

Part 5 - Earth Nuclear And Chemical Affairs - 'ENACA' Petitions

TIME BINDING TIME CONTRACTION - LORD MELCHIZEDEK, 19TH JULY 2019

Beloved Members of this Universal Council of the Order of Melchizedek, most of you would not see this from this perspective, and so it is My Intention today, following the Discourse by Our Beloved Maha Chohan, to bring this into your Awareness, for Greater Reflection, in due course. There are no coincidences, as you know, so now I will offer some clarity as to why this subject matter arose yesterday that implies the Re-Education and, indeed Re-Generation of Other Planetary and Solar Nations through humanity upon this Single Planet called Mother Gaia.

Again, you may not see the co-relationship just yet between what I Am going to share here with that of the subject matter that Initiated these Series of Discourses. But it has, without deception, everything to do with the actions needed to be undertaken upon Mother Earth and within the realms of human miscreations at this very moment in this linear *'time cell'*!

Let me explain for you!

The work of the Higher Priest/Priestesshood of Melchizedek is to make the preparations for the coming of the Second Adamic *'Image'* of the Higher Evolution, once and for all through a Vibratory Redemption and a Pattern Integrity for the Structural Organization of the human being Interwoven with Light from above and below at the same time! The Work of the Membership of Melchizedek is to activate *'time binding'* or *'time contraction'*, the connection of the Divine Moment with the human time experience, so that the latter is Empowered by the former.

Here, in these instances, there is more *'Power'* Channeled for Cosmic and Biological Development, which converges for Global Socio-cultural Unity. Here, more Synergy flows from the Power of the Living Word and more people discover the Inner Nature of the *'Logos'* or Living Word within themselves, which leads to the Foundation of a New World view. Here, more thought-forms are used Creatively, and the Form of Creativity gives way to a more comprehensible process of many Creative Minds Working Together on the Highest of Spiritual Levels. Here, the Hierarchy is not seen simply as *'personalities'* but Principle Ranges of Energy so that there is a Hierarchical holism possible in each and every direction of True Light Work. Ultimately, the Power of dialectical ingenuity is broken! In other words, the logical discussion of ideas and opinions can be laid to rest! The Work of the Order of Melchizedek is also to carry on the Higher Wisdom that lays behind Creation Itself. In the Keys of Enoch by J.J. Hurtak, it says;

For the Sons and Daughters of Man are they, whom the Most High has kept from many generations of Man and Woman, and They Whom you will see, deliver this Creation. Behold, They will gather the Legion Beings and the Children of Light beneath the oceans and mountains of this World to the astonishment of the dwellers of the Earth and bring forth a Cycle of Peace as the Planet is Reset within the Heavens of this Universe. And the Sons and Daughters of Mankind will be Revealed to you as a Man and Woman descending. They will stand on Mount Zion and Quickened the Ascension of the Elect out of the Storm that will come upon the thoughts that must go back into Primeval Creation. Whereas only a few could previously understand the Work of the Messiah, myriads will be quickened into this Knowledge, and They Will Become Assemblies of Light and the New Planetary Families!

They will Administer the '*Gifts of Shekinah*' affecting the mental, physical, and spiritual States of Existence. This '*Priest/Priestesshood*' is '*visible*' within every Generation as a Scattered Brother/Sisterhood of Light so as to permeate '*the Tree of the Human Race*' with the Anointing Power and the Light needed to Reawaken and Resurrect the Righteous Seed into the Light of the Higher Worlds. They are '*Sons and Daughters of Truth*' behind Historical Wisdom, Holding the Keys to the True History of the Planet and the True Genealogy of the Adamic Man and Woman. They '*Gather the Light*' of Mankind, which they have cultivated through the Teachings of the Word of God. According to Enoch, the '*Sacred Library*' of Their Priestly Documents was moved from the Temple in Jerusalem into desert areas such as Qumran to Preserve Their Records until the '*End of Time*', when the Sons and Daughters of Light, as the Order of Melchizedek, will return the Earth to Unite the Scattered Brother/Sisterhoods and establish the Kingdom of God with Jesus who is the Eternal Son and Daughter and High Priest/Priestess after '*The Order of Melchizedek*'.

