are the One We Have Been Waiting for.

We have 2 years to do this Dear Brothers and Sisters, We will do this in a way that no other Group on the Planet will do it! There are many other Groups doing similar things, so do not think that the EGA is special, it is not! It is simply taking an alternative Route to Its destination! Beloved Melchizedek will tell you more in His 2018 Discourse given to the Radiant Rose Academy. I tell you, for those who want this, your life is about to change for ever if you continue after the beginning of the Official Class. 2 years! That is all it will take!

So, before I Introduce you to Lord Melchizedek, I want to complete My talk about why you need to understand certain things before you will be able to be Entrusted with the Powers of Creation, or in other words, become a Universal Alchemist!

It is in imitation of lessor qualities and lessor states of consciousness that society has molded many of its erroneous concepts. To correct these concepts, to forge an ennobling culture, to draw the lines of good character, man, woman and society must look to lofty examples. Can you see why I have introduced the Parables and examples of the Christ, Socrates and Plato thus far?

Let men and women who would practice alchemy learn first to mirror the great examples of all ages who have used Heaven as Their Design, then let them learn to select the best qualities of their lives so that alchemy can be used as it was Divinely Intended, as the most Noble Method of achieving the desires of the Heart, right here and now!

I strongly suspect that many of my auditors, but a few, if any, of the most-sincere students, are anxious to have imparted unto them at once the Philosopher's Stone or the Magical Properties, that will make them at will, a combination of Aladdin and Midas with a Trace of Benevolence sprinkled in. I here declare for these who thing thusly that while I shall impart

tremendous Knowledge concerning the Science, I doubt very much that unless they absorb the secrets of these first lessons of this Introductory Class with utter humility, allowing me as the Instructor the privilege of preparing the Teachings as God would have Me do, they will at the very end find themselves still wanting. It will not be the fault of either Teaching or Teacher!

I have told you, that Alchemy today requires elevated ways to Teach it, and that we desire is to see that the Original Concepts about alchemy have new meaning. I have told you before and will do so again, this Science is only one of many that presently need to be translated to a Higher Dimensional Expression if mankind are to reap the Full Benefits thereof.

I have told you that the 'I AM' Activity was not fully successful in the past, due to the inability to maintain a stability within its student body, through structures of consciousness given in those days. Consciousness changes, so must Techniques and Teaching Modalities. To remain rigid to any such single teaching today, will only diminish the Light Quotients of past Teachings to the New Students. Thus, as the New Consciousness Elevates into the Energies of this new day, new Translations are required. *"Translation St. Germain, what do you mean?"* I mean just what I said, it means removing oneself away from the old constraints of a single vein of information and knowledge.

Allowing multiple inclusions of relativity and need, You have, I Am sure, taken notice that the EGA Discourses are not limited to any particular Channel or Higher Being in one Discourse. Many references are made, even those of unascended Dear Souls, who have a story to tell or an experience to share! I ask you, how many stories have you heard Me speak of about My Life as a human incarnate! What about Jesus? Does that make those from other members of humanity any less valid or potent? Just because I or Jesus come as Ascended Masters, does not give them greater or lesser value. All words are without value as I have told you, it is the Energy of Divine Faith, or not, that make them what they are!

Therefore, these Introductory Discourses range in many topics from many sources, offering far more relevant information at the time of need, far more potent and direct information to get the point of Our Teaching across. So, understand My Dear Friends, that is why the EGA is advancing in such a short amount of time; it is breaking the old Laws that so many stick to today, with such rigidity and inflexibility!

You will never know from day to day, what the next topic will bring! That is why this is all an experiential experience to find a New Law that the New Disciples and Initiates will be able to use in the future.

I now step back and allow Lord Melchizedek to present to you His Discourse from 2018 Through Usa, Messenger 1, from the Radiant Rose Academy for your discernment.

