DAILY PRAYER BEFORE I STUDY AND GO ABOUT

MY FATHER'S AND MOTHER'S BUSINESS

O Divine Mother, Father, may we actualize through intention and extension our body vehicle, Singing Eternally before the Throne with the Words: Kodoish, Kodoish, Kodoish Adonai 'Tsebayoth. May the Hierarchy and the Bands of Heavenly Angels Sing with us on earth as it is in Heaven. May the Holiness of Our Brothers and Sisters in the Higher Worlds be with us in every heartbeat and every thought-form. We Pray that all of the Letters in the Language of Light be Eternally Expressed in this Holy Prayer and Song Ceaselessly for us.

THE GREAT INVOCATION

**From the Point of Light within the Mind of God
Let Light Stream forth into the minds of men. Let
Light descend on Earth.**

**From the Point of Love within the Heart of God
Let Love Stream forth into the hearts of men.
May Christ return to Earth.**

**From the Centre where the
Will of God is Known
Let Purpose Guide the little wills of men –
The Purpose which the Masters Know and Serve.**

**From the Centre which we call the race of men
Let the Plan of Love and Light work out
And may it seal the door where inequity dwells.**

**Let Light and Love and Power Restore the Plan on Earth. And
So It Is and It Is Done!**

The group, therefore, which "serves as Aquarius indicates" is the Hierarchy; the group which is "speeded upon the upward Way" is the New Group of World Servers. This group is ruled by Taurus, and to it that divine Taurian energy brings "illumination and the attainment of the vision." This group is, figuratively speaking, the "bull, rushing forward upon a straight line with its one eye fixed upon the goal and beaming light." But what is that goal? It is not the goal of Selfillumination, for that lies far behind; it is the goal of providing a center of light within the world of men and of holding up the vision to the sons of men. Let this never be forgotten, and let the New Group of World Servers realize its mission and recognize the demands of humanity upon it. What are these demands? Let me enumerate them, and then let me ask you to take them in all simplicity and act upon them.

1. To receive and transmit illumination from the kingdom of souls.
2. To receive inspiration from the Hierarchy and go forth, consequently, to inspire.
3. To hold the vision of the Plan before the eyes of men, for "where there is no vision, the people perish."

4. To act as an intermediate group between the Hierarchy and humanity, receiving light and power and then using both of these, under the inspiration of love, to build the new world of tomorrow.
5. To toil in Pisces, illumined by Taurus and responsive in degree to the Aquarian impulse coming from the Hierarchy.

These objectives are not only individual objectives, but the goal for the entire group. All who respond to the life-giving force of Aquarius and to the light-giving force of Taurus can and will work in the New Group of World Servers, even though they have no occult knowledge and have never heard of their co-workers under that name. Forget this not.

Recognition of the successful work of the New Group of World Servers will be accorded by the Hierarchy, and the testimony of the recognition will be the appearing of a symbol in the aura of the group—of the entire group. This will be a symbol projected by the Hierarchy, specifically by the Christ. What that symbol will be it is not for me to say. It is not yet fully earned, and only its dim and uncertain outline can be seen from the level on which the Masters work, and not at all from the level on which the group itself works. It is "the mark of a Savior" and it will embody the mark or indication (the signature as medieval occultists used to call it) of a new type of salvation or salvage. Up till now the mark of the Savior has been the Cross, and the quality of the salvation offered has been freedom from substance or the lure of matter and from its hold—a freedom only to be achieved at a great cost.

The future holds within its silence other modes of saving humanity. The cup of sorrow and the agony of the Cross are well-nigh finished. Joy and strength will take their place. Instead of sorrow we shall have a joy which will work out in happiness and lead eventually to bliss. We shall have a strength which will know naught but victory and will not recognize disaster. Even the Black Lodge knew of this change in the mode of salvation, and hastily founded its groups of youths, banded together by the motto "joy through strength and strength through joy." It seems to be a law for group development to receive recognition from the side of evil, prior to that recognition coming from the good. But "after weeping cometh joy, and that joy cometh in the morning." Only the dawn is with us as yet—the dawn of the Aquarian Age. The full tide of light is inevitably moving upon its way towards us.
