

Part 14 - Rule 1 - Rule Study Program - EGA

EXISTENCE OF CREATION OF NO EXISTENCE - CHOHAN HILARION, 29TH
JUNE 2018

Father-Mother-Life, You Are My Life, My Constant Support, My Health, My Protection, My
Perfect Fulfilment of Every need and My Highest Inspiration.

I ask You to Reveal the True Reality of Yourself to me,

I Know it is Your Will that I shall be Fully Illumined, that I may better receive Awareness of
Your '*Presence*' Within and All Around me.

I believe and Know that this is possible.

I believe that you Protect and Maintain me within Your Perfect Love.

I Know that my eventual Purpose is to Express You.

As I speak to You, I Know that You are Perfectly Receptive of me, for You Are Universal
Loving Intelligence, which has so marvellously Designed this world and brought it
into visible form.

I Know that as I ask You to Speak to me, I am sending out a consciousness searchlight into
Your Divine Consciousness and as I Listen,

You will be penetrating my human consciousness and coming ever closer to my increasingly
receptive Mind and Heart.

I commit myself and my life into Your Loving Care.

"My Question today, Dearly Beloved Mother/Father God, My 'I Am' Presence and Jesus the
Christ in me, and within The Elemental Grace Alliance Council, can you tell me/us the True
Reality of resources and money in their varied forms, as a vehicle to provide the needs we
may have as human beings undertaking Divine Work in accordance to the Service to
Humanity and Assisting a World in Need? Bless You".

"Today I come, Dear Souls, at the very first opportunity I have had to offer My Energy of Love,
Joy and Celebration of the Work and Light that the Elemental Grace Alliance is providing to All
Sentient Life upon the Planet, Indeed this Solar System. 'I Am' Master Hilarion, 'I Am' the

Chohan of the 5th Ray of Truth and Science, and My Etheric Temple is over the Island of Crete. I Reside here with Beloved Pallas Athena, and We Together offer Our Great Services to Humanity in Need, particularly since the dark lords pervaded all Truth that once was freely distributed to humanity through the Temples in Delphi.

“Now to your question Dear Soul.

“Let me begin with the understanding of the title of this Discourse. The ‘*Existence of Creation of No Existence*’. If you think about this carefully, it speaks for itself, for while one continues to try to exist and does not allow themselves to meld into the Reality or Truth of the Prime Creator, The Father, Mother Presence of All things, then the Whole Elemental of existing or surviving shall play a major part in the one thinking and of course the manifestation of its projections and beliefs.

“Money is no more of an issue here than is the human life as it is defined within the Laws of Existence. So, let us quickly add those Laws here for closer reference. The Laws of Existing as stated by Christ Jesus in Letter of the Christ Letters:

- Whatever man profoundly BELIEVES himself to be, good or bad, that will he become.
- Whatever man FEARS others will do to him, so will they do.
- Whatever man HOPES that others will do to him, he must first do to them, since he is then creating a ‘*consciousness pattern*’ which will return to bless him to the extent he has blest others.
- Whatever disease man DREADS so will he become prey to it for he will have created a ‘*consciousness pattern*’ of the very thing he least wants to experience.
- Your Universe is CAUSE and EFFECT made visible - This is an undeviating principle of existence. If there are instances of deviations, such as paranormal experiences or instantaneous healings, the average person exclaims in astonishment, and science refuses to believe that such a thing is possible. As my explanation deepens, you will eventually understand how such deviations take place - logically and effectually. In other words, these deviations occur according to natural Spiritual Laws and always serve a necessary Purpose.
- Whatever is sent forth from man’s mind and heart - returns to him in due course in some form or another but remember that like always breeds like. Strongly held emotional thoughts are ‘*consciousness seeds*’ planted within a man’s own orbit of consciousness. These will grow, bearing a like harvest for his reaping. These are the fruits of free will.

- There is no way that man may escape what he thinks, says or does - for he is born of the Divine Creative Consciousness Power and is likewise creative in his imagining.
- Those who long for good for themselves must first give it to others. Let their very existence be a blessing to others.
- When such people are in harmony with all others - they are then perfectly attuned to the Universal Creative Consciousness Power - and they are brought into the flow of the Father '*nature*', which is growth, protection, nourishment (physical, mental, spiritual) healing, fulfilment of every need, within a System of Law and Order.