LORD MELCHIZEDEK: *"Glorious Infinite Presence of Mother Father God in the Great Central Sun, before this world was, 'I AM'.*

“I AM’ your First Born of the ‘I AM’ Race of the people of Earth and as I come before the Glorious Presence of Eternal Grace, I call upon you Thy Eternal Home of these Blessed Children, I call upon you to shower thy Great Cosmic Rays of Eternal Love, deep into their minds, their feeling side of life such an outpouring, such an onrush of your Great Cosmic Light of Eternal Love.

“As I Demand of you Beloved Roses, Violets and Lilies, Command yourselves now to be an Open Door for all the Great Cosmic Gifts of the Great Heavens, the upper stratospheres of Glorious Systems of Worlds all the way to the Great Central Sun. Demand quietly that your mind, your heart, the very cells of your body be open and continue to receive the great outpouring that life seeks to return to you.

“I AM’ Melchizedek and ‘I AM’ with you.

“You are in the counting of the calendar the year 2018, I say to you, by now with enough objectivity in your life, surely, you might understand that your life comes with seasons, with passages and can often be seen and viewed as varying chapters of your life. Almost as if you would have come and lived your own Book of Life. These next 4 years shall take from you the Book of Life that you have lived in this embodiment in such a way that by the year 2022, new chapters will be written. Perhaps you best start practising to become the mouth-piece around that number 2022?

*“Some of You are as Ancient and Old as Me, so long ago. But in four short years from now, in the year 2022; What will it be like? This moment, even unto My Visit with you in this moment it will feel like another lifetime. For the Book of Life is opening deep within each of you. This Book has no respect for time. That Book of Life is only interested in the Angle of your Mind, your Attention and the Future that waits for you. Four years from now, what will have happened? What will have occurred in your life? What will have come to be? A Metamorphosis and Transformation in your life, that you will be so Grateful that you take up some of our Ascended Master Terminology, Our Ascended Master Phrases that are loaded and charged with our Cosmic Power. Even One so simple that can be used regarding the various challenges that temporarily may be in your life; **‘THIS TOO SHALL PASS’**.*

*“Use this phrase Beloved Hearts, use it more often, aim it like a Mighty Spear that cannot miss its mark. Aim it, that Mighty Statement **“THIS TOO SHALL PASS”** at every appearance that is less than perfection. For within those words are the Power, the Will of your own God ‘I AM’ to shake a spear at all that offends you and by this time, in your youthfulness... How old are you? May be closing in on 15 million years that you have been here on your Earth?*

“Of course, you segregate all that into chapters, lifetimes. But if you add it all up, you are approximately 15 million years old, rather young considering before the Universe was, ‘I AM’.

“But where are we? Where are We in 4 years from now? 2022. The Great Truth of you that has been hidden within your consciousness as it is being revealed now, as the Mother from the Central Sun, Akasha, prepares you to Meet, to Greet, to Connect with ... the Only Begotten,

the Christ, the Hero within your Consciousness, the Grand Cosmic Being, the Infinite Individualisation of Mother Father God.

“So, what is taking place 4 years from now? Four years from now that being that is your True Self that has been hidden deep within your consciousness your mind, your body, even your feeling side of life and all your experience side of life is proclaimed every day in these next 4 years, is proclaimed with Understanding, with Revelation, with Comprehension.

“‘I AM’ an Open Door. ‘I AM’ an Open Door for the Grand Cosmic Being, the Christ, that has been hidden within My Consciousness. ‘I AM’ an Open Door for that Mighty Son, Daughter of God to Emerge, to Elevate up into the Full Expression in Me and through Me”.

“While all of those processes are unfolding over these next 4 years, it is here that the very ideal understanding not found in religions will be formulated into your experience. You will have the experience.

“The experience of being born again.

“Not because you believe in Jesus Christ as your Saviour. Well, in Truth, He is your Saviour, but you don’t need the Christian angle. Because you have recognised that your Saviour abides within your own consciousness. So, Let Us get busy. Let us make sure that these 4 years; I Declare by the Power of My Throne that your human attitude, your human consciousness has no power other than to be an Open Door, that the husks of your humanity may be thrown aside, and the Seed of your Christ Consciousness can Emerge, Elevate Itself into Full Expression.

