**From the Point of Light within the Mind of God  
Let Light Stream forth into the minds of men. Let  
Light descend on Earth.**

**From the Point of Love within the Heart of God  
Let Love Stream forth into the hearts of men.  
May Christ return to Earth.**

**From the Centre where the  
Will of God is Known  
Let Purpose Guide the little wills of men –  
The Purpose which the Masters Know and Serve.**

**From the Centre which we call the race of men  
Let the Plan of Love and Light work out  
And may it seal the door where inequity dwells.**

**Let Light and Love and Power Restore the Plan on Earth. And  
So It Is and It Is Done!**

Begin Writing -

We now come to one of the most abstruse and difficult of all the rules for initiates; yet at the same time it is one of the most practical in application and of the greatest usefulness. It concerns the etheric levels of activity. I would have you note that I did not say the etheric levels of consciousness, for there is no such thing as consciousness upon the etheric planes. The four planes which constitute the etheric levels of the physical plane are the lowest correspondence to the four planes whereon the Monad and the Spiritual Triad are active, and—as I have oft told you—upon those levels there is no such thing as consciousness as we understand it. There is only a state of being and of activity for which we have no adequate or illustrative words. The four higher planes of our solar system are the four cosmic etheric planes, and one of the lines of development (confronting the initiate) is to function adequately in response to the life of the planetary Logos upon those planes. That, in the last analysis, constitutes the main field of unfoldment and of acquired wisdom for all initiates above the third degree.

In the above paragraph I have presented you with a new concept re initiation—one that has always been implicit in the teaching but one entirely and completely untouched as yet in any discussions on initiate-training.

In the rule as given to applicants, the disciple is cautioned to work within those levels according to the methods of the deva or angel evolution. The rule runs as follows:

*The Army of the Voice, the devas in their serried ranks, work ceaselessly. Let the disciple apply himself to a consideration of their methods; let him learn the rules whereby the Army works within the veils of maya.*

These particular devas in "their serried ranks" are the directive agents of the divine energy which implements the purposes of Deity upon the physical plane. They work only on etheric levels—either upon our physical plane or on the cosmic etheric levels. They are therefore active in the realm of maya, which is the etheric plane as we usually understand it, or upon the planes of the Spiritual Triad. They are not active on the three gross physical levels or upon the astral or mental planes, nor are they active upon the highest or logoic plane. There they are implicit or latent but not active. They are the great "impulsive factors" in manifestation, organizing substance, directing the multiplicity of lives and beings who constitute the forms through which God expresses divinity. In a peculiar sense, they are the embodiment of the divine purpose upon the planes of the Monad and of the Triad, just as the aggregate of energies in man's etheric body is the result of his inner direction and the cause of his outer manifestation. To understand more fully the function of the deva forces, a man must arrive at some understanding of the forces in his etheric body which, in their turn, are the *consequence* of his point of attainment—an attainment demonstrated by his astral (emotional) and mental natures and activities. These indicate his point of development.

## RULE 10

Then let them know the meaning of the O.M. and let them hear that O.M. as it is sounded forth by Him Who stands and waits at the very center of the Council Chamber of the Lord.

The rules for work within the veils of maya are known and have been used.

Let the Army of the Voice be no more heard and let the brothers and sisters onward move within the Sound.

Let the group widen all the rents within those veils and thus let in the light.

## THE DEVAS

Are the directive agents of the divine energy which implements the purposes of Deity upon the physical plane

Work only on etheric levels – either upon our physical plane or on the cosmic etheric levels

Are active in the realm of maya (which is the etheric plane as we usually understand it) or upon the planes of the Spiritual Triad

Are implicit or latent (but not active) on the physical, astral and mental planes, nor are they active upon the Logoi plane

Are the great “impulsive factors” in manifestation and organizing substance, directing the multiplicity of lives that constitute the forms through which God expresses Divinity

Are the embodiment of the divine purpose upon the planes of the Monad and the embodiment of the divine purpose on the planes of the Monad and of the Triad
