THE DEVELOPMENT OF FAITH

FAITH has an abiding place in man's consciousness. This place of abiding is described in the Scriptures as the *'House of Simon and Andrew'*. A House is a structure that some person has built for a home. A man's house is his castle. Perhaps generation after generation is born and reared in the same house. The house where a great genius was born is preserved with care, and it is visited year after year by those who are devotees of the one who expressed some great thought, art or discovery. If the barn cave at Bethlehem, where Jesus was born, were found, it would become the most famous Shrine in the world. The importance that we give to the places where great men and women were born is founded on the Centralizing Power of thought. All structures are thought concentrations. Constructive thinking ultimate's in the construction of places of abode. Savages do not build houses or cities because they do not think constructively.

In the time of David, the Children of Israel were nomads. The consciousness of indwelling Spirit had not been born in their minds and could not, in consequence, be formed in their bodies. That time was ripe for a more constructive state of mind is set forth in these words of Jehovah, in II Samuel 7:5, 6:

'Shalt thou build me a house for me to dwell in? For I have not dwelt in a house since the day that I brought up the children of Israel out of Egypt, even to this day, but have walked in a tent and in a tabernacle'.

After receiving this message, David, the drawing of the Power of Love, began gathering material for Solomon's Temple. Jehovah told David that he could not build the Temple because he was a man of war. The Temple of God is man's body (*'Your body is a temple of the Holy Spirit'*), but if man has not complied with the Law of permanent bodybuilding, he is like the nomadic Children of Israel; he goes from body to body and from tabernacle to tabernacle.

Except Jehovah build the house, They labour in vain that build it.

The tents and the tabernacles that the Children of Israel built for Jehovah Represent the transitory bodies of flesh. The Lord has merely *'walked'* in these flimsy temples; they have not afforded an abiding place for Spirit because of their unsubstantial character. The underlying weakness of the tent body was its lack of Faith in the inhabiting Soul. A new consciousness of the indwelling spiritual substance and life was necessary, and a man was chosen to bring it forth. This man, named Abraham, represents Obedience and Faith. His

original name was Abram, which means *'Exalted Father'*. The name is identified with the Highest Cosmic Principle, the all-pervading self-existent spiritual substance, which is the Primary Source of the Universe.

Abraham was tested again and again, to the end, that he might be strong in Faith. His greatest test of Faith was his willingness to sacrifice his Beloved son Isaac on the mountain of the Lord. *'And Abraham called the name of that place Jehovah-Jireh: as it is said to this day, In the mount of Jehovah it shall be provided'*.

This incident is intended to show the necessity of a man's giving up that which he considers his dearest possession before he can realize divine providence. The incident takes place in the mount of the Lord, that is, in a High Spiritual Understanding.

The Law of Giving and Receiving pertains to the realm of ideas; one must give up personal attachments before one can receive the Universal. If a parent idealizes a child and loves it so dearly that its pleasure is first in his or her consciousness, the Spiritual development of the parent is impeded. Then, before the Love of God (*which is the supreme thing*) can fill the heart, there must be a Sacrifice of human love. If, like Abraham, one is Faithful and Obedient and willing to give to the Lord his most precious possession, there is always a receiving or providing of the equivalent.

When Abraham was willing to Sacrifice his beloved Isaac, the Lord stayed his hand; his attention was directed to a ram in a thicket nearby, and he was directed to sacrifice the animal upon the altar in place of the child. Here is illustrated an often misunderstood Law of Sacrifice or Renunciation. We do not have to give up our cherished things if they are Real, but the error that prevents their full expression must be destroyed. The ram (***which represents the resistance and opposition of personality to the complete expression of Truth***) must be Sacrificed.

