

Article 3 - Christ Returns - The Christ Letters

IS THERE REALLY A GOD? CHRIST ARTICLES THE RECORDER JESUS THE CHRIST

I have returned to speak to you in colloquial language to address various problems which people have to deal with when on earth.

I am doing this through the mind of my Recorder because those who have truly embraced the TRUTH contained in my Letters and who try to govern their daily lives by this deep understanding of the secrets of creation have eventually found great relief from former burdens.

They have discovered, with joy, that mankind is not born to be a victim of circumstances. They have found that they have a real, reliable '*MEANS*' of overcoming difficulties or bearing setbacks with inner strength and even happiness.

What is this '*MEANS*'?

It is the SOURCE of all BEING - not the Jehovah-type God described in the Bible but the UNIVERSAL LIGHT of BEING, which is experienced by true mystics. As time goes by, people with a longing to delve more deeply into spiritual TRUTH (not religion) will discover they have a natural capacity for mysticism. When this happens, such people will no longer ask:

'Is there really a God?'

but will know beyond all doubt that there is a magnificently powerful, universal FIRST CAUSE or UNIVERSAL SOURCE of BEING out of Which all things have taken individualized form, in which magnificent CONSCIOUSNESS ENERGY all living and inanimate things are sustained and maintained throughout their worldly lives ... and ever after.

Can you grasp how wonderfully uplifting and gloriously exciting it is to discover that you are not really a burdened soul, a victim of circumstances, born to be stuck in the rut into which you were born or the ravine into which you have fallen in later years?

Can you understand how exhilarating it is to come to the full and clear realization that this UNIVERSAL CONSCIOUSNESS ENERGY has been within you all these years, secretly and quietly maintaining the growth, nutrition, healing, protection from germs, ensuring replacement of dying cells, giving added strength to muscles and tendons when called to do so by extra exercise ... all these wonderful activities within your bodies have taken place without any help from you.

Can you see that you are daily, nightly, supported by - what you do not know?

Scientists can explain all these activities, but they cannot start to explain what great IMPULSE of BEING impels them into action.

I can tell you - because I was given full enlightenment on earth and because I have ascended through the various levels of LIGHT until I am on the very edge of the ETERNAL EQUILIBRIUM in which our mutual FIRST CAUSE, SOURCE of all BEING resides in a VOID of Stillness and Silence.

I know the true nature of our FIRST CAUSE because I am an almost perfect individualisation of IT myself.

YOU and I, who am the Ascended Christ, formerly known as '*Jesus*' when on earth, have BOTH come from the same SOURCE, which I called the '*FATHER*' because, after enlightenment, I realized that IT is the TRUE FATHER/MOTHER OF ALL CREATION.

Human parents are only the vehicles of creation through which the SOURCE of BEING works.