In the beginning, was the Word, the Logos. Now, the Word is Spread, Spoken, Comprehended, and Greatly Expedited so that humanity's information on how to cope with life's challenges is developed, applied and concretized through the Christ Race, the '*Christed*' Humanity.

As the Science of the New Mind, a Member of the Exemplary Order of Melchizedek is one who will school All Forms of Intelligence to understand why there is an Alpha and an Omega and why both must be reconciled (*in the ever-changing interposition of human bodies, mental bodies, groups of bodies, Celestial bodies, and Galaxies of New bodies*) in the Work of the Infinite Way. In fact, the Order of Melchizedek Greatly Expedites the Development of humanity's information on its '*Higher Potential*' and '*Higher Tools of Communication*' so that humanity will be able to cope with life's challenges when the Alpha (*seed program*) and the Omega (*harvest program*) converge on a scale of human temporality, and in the Interplanetary Exchanges of Knowledge and Experience.

Just as the Order of Melchizedek Works with the '*Scattered Brother/Sisterhoods*', They Work with the scattered '*Seed of the Adamic Man and Woman between the Cycles of Creation*'.

Thanks to the Vivifying and Organizing Powers I HOLD, you will find throughout the Cosmos an Infinity of Dwelling-Places, either occupied or awaiting *'the arrival of New Souls'*. These New Horizons of Space Systems are Colonized by Migrants from previously established places or Worlds, all going back Ultimately to a Single Original Centre of the Soul-Program or the Master-Program.

The Colonizing Process is called a *'planting'*, and those Spirits which bring Their Treasures to the New World or New Material/Spiritual Region are called *'New Fruit'* or *'Seeds of Seed'* of the Father or the Lord Who *'Planted them from Another World'*. With Its *'Planting'* or the *'Fruit'* Implanted into the Seed Program completes, a New World or *'Economy'* of Divine Production, a New Treasury, is Established from which the New Logos Food is Gathered and Sent forth into all directions to start the process anew in All New Spaces.

In all of this, the Love, Wisdom, and *'Education'* of the Soul Completes the Action of Light under the Direction of Members of the Order of Melchizedek Who Balance the Gifts of the Higher and Lower body for this Re-Seeding through New Programs from the Infinite. Therefore, one who is of the Order of Melchizedek Knows that the *'Order of Spiritual Calling'* is not predicated upon one Planetary System or one Genealogy. Such a one is made after the Order of the Creator Son and Daughter and shares with the Sons and Daughters of Life, Insights of how to use the *'Privilege of the Divine Evolutionary Process'*.

Through this Meta-Science, the Sons and Daughters Learn to use the Divine Potential to alter their environments through thought-forms mobilizing the Fullest Power of the Human Presence on Earth. By understanding how the Evolutionary Process was once seeded by the Power of the Mind, They Know the same can be Accomplished again by an Ever-Enlarging Vocabulary of Creative/Divine Expressions Aligned with Supreme Intelligence.

Thus, the Work of the Order of Melchizedek is to Know One's Identity in the Higher Worlds as a *'Volunteer'* with the Abilities and Gifts to help train All Light Movements, Denominations, and Dimensional Perspectives to Work in Co-Ordination and in Unity with the Father. One of the Order of Melchizedek understands that His/Her Higher Genealogy *'of Being Called into Service'* is not of the Earth. A New World view is seen that emphasizes the Process of *'Educating'* the Spirit of Man and Woman to be dexterous in adapting to and meeting with all situations in the Universe as something more Glorious than any simple *'religious denomination or doctrine'* or the binding of Energies in a Singular Direction. The Order of Melchizedek Teaches one to Operate from many different Evolutionary Perspectives, from the Viewpoint of completely different Planetary Approaches and Themes that share the same Creative Space for survival.