'Give, and it shall be given unto you' is the Statement of a Law that Operates in every thought and act of man. This Law is the foundation of all barter and financial exchange. Men scheme to get something for nothing, but the Law, in one of its many Forms, overtakes them in the end. Even metaphysicians, who, above all people, should understand the Law, often act as if they expected God to provide abundantly for them before they have earned Abundance. It is an error to think that God gives anybody anything that has not been Earned. The Holy Spirit comes upon those who Pray in the *'Upper Room'*. The *'Upper Room' (Inner Cave)* corresponds to the *'Mount of Jehovah'*. It is the High Place in Consciousness where man Self-Realizes the *'Presence'* of Divine Mind. The greatest work that one can do is to strive to Know God and to keep His Law. God Pays liberally for this Service, and the reward is sure. Faith is built up in consciousness under this Law.

'Faith is Assurance of things hoped for'. When there has been an aspiration and a reaching out for the Spiritual Life, the Faith faculty becomes active in consciousness. The prayer of supplication is impotent; the Prayer of Affirmation is Immediately Effective.

Intellectual faith admits doubt and hope of fulfilment in the future; Spiritual Faith includes Unfailing Assurance and Immediate Response. These two attitudes of Faith are often observed acting and reacting upon each other. Peter started to walk on the water in Spiritual Faith, but when he saw the effects of the wind, he was afraid and began to sink. Then the '*I AM*' Presence (*Jesus*) gave Its Hand of Spiritual Power, the wind ceased, and there was no longer any doubt of Faith's Ability to Rise above the negative consciousness.

The first and greatest Disciple of Jesus was Peter, who has been Universally accepted by the followers of Jesus the Christ as a type representing Faith. Before he met Jesus, Peter was called Simon. Simon means '*hearing*', which represents receptivity. We understand from this that Listening to Truth in a receptive state of mind opens the way for receiving the next degree in the Divine Order, which is Faith. Jesus gave Peter his new name and also its meaning: '*Thou art Peter, and upon this rock, I will build my church.*'

Faith in the reality of the invisible builds a Real, abiding substance in mind and in body. All kinds of ideas grow quickly when planted in this rich Substance of the mind. Jesus also called this substance of Faith the '*earth*', and He said to Peter: '*Whatsoever thou shalt bind [affirm] on earth shall be bound in Heaven, and whatsoever thou shalt loose [deny] on earth shall be loosed in Heaven*'. In all His teaching, Jesus emphasized that the ruling Forces of both heaven and earth are in man. *The Kingdom of God is within you*. '*All Authority hath been given unto me in Heaven and on Earth.*' '*Is it not written in your law, I said, Ye are gods?*' When you understand the Omnipresence of Spirit (*God*), we quickly see how simple and true this beautiful doctrine of Jesus is.

There is but one real Faith; the avenue of expression determines the character and power of Faith. Trust is a cheaper brand of Faith, but trust is better than mistrust. As a rule, people who merely trust in the Lord do not understand all the Law. If they had understanding, they would affirm the '*Presence*' and Power of God until the very Substance of Spirit would appear in consciousness. This is Faith established on a Rock.

Faith words should be expressed both silently and audibly. The power of the spoken word is but slightly understood because the Law of the Word is not rightly observed. The Word is the Creative Idea in Divine Mind, which may be expressed by man when he has fulfilled the Law of Expression. All words are formative, but not all words are Creative. The Creative word lays hold of Spirit, Substance and Power. Physical science hints at this Inner Substance and Energy in its description of the almost inconceivable Power inherent in the Universal Ether. We are told that the manifest Forces, such as heat, light, and electricity, are but faint manifestations of an Omnipresent Element, which is thousands of times greater than these weak expressions.

Radio (1930) is opening up a new field of activity in the use of the spoken word. A newspaper article on the wireless telephone says:

'Do you happen to know that a single word spoken in Lower Broadway, New York, among the skyscrapers, could break every pane of glass in adjacent buildings and create a disturbance that would be felt for a mile in every direction?'

