

Message From Our Beloved Goddess of Liberty, 24th April 2023

“Sons and Daughters of God’s Great Light, We Beseech you, the Third Peril of humanity has begun and lays light upon the weak and heavy upon the strong. Fear not them who kill the body, but are not able to kill the Soul. But Rather, fear the one who can destroy both body and soul, of men, women, and children, nation and world, by the infernos of fury and condemnation. Like the sprinkling of the waters of the oceans, over America, the Son of the Republic did see the hordes of the weak flee the Motherland of the Free.

See too Ye, that Liberty is yours to grasp, by those who believe. Merciful Art You, who Know the Truth, where dark secrets can no longer abide. Compassionate are You, who can see beyond the lies of tyranny, and who can lift your Heart to them in Forgiveness. Blessed are the Women of the World, who have held their Strength hidden for long enough, and who are ready to Dance the Songs of Praise to Heaven’s Earthly Grace.

Think not Ye men, who see women who toil and hold their place in Silence Awaiting, those of you to call upon Us for our Loving Voice, Comforting Arms and Eternally Giving Our Hearts. Such Women’s Power has been feared for too long, for if they had ever been allowed Their Positions in Innate Understanding, would have allowed no wars, no inequality, and no harm to any Creatures Great or Small of God’s Holy Creation.

Dear Sons and Daughters of God, on bended knee, Pray Ye not for what you do not have, for all has ALREADY been awarded you. It is just that you have forgotten these Loving Gifts From God. Rather, Pray to God, Giving Only Praise and Thanks and Gratitude, three times in number, for you already have such things, you just can’t see them yet! And see how fast you shall attain them, no matter what they may be.

People of the World, I say Unto You, Remember the ‘*Law of Harmlessness*’ in your Orders of your Quests. Hold your Focus upon the Power of the Silence, in your Calls, by Raising your Inner Voice out loud, or speak in the Holiness of Your Connection Direct to God. Rise Up in Love, not in vehemence or strength of will, Rather, Decree your Position of Power by your Gentleness and Joy, that you ARE ALREADY FREE.

Do not confront the weak of mind, do not raise your hand, for they will use that against you further. Give them no more of your energy, in judgements, narratives abound, Rather, give your Radiant Light to those, and to that, which you seek to Create in Unwavering Joy and Beauty. For Freedom’s Robes Come to the Strong, Those of God’s Mighty All-Pervading Radiance, the ‘I AM’ Presence of the Only Authority that is Undeniable, Unchallengeable, Defenseless, Immutable and Ever-Expanding.

For in these Qualities and Virtues of Gentleness, Harmlessness, Giving, Uplifting and Freeing others in their daily lives, so too are you with these Qualities and Virtues. This is what was meant, when Jesus said, “*Blessed Are The Meek For They Shall Inherit the Earth*”. For ‘*Meek*’ does not mean docile, overly compliant, spiritless, yielding. Meek in Truth is defined as one who is willing to share and sacrifice on behalf of others. To Be Meek is also not a submissive or pacifying state, Rather, an active proponent of what one Knows is Right, and a Loyal Advocate of the Truth, willing to Sacrifice whatever is required to Uphold the Truth, even in death of the body! Please Pray with Me, in this Silence of Heart of Mind.

Infinite One, Lead Us toward the Only Truth, to Become the physical Manifestation of Spirit, the Full Embodiment of the Living Christ. We Are Here to Expand Into Cosmic Consciousness With the Elementals, Devas and Angelic Host, Through Our Individualized ‘I AM’ Presence. Beloved Father Mother God, Merge Our Consciousness With a Higher Awareness of Truth and an Active Expansion and Conscious Expression of God’s Impersonal Love With All Life. It Is Our Heartfelt Desire for Humanity, the Elementals, Devas, and Angelic Host to Unite and Rise In Oneness, Harmony, Joy and Happiness, Sustaining Perfection Upon Earth.

We Are Grateful to Remember the Divine Pattern of Life. We Give Praise and Thanks to the Cosmic Christ Within Each of Us. We Are Grateful for Our Beloved ‘I AM’ Presence’ That Commands Our Obedience to the Cosmic Laws of All That Is Of the Inner and outer World of Service to the Earth, Humanity, Elementals, Devas and the Angelic Host. We Joyfully Express Our Thanks to the Great ‘I AM’ for Its Radiant Light and Illumination of the Eternal Cosmic Sacred White Fire Light as We Dwell Within Its Embrace.

We Are Grateful! We Are Grateful! We Are God Grateful, for Our Life in the Mother’s Love and the Father’s Light.

And So, It Is! It Is Done.
