### FREQUENTLY ASKED QUESTIONS - SOEPC

## THE ELEMENTAL GRACE ALLIANCE

Sun Of Even Pressure Disciple Council

### FREQUENTLY ASKED QUESTIONS:

- How do I know if 'I AM' qualified? Your Life experiences are your Qualifications! Your I Am Presence Knows Who You Are, so know that it is not a matter of whether you are Qualified or not. If you are reading anything about the Divine Plan of the Elemental Grace Alliance and remain here to consider this further, it is simply a matter if you feel you are ready to step forth and Claim your Birth Right; to step into your Life Purpose, your Life's Mission here upon Earth. It may not even be the EGA! But if it is not, you HAVE come for something, that we can rest assured by the Divinity Within!
- What will I have to require of myself if I should become a member of SOEPDC (Sun of Even Pressure Disciple Council)? The most profound requirement is that you be true to yourself through self-forgiveness and forgiveness of others, as well as continuing to work on yourself, to have a better connection with your 'I AM' Presence and working to elevate your vibration. This is coupled with participation in group unity ceremonies which involves meditations, activations, cognition and acceptance of Higher Beings and Consciousness, and recognizing your Oneness in a Group Consciousness and all of Creation. Your 'I AM' presence must be fully empowered with your Divine Sovereignty, and without this, your

Sovereignty will be challenged most fervently. So, unless you know that you are ready, that you have a Direct Alignment to your 'I AM' Presence and are confident that you can stand in your own Divine Sovereignty in the face of adverse conditions, then you would do well to continue as you are until you ARE SURE!

- How much is this going to cost to do all the Activations and Decrees to become a Member of the EGA and SOEPDC? That is a good question! It will not cost you anything in monetary terms, it is free of any charges or fees! What it will cost you in other things, physically, mentally, emotionally and spiritually, is solely between you and your own connection to your 'I Am' Presence and God in Accordance to God's Will. However, these costs are generally understood are not expenditures, losses or costs at all but the removal of illusions that no longer serve you. These costs, then, are more gifts that you receive as lessons, experiences, moral, ethical and just understandings that, through Self Realization, allow Higher Truths to be integrated and implemented into one's life for a Quality of Life and Freedom of Spirit. But we say to you because there is no charge or fees, that does not mean it has no value. Value, then, is in the eye of the beholder. So, what one sees as worthless, another may see as priceless. Do not make the mistake that, free of charge, means it has no value!
- How does the Elemental Grace Alliance fund itself if it does not charge any fees to sustain and maintain this Divine Plan? The Elemental Grace Alliance presently relies on the generosity of Dear Souls to contribute what they can afford toward this Divine Plan. We are always in need of donations and financial gifts, especially as we are in a heavy expansion program that needs money at this time. We do have a Book for sale, The Elemental Grace Alliance Discourses Book, as a hard copy. The book is free as a PDF file, but some Dear Hearts like the feel of a hard copy in their hands, so as it costs us to publish, we have to make a charge for this hard copy version. There is also a '*no obligation*' payment for the preparation of One's SIGILS in The Eye Of God - Sigil and Codes, Giza Capstone of Jericho Activations. This contribution is not made obligatory because most understand the need for remuneration and a balance in Exchange of Energies. These donations are, therefore, generally made in good faith for this personal offering given!
- Will I be evaluated regarding my continued acceptance with the SOEPDC? No. The greatest source of evaluation will be your own "I AM" Presence about whether the requirements of our mission resonate with you. As such, you will question yourself as to whether you can make and accept changes in your life without glamour, egoistic or egotistic agendas in mind to help you decide if you want to walk beside us.
- What if there are some things or activities which I don't want to participate in? You are free to choose your own path, either alone or alongside others. You are free to discourse and dialogue regarding your concerns, but without engaging in inflammatory language or action against any member in the group. Only you will take the measure of your own

personal growth. We can only ask that you allow us your full participation in scheduled activations, prayers, and decrees.

- What if I already have religious beliefs that I may want to follow? You can keep your religious affiliations and practices if they meet your needs for a fulfilling life. They will not be questioned or doubted, and our belief in a higher consciousness will support you and trust that you are being true to yourself.
- Will my becoming a member require a lot of time and work? Yes, but You are free to devote as much time and effort as you may be willing to set aside to work on yourself. What we can assure you of is that the raising of the Self Consciousness is not an easy task to be accepted without self-confirmation, self-acceptance, self-examination, personal dedication and discipline.