"In trying to ascertain the perfect resolution to all needs, no matter what their purpose, one must first understand the Laws that pertain to the Source from whence those needs come. And while the lack of knowledge of such Laws, or the knowing of them and not living in obedience to Them, then it is not the Source from whence the denial comes, it is misappropriation of the Creative Consciousness Mind Powers that remain governed by the mis-aligned thought consciousness patterns. For example, if one believes they are in need, then this '*consciousness pattern*' sets forth the Universal Mind Power that says I am in need, and so the Universe responds and places you in a state of need! If you are in a state of wanting, the same happens. If you are in a state of always thinking or speaking or acting as if to are in lack of something, then as sure as the sun rises every morning, so will the arrival of lack you are identifying with your thoughts, words, feelings and actions.

"There is nothing that the Father/Mother Divine Consciousness will ever deny you, and there is no exception. The only aspect of this statement is that slowly those who use their resources for personal gain, human manipulation and control will soon pay a far greater karmic consequence than one who use the bare essentials for one's life requirements to sustain their and their family's existence.

"Remember, then, that money and financial resources are just as freely given for whatever the need, especially when it comes to those who are facilitating Service to Humanity and a World In Need. As Our Beloved DK says in his teachings,

"Remember that money is the consolidation of the loving, living energy of divinity and that the greater the Realization and Expression of Love, the freer will be the inflow of that which is needed to carry forward the work." "O Thou in Whom we Live and Move and have Our Being, the Power that can make all things new, turn to spiritual purposes the money in the world; touch the hearts of men and women, so that they may give to the Hierarchy that which has hitherto been given to material satisfaction. May the New Group of World Servers receive the money in large quantities for their Services to be rendered with Ease and Grace. May this potent Energy of Thine be in the Hands of the Forces of Light as They Work to release a World in Need."

“Beloved El Morya says this with the Rules for Group Initiation in His last Address”.

“I inform you, the Elemental Grace Alliance has now become a Living Organism and cannot be classified as a foundation, organization or a business that produces product or services for generating revenue or profit, as many spiritually based groups do. The EGA is without hierarchical levels of internal structure; all members are equal in position and responsibilities”.

“And DK says;

“The work now being done by Shamballa and the Hierarchy on behalf of humanity will tend also to develop group consciousness and the formation of many groups which will be living organisms and not organizations; it will make group initiation possible and will enable certain aspects of the will to flower forth correctly and with safety. The tendency to overlook the distinction between groups and organizations are still very deep-seated; the coming of the Christ will throw much light upon this problem. A study of Rule IV as given to Disciples and Initiates will also serve to clarify this matter”.

“Dear Hearts, the Infinite Mind of God has a Lawful way of providing all Sons and Daughters of Man with the supply for all its needs. Nothing is left to chance. God ensures all life, birds, animals, and in all their forms with their needs, all the 3 lower kingdoms are graciously supplied with everything, that is, unless mankind themselves make it impossible for those needs to be made manifest by their fervent refusal to accept These Bounties.

“You see, Dear One’s, you do not even have to pray for what you need, simply sit in quiet, meditation and affirm to the God within you, The ‘*Presence*’ of the All That Is and the Power of the Great Giver of all, and then ACCEPT THE GIFTS OF THIS ABUNDANCE IN YOUR LIFE! Your thoughts are the denying source of all Creation Endeavours, all needs, so change your thoughts and whether you are a giver or receiver, Know that what to need or what others are in need of first one must give to receive. That is a Law, you cannot receive anything that you have not given in advance. It is through Faith and Trust, without an atom of doubt, that the lower mind will be overcome or outweighed by the Higher Mind changing your life forever, including all your affairs, physical, material, mental, emotional and spiritual. Remember this enigma, the lower mind is filled with lack and limitations, the Higher Mind is filled with Love and Life More Abundant.

