

Part 12 - The Christ Antahkarana

OVER LIGHTING FEMININE RAY FOR SOEPDC - LADY PORTIA, 9TH JANUARY 2017

Though Beloved Portia refers to the coming together as a group within the New Radiation Centres in Her first Discourse, I am sure that She means, and would make reference to the New Sun of Even Pressure Council as a preliminary endeavour that will in itself evolve into many Radiation Centres around the World. Perhaps, She could Speak to us now as I feel Her Loving Energy close to me.

BELOVED LADY PORTIA: Beloved Disciples and Initiates of the Christ Consciousness, I am delighted to be with you this Hour to say a few words and to acknowledge the information that has been presented as part of the representation of the New Sun of Even Pressure Council Visual Focus and Group Activation.

Yes, it would be very easy to replace the words New Radiations Centers or Temples with the Sun of Even Pressure Council. Indeed it is the foundation of many evolving thought forms that are unfolding for the first time. Things that we had not expected from our side of the veil!

But there is one aspect of this New Merkabah Activation that you are entering that I have taken the Liberty to include. It is to place within this Group an Over Lighting Essence of the Feminine Ray, a Ray of Sacred Golden Fire Magnetic Love Light that shall, with Our Help and Guidance, bring forth a Greater Awareness of the Love Substance toward the Freedom, Beauty, Joy, Love, Life and Alchemy of Woman in all walks of life! Another name given to this Ray is the Ray of Conscience or the Ray of Influence. There remains a large divide within societies, cultures, racial beliefs, religions, and especially with the violations of women's rights by men throughout to world's mainstream populations. All these remain a major concern for Us, especially where women are being continually violated through misuse of the media and sexual exploitation. This is a very serious imbalance and shall require a greater effort on All Our Parts to eradicate as soon as possible.

The Masculine Ray has been too dominant for too long, and *'Let it be Known'* that this human masculine energy is going to be curbed in ways never dreamed of by men before. Peter, you have outlined within your Plans for this Sun Group the Proposal for the Dispensation of Evil. Let me tell you that it shall be very much this New Feminine Ray that will neutralize the dark forces upon Earth. So, there is no coincidence that We come forward now as a Divine Feminine Universal Principle to assist you in this Endeavour. It all makes sense, does it not!

This New Council shall offer a greater potential for this Feminine Ray to grow in Strength and Power, so please be very mindful of why We have come!

It shall be through educational programs that will help this Movement and expand this Divine Plan. Together We shall be an unwavering vehicle against all disparities, inequalities and contradictions against the female population of this world. We would like to speak of these things again. The sooner your Christ Councils can be grounded, the sooner We can dive deeper into all Matters of Christ Consciousness and the raising of Humanity's Consciousness to new understandings for the Love and Life and Joy of Living; for everyone, not just the wealthy and self-appointed elite! Less and less tolerance is going to be shown towards these Dear Souls who continue to break Universal Laws for Human Rights!

As you Know, I represent Divine Cosmic Justice for the entire Earth. All efforts on My Part are to Create Balance within humanity's creations. Thus, the Scales of Justice within My Personal symbolization as Goddess of Justice is Keynote to My Divine Purpose. To have Balance, there must be Harmony, else balance is just a word that remains elusive within the minds of mankind! In fact, all the Qualities and Virtues Embodied within the Visual are all dependent on one another.

That is why, within this Divine Activation of this Sun of Even Pressure Council, with Your Approvals, I wish to dedicate My Own Qualities and Virtues of Justice along with My Beloved Sisters, Beloved Goddess of Charity, Goddess of Peace, Goddess of Balance, Goddess of Purity, Goddess of Liberty, Goddess of Hope, Goddess of Music, Goddess of Light, Goddess of Unity, Goddess of Love, Goddess of Faith, Goddess of Harmony and Goddess of Victory.

We have come to Sponsor and Support your Entire Work through the Elemental Grace Alliance Council that you are dedicating yourselves to.

So in all your Activations, Decrees and Invocations from now on, please call on All 14 of Us, either individually and/or together, to help you. Call upon Us for help and Guidance and when you need or desire any of Our Divine Qualities or Attributes. We shall be by your sides and within your hearts with your permissions to do so!

I will allow you now to proceed with your preparations, and We All look forward to Working with each of you in the very near future.

I Am Lady Portia, Director of the Karmic Board and Goddess of Justice. And So It Is.

Blessings Lady Portia. Your '*Presence*' along with all the other Divine Mother '*Presences*' will bring a Perfect Balance to the Elemental Grace Alliance and the Sun of Even Pressure Council. I pray that we, as the bodies, minds and hearts upon the ground, can fill our Divine Shoes to bring the same Justice, Balance and Harmony here! I am confident we can!