“Do not lose yourself in the matrix of this world. The people of Earth must sort themselves out. It is not your time to get lost in what is going on in the world, whether it be politics or anything else, or to be part of any movement, however positive or bright, or brilliant it might be. You have your own movement. If you think the world is ready for your movement, go ahead. Go out into the world, go out into London and get yourself a soap box and begin to proclaim your truth. You’ll be running for cover within an hour.

“Yet, your movement, the pioneering of the Real God into expression in each of you, this requires sacredness. It requires an approach. I say to you, the hour is too late. Do not delay your path, do not waste your time and energy. Be careful about what you entertain in your mind. For every day for the next 4 years you will grow more powerful. That means you must be by Observation Generous, Kind, Harmless unto yourself in the way that you Internalise. I am speaking far beyond whether you have a negative mind or positive mind. I Am speaking into ways that you intellectualise, you’re in your head way too much.

“It is Our Responsibility in the AKASHA GRAND COUNCIL to Ensure that We Advance your Consciousness, provide you the Knowledge, you give it your attention, waste not the too many hours that you have already wasted in trying to internalise, intellectualise things in your mind which too often do not include the vibration of your heart, all of that create such an awful

state within you. You keep doing that, in 20, 30 years, you will have a face full of crevices, valleys and lines.

*“These next 4 years you must be so kind to yourself. When your mind goes often in a direction, to catch it quickly and say, ‘Zip it! Silence!’ These next 4 years I urge you Blessed Hearts, I come to you charging some of my words with the Infinite Power of God, of Goddess, ‘All that Is’ within our Universe: **“THIS TOO SHALL PASS!”** Those are some of the words:*

“I AM’ an Open Door for the Grand Cosmic Being, the Christ, that has been hidden too long, to emerge, to elevate into full expression.

“I AM’ an Open Door for the Rivers of Holy Spirit, the Rivers of Life Eternal, my Soul, to find expression in Me and through Me.

“By 2022, the Ancient and hidden and misunderstood process of being born again will be fully in place. By that time in 2022, you will be beyond an intellectual understanding. Yes, all be it that’s where it starts. You start by receiving Knowledge and you start with an intellectual understanding. That intellectual understanding must be fed with Truth, with Heart, so that you give the Truth an Opportunity to become your Reality.

“Many of my friends in the Ascended Master Realms have come and said something to you that often has startled you and sent you off into an intellectualising moment wasting your time. That news which was given was, that this world, planet Earth, 3rd dimension, the world you’re living in has nothing for you. Nothing. ‘Oh, what do I do? Do I kill myself? Do I stop living? Hm, this world has nothing for me; I don’t go to work. I don’t do what I do?’ Oh, you have forgotten the other part; It’s no longer what the world has for you. It’s what you have to give this world.

“You are in your final stage. You are in the last stage that shall lead you in 2019 from the 27th Passage of Resurrection, in these years that I count down to the 33rd Passage of Resurrection, you are Born again. Born into this world, given a physical body, given a consciousness that is tainted and soured with a complicity of duality. By 2022 you are Born again into a Consciousness that is the Tree of Life. A Consciousness that knows only Perfection, and Beauty and Joy, Endless Power, Enlightenment that no yogi, or mystic or prophet has yet seen in this world. Mark My Words, you are the Untouchables. You had been tested and ‘I AM’ the great Overseer by the Light of Jesus the Christ and the Love of Mother Akasha and All of Us, We are the Game, We All Come in to assist when We can. But in 4 years what can you do? If you count every day for 4 years into 2022. What attitude would you have in your mind? Is it your attitude in all ways that you love to think about things, are you a healthy thinker? Because you’re thinking includes your messages to yourself. So, are you already giving yourself the message:

“I AM’ an Open Door for All the Light, All the Love, all the Wonders of Life to come into My Life. And ‘I AM’ Closed, My Life is Closed to the duality showroom of Planet Earth. My Life

is Closed to the death, the decay and the disease that is rampant amongst the mass of the people. Life, are you Listening?"