“It is my Greatest Desire for all of you to live by this Principle from now on. Place it on a sign and place it upon your desktop. *‘Whatsoever thou shall bind on Earth shall be Bound in Heaven, And whatsoever shall thou loose on Earth shall be loosed in Heaven’*.

“This Heaven is not a place but a Level of Consciousness, Christ Consciousness. And this Consciousness is the Realms of Pure Ideas in Mind and Heart. These Ideas will always take the shape and form according to one’s loyalty to Truth, Love, Purity, Balance, Giving and Receiving!

“As we have introduced Christ Consciousness into this Discourse, I wish to reiterate the Truth of the Meaning of Life More Abundant, and what better way of doing that than through Master Jesus the Christ Himself.

LIFE MORE ABUNDANT

CHRIST SAYS:

I said when I walked the earth in Palestine, ***‘I HAVE COME TO BRING YOU LIFE MORE ABUNDANT’***.

‘Has anyone in the Christian Churches ever truly understood this statement?

‘Life More Abundant in your human minds may mean more energy, vitality, health - perhaps even riches. But from my perspective of having BECOME the individualisation of LIFE ITSELF, I meant something so far beyond your human perceptions at this moment that I know this is the right time to try to lift your consciousness to the higher levels of spiritual consciousness where you will begin to glimpse the TRUTH I was trying to reveal to the Jews in Palestine.

‘LIFE MORE ABUNDANT!! In the earlier words of this statement, I tried to make it clear that your human perceptions are limited. In fact, unless you have already been on a true spiritual path, seeking the Reality of THAT which gave form and consciousness to all creation, you will be bound down by your ruling ‘Sovereign’ - the Ego.

‘The EGO sorely limits the breadth of your human perceptions and vision since it forces your consciousness to focus exclusively on your own happiness and survival.

‘It is only when the soul of a person first sends out a message to its human consciousness that there is more to life than *‘the self’* that the individual begins to want to discover more about life and about the Origins of life.

‘As the consciousness of the human mind is gradually woken up from its long subordination to the Ego, so does it begin to question much that lies beyond its present knowledge. At the beginning of its quest for greater knowledge of the unknown, it will probably be drawn to a religion since it would seem, humanly speaking, that the Churches must hold within their wisdom and teachings, the secrets of the Source of Life.

‘This Christian subservience to Religious human domination, claiming to know the secrets of the universe, is a good kindergarten for the opening consciousness of Ego directed minds.

'Thou shall worship God; Thou shall not kill; thou shall not steal; thou shall not commit adultery and sleep with your neighbour's wife; thou shall not slander and tell lies; thou shall not envy your neighbour's goods; and so on.

'All these rules belong to the control of the Ego Kingdom. They do not apply to the spiritual realms of the soul. The soul knows nothing of such human impulses.

The very first injunction: '*To worship the Lord thy God*', is a pagan concept.

PAGANS put up fetishes to worship. SPIRITUAL ADEPTS move beyond this elementary human practice and begin to experience the Infinite - Divine Consciousness, which is transcendent of all forms of consciousness on earth.

'When coming into membership of a Church - especially a Christian and Jewish religion, the first instruction is to remember at all times that you have come from a great SOURCE which has given you individuality and consciousness. Because this is so, you must refrain from the Ego Impulses.

'The Ego Impulses impel you to either grasp those possessions which you believe will make you more comfortable or happy and to push away, defend yourself, physically if necessary, from those elements and things which make you uncomfortable or are perceived to be dangerous to your life and wellbeing.

'On entering a religious observance, your immediate attention is drawn to God, and you are taught that to '*please*' God and ensure your own happiness, you must avoid all the ego impulses listed above. But this is still an Ego driven precept. Since the unacknowledged purpose behind it is the aim of finding happiness and security.

If you belong to a Christian Church, then there is usually the following:

'Unless you please God - you sin'

'As you may be able to see, this statement places severe limitations on your ability to appreciate life. You are placed in a mental cage imprisoning your mind within these dire warnings that unless you please God, you will sin, and punishment inevitably follows. How this punishment will be recognized is never said, BUT THE THREAT LIES OVER CHURCH GOER'S HEADS. Some people are greatly depressed by this teaching.