The human voice transformed into electrical energy for wireless transmission develops 270 horsepower. The power of ten men is equal to one horsepower. The human voice electrified for wireless purposes is equivalent to the power of 2,700 men. In the various processes that step up a voice for radio transmission across the Atlantic Ocean, it becomes 135,000 times more powerful than when uttered by the person sending the message. Thus, starting with an initial energy of 1/1,000 of an electric watt, the voice is boosted by a powerful station until it is intensified 100 million times.

If the spoken word can be mechanically intensified a hundred million times, how much greater will be its Power when Energized by Spirit! When Jesus said with a loud voice to Lazarus, *'Come forth'*, He must have made contact with the Creative Word referred to in the 1st Chapter of John because the results showed its Life-Giving Character. When He healed the centurion's servant by His word sent forth on invisible currents, He said that the work was done through Faith. So, Faith must boost the spoken word even more than a hundred million times, as evidenced by its marvellous results. That the Word of Faith has an Inner Force and that this Force rushes forth and produces remarkable transformations in the phenomenal world is the testimony of thousands who have witnessed its results.

Jesus said: ***'If ye have Faith as a grain of mustard seed, ye shall say unto this mountain, Remove hence to yonder place, and it shall remove, and nothing shall be impossible unto you'***. He knew about the great Spiritual Machinery that the word of Faith sets into action. He illustrated how man, Spiritually Developed, could by Faith control the elements, quell storms, walk on water, retard or increase the growth of life and substance in grains, trees, animals, and men.

The ponderous dynamos that generate electricity to light a city are set going by a touch on a button. There is a button in the Mind of man that connects him, through Faith, with Almighty Energy. When the word of Faith is spoken to large tumours, and they melt away, is not the Transformation equal to the removal of mountains? When a paralyzed limb, or a lifeless organ, is quickened and restored to natural functioning, is not that Quickening a raising of the dead?

It is not necessary that the one who touches the button of Faith shall understand all the intricate machinery with which he makes contact; he knows, like one who turns the electric switch, that the Light or Power Will spring forth. The Faith Centre, the Pineal Gland, opens the Mind of man to Spiritual Faith. Merely affirming the activity of this Superpower will

quicken it in Consciousness. Jesus said, *'I speak not from myself: but the Father [Faith] abiding in me doeth His Works'*.

The transformers of electricity are paralleled by the transforming power of mind. That if a man sanely believes he can do a thing, he will eventually find a way to do it is an accepted axiom of psychology. The Mind Generates an Energy that Contacts the Universal Energy and Causes circumstances and events to fall into line for the attainment of the latent ideal. John came crying in the wilderness of mortal thought, *'Repent ye'*; that is, **change your mind**. Paul discerned a like necessity, hence his call: *'Be ye transformed by the renewing of your mind'*.

When people see the possibilities that follow a right change of mind, they will crowd the halls of metaphysical teachers as they now crowd moving-picture shows. When it is clearly understood that doubt, fear, poverty, disease and death, every thought, good or bad, that men have expressed have existence through mind, we shall see a shifting of consciousness and a radical change in thought and word by everybody of sane mind.

Then we shall ask for the True Source and find it, as did Paul, who said: *'Have this mind in you, which was also in Christ Jesus'*. It was not Jesus but the Mind in Jesus that did the Great Works. He was the Centre of Faith that transformed the Mighty Creative Forces of Being (*which are active in the Universe through the mind and brain of man*) into a form of force usable in His environment. Tap this Inner Reservoir of Faith, and you can do what Jesus did. That was His Promise; its Fulfillment is the Test of a True Follower.

'By Faith, Enoch, was translated that he should not see death . . . By Faith, Noah, . . . prepared an ark to the saving of his house . . . By Faith, Abraham, being tried, offered up Isaac . . . By Faith, Moses, when he was born, was hid three months by his parents . . . By Faith the walls of Jericho fell down . . . And what shall I more say? for the time will fail me if I tell of Gideon, Barak, Samson, Jephthah; of David and Samuel and the prophets; who through Faith subdued kingdoms, wrought righteousness, obtained promises, stopped the mouths of lions, quenched the power of fire, escaped the edge of the sword, from weakness were made strong, waxed mighty in war, turned to flight armies of aliens. Women received their dead by a resurrection.'