Those of the Order of Melchizedek do not boast in the Power of Melchizedek but are, in the example of Their Lives, Humble Servants of the Inner Power of Teaching at all times. With this Higher Understanding through the Over Self or the *'I AM'* Presence, the Higher

Genealogical '*Gene Pool*' of information from Spiritual Sources, He/She is able to overcome limiting and dehumanizing tendencies. A Spiritual-physical Symbiosis is Created, which allows physical limits to be changed. So, the Members of the Order Of Melchizedek, not being completely of the Genealogy of the Earth, those Who function within the Order Know that the '*Christed Experience*' in its Truest sense allows for the physical Self and the 'I AM' Presence to be continually Unified in a Unique Inner Morphology through Biochemical and Bio-Communicative Co-Evolution.

Thus, '*creative salvation*' or Deliverance of a Soul is given through Teachings and Experiences uniquely presented for the Soul's Own Creative Redemption and through the Enhancement of the Gifts Uniquely Positioned to be expanded into a wide variety of Planetary and Dimensional Experiences. The Thrust of the Order of Melchizedek is the Development of a Planetary System of Co-Operation in which the '*Renewed*' Energies of the Mind and Spirit play a Key Role in the Evolutionary Process of Humanity. In this, one Learns to Work with the Many '*True Masters*' of the Christ.

By '*dying to the false concepts of hierarchy (i.e., living for only one Master and thinking it is the Work of the True Hierarchy)*,' the mind is Opened to still Greater Powers of the Light and the Dimensions of Melchizedek's Teaching Leads to the complete abandonment of the lower Hierarchies and the strengthening of the Autonomy of the Spirit, even at the consciousness levels of the subsystems.

At this point of Instruction, new '*guiding images*' are experienced at the Highest Levels of the New Collective Self-Image of Man and Woman.

During certain Cycles of Growth, a careful watch for positive changes in the human community by Initiates of the Order of Melchizedek allows for a Global Plan of Fellowship that Encourages the Development of Unique Gifts and Resources for the Collective Welfare of the people. When problem-solving is necessary, the Order provides the necessary Insights to Balance the Earth through Critical decision-making, updating scientific and Spiritual Awakenings.

Through the Unique Leadership of Order-scientists and post-scholars within the Teaching Arm of the Order, very special Research Activities and Programs are Initiated to problems-solve in areas of Planetary Consciousness and Teamwork, Co-Ordinating Interplanetary and Interspecies Advancements. This is why the Brothers of Light follow the Lead of the Order of Melchizedek (*carrying the blueprint of the Second Adam*) in working with the Sephiroth of the Planetary Body. This could easily step into a variety of happenstance situations to Rescue and Regenerate the Similitude of the Soul-Spirit Body of Light in meta-fluctuation between the Worlds, but because of the Nature of the Program of Light under the Direction of the Order of Melchizedek, they could violate the Energy Circuits of other Dimensional Programs of Parallel Civilizations that use the same Energy Circuits which are in your bodies.

That is to say, your bodies are working in other Parallel Dimensions, and other Parallel Dimensions of Intelligence are working through your bodies. Therefore, they need you, Who Hold the Adam/Lilith Seed, made according to the First Image, to Activate the First Image according to the Original Program, with reference to the Second Adam/Lilith Seed (*the so-called Planting and Harvesting*), the Christ Man and Woman, for the next Order of Higher Creation. You are in the midst of fission and fusion; that is why you are here. You are to be the Custodians of the thought-forms between the First and the Second Adam/Lilith Man and Woman. This is your Assignment.

Hence, in the Overall Plan of Being Trustees of the Earth (*as Co-Workers of the Order of Melchizedek*), there is a Greater Co-Operative Plan of Teaching the Brothers and Sisters of Light in All Worlds and Star Nations and even Brotherhoods and Sisterhoods of Light, to share in the Greater Work of Melchizedek by showing how SYNERGY comes directly from Renewable and Reconnected Efforts, even from those of *the 'Scattered Brothers and Sisters brought back into the Light'*.

In summary, you can read on page 588, Keys of Enoch, about the Melchizedek Communities of Light in special coordinate power points: of which, from your perspectives, are being called the New Narayana Joy Pyramidal Light Temple Communities.