"Yes, it is. In thousands of ways, Life is Listening and as Life is Hearing you Say these Words:

*"My Life regarding the things that are out in the world, that are not healthy, My Life is Closed. Don't come knocking on My Door. However, My Life is An Open Door to the Entire Hierarchy, Heavenly Father; Heavenly Mother; All Central Suns, the Pleiadean Sun, All Realms of Light and Love. My Life is an Open Door to God's Love, the Elements of which My Body is Composed of are under Transformation as I take in All of this Light. The Akashic Field is Open to Me. I enter daily into the Akashic Field, that it may show Me Infinite Possibilities and Potentials as they relate to anything, to any question, any intention I take into MY Field of Awareness. **'I AM' Born Again; the Son of God is Alive Within Me.**"*

"The Son is neither masculine nor feminine, it is simply an Expression of the Child Of God. You can simply change the Expression if you wish to the Spirit of God Is Alive Within Me. But that Spirit must take hold of your body. By 2022 you will have that experience.

"Not the intellect. The intellect only goes so far. You will have the experience. 'Oh, yes, I have heard it before, the body is to be the Temple of God. Very nice, lovely information,' I here you say!

"This is where We make it All Real. It is Our Responsibility to Make Sure you have the Resources, the Knowledge, the Tools, and show you how to Apply these Things. Remarkable events will happen on your Earth in the next 4 years.

"Many, many lives upon this Earth will be lost. The world will do everything to take your attention away from your Spiritual Efforts. Yet you must remain steadfast. The Second Coming of Christ is about to unfold upon the Earth. The age of man is over. The age of human consciousness. You have passed many Initiations over many lifetimes. You cannot fail.

"Remember when it seems that you are challenged some days, accept the Truth, why don't you accept the Truth, why don't you apply it to the things that will try to get you down? Why don't you be Honest, Accept the Truth and Declare:

"Of myself I am nothing. Of myself I can do nothing'. This I speak of the present 'self' that I seem to be. I am in resignation of this Truth. I concede, wave the white flag. Of myself I can do nothing.

"Then pull the flag back and say:

"'However', ... because there is always a 'however'.

"However, God in Me can do Everything. Christ in Me can do Everything. The Grand Cosmic Being hidden for too long within my consciousness can do everything. My journey, and I say to the world; Do not dare to distract me, because I have Friends Upstairs.

*“Indeed. These next 4 years, Let Us See, Let Us See enough of God Emerge, enough of the Christ Emerge, enough of your Soul Emerge, that the Untouchables are on the Earth. They are in their last couple of Passages. Yet **Their ‘Presence’** on Earth is changing the consciousness of the people of Earth. Already they have powers to silence incoming plagues and other things that threaten the people of Earth. You have come almost to the finishing line.*

“What is out in the matrix is like a wire that is a foot off the ground. The world will try to make you trip over that wire. Oh, you will lift your leg high and you will step over the wire and you are Home. You have Arrived. You are a 33rd degree Christ Untouchable. Let’s Work Together.

“2022 will come too quickly. Be in your Joy. Be in your Happiness.

“We have the Responsibility to Teach you how to keep connecting with the hidden God Within You, to Set It Free, so that you are born no longer of man, but you are Born the Virgin Birth of Christ.

“‘I AM’ Melchizedek and My Return to the Earth has come to help all of you. I Thank you. I Thank you. I Thank you. I Thank you.” End Excerpt.

BENEDICTION: Beloved ‘I AM’ THAT ‘I AM’, We Give Thanks, Praise and Honour to You for Being Our Life Here on Earth; For the Gentle and sometimes more Firm Incentives to Explore Our Divine Heritage and Consciousness, in Order to find the Way Home again and to Enter It by Your Side. We Thank You for Supplying the Resources, the Knowledge, the Tools, and for Showing Us how to Apply These Things, the Strength by which to be Here but not of Here. We Thank You for Teaching Us how to keep Connecting with the hidden God Within Us, to Set Us Free, so That We are Born no longer of man, but Are Born of the Virgin Birth of Christ.