'This is a severe restriction of the LIFE IMPULSE which is, in its fullest sense, boundless JOY, enthusiasm, laughter, love, spontaneity, a feeling of well-being and an inbuilt sense of optimism - that life will never let you down - that you will have enough to eat, drink, clothe yourself and everything needed to make your lives happy.

'LIFE is an active stream of consciousness having its origins in UNIVERSAL CONSCIOUSNESS. IT unites - and ignites - dormant SEEDS in plants, animals and human beings and impels them to grow according to an innate plan which science calls DNA.

'This is the true universal, eternal LIFE IMPULSE which is yours by right of birth into this world. You can witness it in children before their little minds, coached by adults, begin to wonder whether LIFE is really so secure and free of pain and misery as they thought it was. Instinctively, babies lie on their backs and wave their arms and legs and gurgle with laughter. '*BEING ALIVE is GOOD*', they are saying. Providing, of course, they have had the good fortune to be born into loving families which cater for all their needs.

'But there is a far deeper ASPECT OF LIFE - which is really UNIVERSAL CONSCIOUSNESS become active within Its own creation of the galaxies and earth itself.

'It is an aspect that was given me to perceive clearly and UNDERSTAND when I was in the Sinai Desert in Palestine. I saw that the ORIGIN of LIFE, the SOURCE of our BEING, always manifested Itself through all living things from the very least to the greatest, from a pansy to an elephant, in a very special way, an intelligent way. It was so consistent, you could call IT the NATURE of THAT which has brought all created things into visible being.

'IT'S NATURE is also the SOURCE of all earthly wonder, joy, happiness, personal fulfilment and creativity.

'No matter where living beings, humans and animals, may go, they are literally supported minute by minute by the indwelling NATURE of our SOURCE OF being. There is no escaping it. BUT - until I came to earth and then, not until I returned through the mind of my Recorder, has this great TRUTH been taught, showing its full significance.

'You do not have to chase happiness or success, expansion of your dreams, health - because ALL OF THESE are already within you, being impressed in you by your SOURCE of being, your SOURCE of LIFE. All these things you so earnestly and rightly long for - are YOURS. But they do not appear to be yours because they are hidden under all your mental structures, beliefs, opinions, created and handed down by your ancestors and their ancestors before them - and it is high time that you - as many of you as are capable of taking necessary action, can launch into a wholesale re-upholstering of your mental programme.

'Strip away the myths, strip away your bogeymen, your fears, your despair, your frustrations, your anguish, and wake up - STAND UP and REALISE that they are all in your mind, born of your personal mental conditioning, AND GET RID OF THEM.

'More easily said than done, you will no doubt be thinking, but the GREAT TRUTH of BEING is THIS.

'YOU ARE NOT ALONE.'

'There are teachers who will preach positive thinking - but I never did that. I told you clearly that the KINGDOM OF HEAVEN IS WITHIN YOU. What I meant was that LIFE is the source of ALL you could ever want - providing you allow it to work in you by sweeping away all doubt AND by BELIEVING THAT IT WILL BRING YOU INTO PROSPERITY, JOY AND FULMENT to the extent you can rid your minds and emotions of old ego thoughts and feelings.

'THIS is what I meant when I said: 'I came to bring you "*Life More Abundant*".

'I came - and I am come now - to awaken you to the fact that LIFE within you grows you first of all, then it grows your plans, hopes, expectations, it brings to you all the necessary assistance to enable your plans, hopes and dreams to grow in the right and perfect way which will bring life to other people also. IT enters into your difficulties and brings healing where your heart is sore, or your bodies succumb to illness, IT mends catastrophes in your life in the same way as IT heals broken bones, it fulfils all your needs as they arise - in the perfect way. And LIFE, unlike human beings, maintains a system of order in all it undertakes to do.

