Day 82

Invocation

We Call upon Beloved Purity and Astrea to, through us, hold firmly to the original Divine Design, allowing all the humility and selflessness as is possible, to form the monumental PURITY of our Divine Single Core Flower of Life Blueprint and Pattern and Divine Idea for the study of these 14 Rules, which We have received from God. And in this Call, We rejoice in the Constancy that ensures this Invocation transcends all thought, passing whim, and emotional leakage not bound in Benevolence. We call forth the Elemental Grace Alliance Council and the I Am Presences' of the Sun of Even Pressure Council to join with us now! We behold the Sublime Demonstration of Beloved Djwhal Khul, Chohan Serapis Bey, the Goddess of Purity, Archangel Gabriel and Archaii Hope in the Radiation of the Qualities and Virtues of Transmutation through the Indigo Flame of Energy, Passion, Resurrection, Expression and Purity.

DAILY PRAYER BEFORE I STUDY AND GO ABOUT

MY FATHER'S AND MOTHER'S BUSINESS

O Divine Mother, Father, may we actualize through intention and extension our body vehicle, Singing Eternally before the Throne with the Words: Kodoish, Kodoish, Kodoish Adonai 'Tsebayoth. May the Hierarchy and the Bands of Heavenly Angels Sing with us on earth as it is in Heaven. May the Holiness of Our Brothers and Sisters in the Higher Worlds be with us in every heartbeat and every thought-form. We Pray that all of the Letters in the Language of Light be Eternally Expressed in this Holy Prayer and Song Ceaselessly for us.

KODOISH, KODOISH, KODOISH, ADONAI 'TSEBAYOTH (3 times)

THE GREAT INVOCATION

**From the Point of Light within the Mind of God
Let Light Stream forth into the minds of men. Let
Light descend on Earth.**

**From the Point of Love within the Heart of God
Let Love Stream forth into the hearts of men.
May Christ return to Earth.**

**From the Centre where the
Will of God is Known
Let Purpose Guide the little wills of men –
The Purpose which the Masters Know and Serve.**

**From the Centre which we call the race of men
Let the Plan of Love and Light work out
And may it seal the door where inequity dwells.**

**Let Light and Love and Power Restore the Plan on Earth.
And So It Is and It Is Done!**

Three great rents, therefore, now exist, as well as numerous smaller and less important ones, to which no reference has been, or need be made. Three great Sons of God at the moment of initiation made a major contribution to the human consciousness through their determined will-to-law, will-to-love and will-to-synthesis. Mankind was thereby aided to move forward more easily along the "lighted Way," to pass through the halls of maya, aided by the light pouring through the rents made in the separating veils by perfected divine Men at the very moment of Their triumph. A fourth great rent still remains to be made as a result of the energies released and the gained good which the three earlier rents have made possible. This fourth major rent will be made by humanity itself, standing with "massed intent," focused through the groups which are externalizations of the Ashrams of the Masters. It will therefore be made at the time that the Hierarchy takes physical shape upon the earth again.

Bear in mind the symbolical nature of this teaching. The veils are not actually existing veils in the usual sense of that term. They are in the nature of opposing forces and energies which act as inhibitory factors to the aspirant as he seeks to make progress, and to the entire human family as it moves onward upon the Path of Evolution. They are not

basically related to consciousness at all, for in the majority of cases these veils "lie on the earthward side of being and not upon the side of light"; they are essentially physical forces, and although they are the result of man's own effort and activity down the ages, they are largely unrealized, unseen obstacles to his progress. They constitute the lowest concentration of forces precipitated from levels of activity other and higher than the physical, as you understand physical substance. If one might use a phrase which, even if true, is misleading, they lie between the subtle inner man, mental and astral, and his *physical brain*. They are that which prevents brain registration of the world of causes and of meaning. This inner world can be emotional or mental in its focus and in its force precipitation on to the etheric plane. It can be the fused result of personality integration and be a combination of energies; or it can be dominated by the effects of soul energy. These, if evoked, can penetrate occultly and drive out or break down and through the separating veiling forces, thus producing coordination eventually between soul and brain.

These veils are as curtains over the windows of vision. They prevent realization of that which lies beyond the room or area of average or mediocre experience, and they prevent the light from penetrating.

The work of the three Sons of God referred to above is not concerned with the rending of the veils of their own interior life and forces, thus bringing about soul contact unimpeded and dear, or with the illumination of experience upon the physical plane. That had long ago been affected in these special and individual cases. Their service was rendered to humanity and They made rents in the veils which separated mankind as a whole from the higher spiritual experience and from registration of the fact of the existence of the Hierarchy. Theirs was a universal service, and made possible further human progress, for until some greater measure of light had been let in it was not possible for man to see and grasp the necessity to destroy the obstacles to light. The veils remain unperceived by the average aspirant until some light appears through the rents in the "curtain of impediment."

THE FOURTH GREAT RENT THAT REMAINS

A fourth great rent still remains to be made as a result of the energies released and the gained good which the three earlier rents have made possible

This fourth major rent will be made by humanity itself, standing with "massed intent," focused through the groups which are externalizations of the Ashrams of the Masters

It will therefore be made at the time that the Hierarchy takes physical shape upon the earth again
