DAILY PRAYER BEFORE I STUDY AND GO ABOUT

MY FATHER'S AND MOTHER'S BUSINESS

O Divine Mother, Father, may we actualize through intention and extension our body vehicle, Singing Eternally before the Throne with the Words: Kodoish, Kodoish, Kodoish Adonai 'Tsebayoth. May the Hierarchy and the Bands of Heavenly Angels Sing with us on earth as it is in Heaven. May the Holiness of Our Brothers and Sisters in the Higher Worlds be with us in every heartbeat and every thought-form. We Pray that all of the Letters in the Language of Light be Eternally Expressed in this Holy Prayer and Song Ceaselessly for us.

THE GREAT INVOCATION

**From the Point of Light within the Mind of God
Let Light Stream forth into the minds of men.
Let Light descend on Earth.**

**From the Point of Love within the Heart of God
Let Love Stream forth into the hearts of men.
May Christ return to Earth.**

**From the Centre where the
Will of God is Known
Let Purpose Guide the little wills of men –
The Purpose which the Masters Know and Serve.**

**From the Centre which we call the race of men
Let the Plan of Love and Light work out And
may it seal the door where inequity dwells.**

**Let Light and Love and Power Restore the Plan on Earth.
And So It Is and It Is Done!**

You will note, therefore, that the effect of Aquarius upon the Hierarchy (as far as you, at your particular point in evolution can determine it) is to bring in the energy of Shamballa which is essentially the energy of life itself, implemented by the will. This necessarily has created (and will increasingly create) major adjustments within the Hierarchy itself. The principal type of energy hitherto used by the Hierarchy is—as you well know—the energy of love. Now, to that must be added the energy of the life-giving will. New methods, new approaches to the human problem and new modes of work will have to be tried; experiment with the incoming forces will necessarily be the order of the day, though they will be experiments based upon vast knowledge and implemented with wisdom and understanding. It is the reaction of modern man to the ancient forces which produces the need for care. Mankind is oft unpredictable, owing to the factor of free will. It is this which lies behind the training given to disciples, upon which I have already given you much instruction. The new techniques and the changed approach from that of individual culture to united group progress will bring about many types of development. It is this different approach to the same basic

problems which lies behind the new capacities which are emerging among disciples; it is this which enables disciples of experience to work at high speed and with a life potency that is unusual. I would have all disciples begin to train themselves to respond to the Aquarian energy now pouring into the Hierarchy. Some of you can do so as accepted disciples, and as members of my Ashram. Take advantage, therefore, of the opportunity for re-energizing that comes to all those who have established contact, via their souls, with the Hierarchy, or who are members of an Ashram, or who, as probationers, are upon the periphery of the great Ashram of Sanat Kumara, the Hierarchy. This Aquarian influence produces mainly the intensifying of the hierarchical relationship to Shamballa, and therefore affects every member of His Ashram, from the Christ down to the most newly accepted disciple.

It is through the disciples that the New Group of World Servers are brought under the stepped-down Aquarian influences; this has to be an individual matter, largely dependent upon the point of evolution.

Some members of the New Group of World Servers will not respond in any way; they cannot. Others will respond as fully as their spiritual status permits. This inflow of Aquarian energy is one of the factors which will enable the Christ to complete His task as World Savior and World Teacher; it will also enable Him to take the initiation which lies immediately ahead of Him and for which He has been preparing for close upon three thousand years—so exalted and peculiar an initiation it is. It is this influence also which has enabled the Master R. to assume the mantle of the Maha Chohan and become the Lord of Civilization—a civilization which will be conditioned by the rhythm of the seventh ray.

Incidentally, it is this Aquarian influence which has given the adepts of the Black Lodge the power to bring universal death throughout the world. These evil beings have responded to the will energy of Shamballa and to the life-giving vitality, but have used it in keeping with their own evil intentions and with the power conferred by their standing upon the cosmic ladder of evil. Hence the war. I only mention this as a striking example of the oft misunderstood fact that the same energy or identical force will produce results within the consciousness of a Christ or within the consciousness of anti-Christ. It is the same energy, but the forms upon which it plays differ so vastly that in one case the will-to-good is intensified, and in the others the will-to-evil. Energy per se is entirely impersonal.

THE EFFECT OF AQUARIUS UPON THE HIERARCHY

ENERGY OF SHAMBALLA

- Brings in the energy of Shamballa which is essentially the energy of life itself, implemented by the will

- The principle type of energy hitherto used by the Hierarchy is the energy of love
- Now, to that must be added the energy of the life-giving will

NEW METHODS

- New methods, new approaches to the human problem and new modes of work will have to be tried
- Experiment with the incoming forces will necessarily be the order of the day
- They will be experiments based upon vast knowledge and implemented with wisdom and understanding

UNPREDICTABILITY OF FREE WILL

- Mankind is oft unpredictable, owing to the factor of free will
- It is this which lies behind the training given to disciples
- The new techniques of united group progress will bring about many types of development