Cerebrum of the Brain

COLOUR VISUALIZATION

DIVINE FAITH

Royal Blue

Visualize an inverted pyramid of Pure White Light, starting two or three feet above the physical head. The point of this pyramid penetrates into the cerebrum of the brain. This represents the Light Body Form of your 'I AM' Self-entering into your Crown Chakra/cerebrum.

Think about having the '*Faith of God*' inserted through this exercise. The White Light slowly becomes Royal Blue Light, even a Royal Blue Liquid, pouring down into the cerebrum. Gradually turning Royal Blue, the Fluid Light bathes and submerges the entire skull. Through the brain, this Royal-Blue Substance travels to every part of the body. As it does, the Divine Virtue of the Faith of God pours into every pore and cell of the physical, making you a Child of God, ONE with the Father-Mother Creator.

Because it is so important that Divine Faith and Divine Love be combined for the proper and lasting Demonstration, Visualize the Liquid Royal Blue Substance Flowing from the brain directly to the heart. When Faith of God and Love of God become equally strong in the consciousness, we can say to any part of our bodies, *'In The Name of The Cosmic Christ within Me Be Healed, Be Made Whole again, and Perform this Divine Function with Ease and Grace. Faith in the Law of God and the Love of God's Laws Demand Immediate and Complete Obedience with Perfect and Eternal Results'*.

Finally, to complete this exercise, Visualize the Liquid Blue Light Flowing down from the Crown Centre/cerebrum like a Heavenly Waterfall, filling the emotional, mental, astral, auric fields that extends one to two feet from the physical body. These bodies need to receive the Healing Blue Waters of Faith in God and the Faith of God, which we, as His-Her Children, Made in God's Pure Image and Likeness, MUST Express Itself, if we are to Demonstrate the Light Body of Our 'I AM' Presence. From these Levels, Faith Will Permit the Birth of the Light Form, According to the Divine Faith Anchored into the auric field.

As each of the three levels of the auric field Incorporates the Light Resonances and Frequency of each of the Twelve Divine Virtues, such as Faith in this case, physical Transmutation, Transformation and Transfiguration WILL Begin. *WE MUST EXPECT AND ACCEPT THIS* without any shadows of doubt!

Transmutation occurs because in these three bodily levels, there still are blockages which prohibit the Full Implantation of the Higher God Aspect of each Divine Virtue. Hence, blockages in Faith prevent the True Flow of The Sacred Cosmic White Fire Light Substance Energy into the Crown Chakra/cerebrum, resulting in malfunction of the Central Unified Organically Synthesized Computer in Unison of the Higher Heart and Mind.

However, by removing any improper belief programs or beliefs, physical, mental, emotional or Spiritual imbalances, resistances or blockages from the 4 lower bodies and by Implanting into ALL of Them Equally, a Higher God Intelligence Resonance and Vibrational Frequency of Truth of Faith into the cerebrum, Eternal Healing of the cerebral dysfunctions will not occur in Totality. Remember it is a step-by-step process and so do not give up until it has been completed. It can happen immediately or in the weeks or months to

come, it all depends upon the Level of Divine Faith you Hold as Your Own Truth within you! Hold The Light Of Purity that You Know You Are! Within every word, thought and action!

And So, It Is! As Above, So Below!

This Too Shall Pass,

May You Pass Every Test,

No Longer Seek Further That Which Is Seen,

Rather Seek ONLY Now That Which Is Unseen!

**Let this Dictum, become Your Guiding Light Now, for it in and of
Itself, has much to offer all who will Move Forward from here!!**

*Create then your 4 lower bodies into a Temple Most High of the Divine 'I AM'
Presence through the Anchoring of Divine Faith in You, Within the Kingdom of
Your Divine God Mother and Your Beloved God Father.*

**GIVE MY DIVINE FAITH,
THAT WHICH I GIVE MY ATTENTION.**