'All these are '*LIFE MORE ABUNDANT*' - more than you dreamed possible. Put my words to the test. Make a clear form of your dearest wish in your mind. Take it to Divine Consciousness in silent meditation, ASK, give sincere thanks that you are receiving. The request is now filled with LIFE and must come into manifest being in exactly the same way as a seed grows when put in earth and watered. Wait, give constant thanks for receiving, never doubt, and you will receive a very clear answer.

'It is possible that having read this message, that '*all things beautiful and wholesome, including healing, are already yours*', you wonder why it is that you still have your chronic illness or poverty despite your prayer and your belief. You seriously question how much you can really believe.

'I can only say that true belief is a relatively rare condition.

'What is TRUE BELIEF?

'It is a moment of overwhelming transcendent conviction when you KNOW, way beyond all negative and fearful disbelief, that LIFE IS more powerful, more transforming, more perfectly in control of atomic elements than any sickness can ever be. Then - as hundreds of chronically and critically ill people have testified down the ages, the longed-for unimaginable miracle takes place, and suddenly there is felt an inflow of heat and power, perhaps a Light is seen, and wholeness of mind and body are experienced where before there was sickness.

'It can be done. Miracles also occur over a longer time span and are therefore discounted but may well be as much a result of ongoing faith as the quick, spontaneous healing. Other miracles of '*fulfilment of need*' take place far more than you realize they do. Seek to BELIEVE, pray for BELIEF - and when you least expect it, it will be given to you. Seek to be absolutely

consistent in all your efforts to find and make contact with the Divine - and it will surely be given to you.

'It is a Law of Existence that when you ASK, you will receive. When you SEEK, what you seek will be revealed to you. When you knock, it will be opened to you.

'Take comfort. Believe!'

"In closing, Dear Brothers and Sisters, I just wish to say a couple of more things. The Universe provides in man many different ways. In some, the means of the supply or the receiving comes from the benevolence of the giving as the initiator of the supply of any such needs. The needs of those within the New World Servers are both money and resources, so for this to happen, make your needs known in a way that others may respond in accordance to their own free will and their own innate knowing or even unknowing of where they are upon their own levels of consciousness awareness. If their need is greater than another's, then perhaps the giving from within the request may be more potent a deliverance of such a need than may be visibly seen or acknowledged outwardly.

"I also wish to state that all new Groups now beginning to form that are not old structures of organization, foundations, or businesses have a Greater Integrity to uphold and, as a Living Organism, are Bound by Universal Law as a Whole, rather than any individual owners whom may claim ownership of governance of such a Group. With Greater Awareness and Higher Consciousness comes Greater Responsibilities. So, if it is money you require, place your request in the lap of God and then Let It Go, Knowing what will return will come with a Burning Radiance of Light that is Pure of Intention and with no encumbrances whatsoever. Remember, God is within All Things, and while people may appear to be individuals in human form, They Are God Also.

"So, be sure what your desires are before requesting them, and when you have the required knowing of such necessities, then Know and have Faith that they shall arrive in time of your need! If not, then go back and seek out the thought form that may still not be quite in alignment to your needs! This is much harder in any Group Work as the Group is only as powerful as the weakest thoughtform. So, you can see that Building a Group Antahkarana is a necessity, else the Alignments of All Members cannot be held in Unison or coherence to the Overall Divine Plan. That is why to strive to attain Christ Consciousness and to Work as a Group of One Heart, One Mind and One Voice, All Members must be of the Highest Integrity and Honour and must Know the Father and Mother Intimately!

"It is of tremendous value that I say to all who are reading this, the Rules for Group Initiation through the Teachings of Master Djwhal Khul, The Christ Letters, The Works of Joseph Benner on the Impersonal Life, all of which are Endorsed and Qualified by and through the Elemental Grace Alliance Council, a Universal Divine Plan, will be all extremely helpful, if you were to make the time available to *'move forward'* in a sense of Life More Abundant! No longer having

to exist as human beings is closer than you think, so take some time to ponder more closely upon what is shared here, it shall be to everyone's benefit!

"Not just for yourselves, but more importantly for those you have come to Heal, Serve and Release from all old consciousness patterns and programs. To do this, first, you must do it for yourself.

"I Am' Chohan Hilarion, At and In Your Service. And So, It Is".