The *'elect'* of the Order of Melchizedek are Sons and Daughters of Light who have chosen to come into the world of form and manifest the Sovereignty of God in transmuting the earth. They work in implementing the Truths of God and, occasionally, even show themselves as a *'visible Order'* administering to man through the Merkabah so that the architectonic models in the Heavens can be built on the Earth as signposts to the many Levels of Universal Creation. The Melchizedek Order is after the Order of the Son and Daughter of God. It governs the quadrants of the planetary worlds where the Adamic seed has been transplanted, administering spiritual things to these worlds. It Holds the Keys to the opening of the Heavens with respect to the contact areas on the Earth and has the ability to commune with the Celestial Communities of the Brotherhoods of Light throughout the Father universes, coordinating the work of the Christ in the Heavens and on the earth. The Order is Eternal (Hebrews 7:3) and has foreordained its *'Priests and Priestesses and Programs'* before the world was. In the history of the planet, the Order of Melchizedek has existed in small family communities of Priests/Priestesses, Order-scientists, and poet-scholars who have faithfully Attended to the Word of God.

To bring this Discourse to a close, for now, I just wish to summarize in very loose terms;

The Order of Melchizedek is thus made up of Organic Families of Light that have been Teaching, Reflecting and Preserving the Word of God in Its Fuller Entirety. Throughout history, even the religionists have appropriated the Name of Melchizedek in their liturgies, their Priestly expressions, and in the sacred ordinations of the clergy. However, the true

Order of Melchizedek, as you may see reflected in Psalm 110 of King David and in Hebrews 11, *'is that which is aware of the Super-Nature and its Application, and is Appointed to Oversee and Bless the Generations of the Adam/Lilith Kadmon Man and Woman'*.

On the closing Pages of the Keys of Enoch, it says;

"And the Children of Light raised Their Staffs and Symbols of Teaching Authority and Ruled as the wise in young bodies, for they had come as Masters into this Layer of Consciousness for the expressed purpose of humbling the false Priest/Priestesshoods of Science. On an individual level, each person upon the Earth was called upon to demonstrate whether he or she had unconditional Love for his neighbour and for the welfare of mankind. Those who cannot share in the joy of the Revelation of changes, and the coming of the Masters with Christ, will not be in the Fullness of the 'I AM' Presence. They will either be separated from the Divine Over Self or Shielded from the Brilliance of the 'Shield of Michael' through a pious faith and will not behold the Glorious Manifestation of 'the New Living Light'.

"And the Lord God will say, 'Blessed is He or She through Whose Seed the Messiah Works, for He or She Encompasses Thrones and Heavens. He or She Administers unto the Heavens of Michael and Melchizedek. Whosoever Ascends These Heavens by means of Him, or Her will never fail. Blessed are These Who Ascend for They are the Blessed Seed which will come forth with Songs of Ever-Lasting Joy'."

All information shared in this Discourse is explained in far greater detail and clarity within the pages of the *'Keys of Enoch through J.J. Hurtak'*. I also wish to invite you to review the Discourse within the *'Elemental Grace Alliance - A God Awakening'*, which will all provide additional information that will offer a Foundational Platform from which to move forward from here!

'Lord Melchizedek - Guest Speaker - Narayana and Divine Grace - The Elemental Grace Alliance Council 25th November 2015'

Finally, if I may say to each of you reading this, including all the Intergalactic Emissaries of Light, this is indeed an **Activation in its own Rite** if One Reads the Light Language Overlaid and interwoven within these words for a *'Time Binding and Time Contraction'* to take place! This is an opportunity that has the potential to pull back the loss of time of this Artificial Time Cell that this Earth is in right now and to draw it closer back to Its Natural Time Cell where It Belongs!

Beloved Sons and Daughters of God, are you Listening?

I Am Lord Melchizedek; offer this Illumination for your Journey within this Divine Plan! Think Radiation Temples, Dear Ones. Divine your Christ Consciousness and Circles of Light! Become the 'I AM' Presence.

A *'Time Contraction'* is upon you!

Blessed Be the Truth, and may It Be the Guiding Joy for All Who May Find Peace Within!!
