

Rule 12

Day 97

Invocation

Through Beloved Cyclopea and Crystal, We celebrate the Power of CONCENTRATION that Empowers us as We study the Rules this day, and that We are imbued with the Wisdom to follow through, to stay with this Study until it is wholly completed. We are grateful for the constant re-establishment of the mental picture and emotional vista underpinning this Decree. We call forth the Elemental Grace Alliance Council and the I Am Presences' of the Sun of Even Pressure Council to join with us now! Exultation floods our every cell at the Materialization of Beloved Djwhal Khul, Chohan Hilarion, the Goddess of Charity, Archangel Uriel and Archaii Aurora in the Radiation of the Qualities and Virtues of Transmutation through the Ice White Flame of the Vision, Conception, Science, Truth and Charity.

DAILY PRAYER BEFORE I STUDY AND GO ABOUT

MY FATHER'S AND MOTHER'S BUSINESS

O Divine Mother, Father, may we actualize through intention and extension our body vehicle, Singing Eternally before the Throne with the Words: Kodoish, Kodoish, Kodoish Adonai 'Tsebayoth. May the Hierarchy and the Bands of Heavenly Angels Sing with us on earth as it is in Heaven. May the Holiness of Our Brothers and Sisters in the Higher Worlds be with us in every heartbeat and every thought-form. We Pray that all of the Letters in the Language of Light be Eternally Expressed in this Holy Prayer and Song Ceaselessly for us.

THE GREAT INVOCATION

**From the Point of Light within the Mind of God
Let Light Stream forth into the minds of men. Let
Light descend on Earth.**

**From the Point of Love within the Heart of God
Let Love Stream forth into the hearts of men.
May Christ return to Earth.**

**From the Centre where the
Will of God is Known
Let Purpose Guide the little wills of men –
The Purpose which the Masters Know and Serve.**

**From the Centre which we call the race of men
Let the Plan of Love and Light work out
And may it seal the door where inequity dwells.**

**Let Light and Love and Power Restore the Plan on Earth. And
So It Is and It Is Done!**

Begin Writing -

The Rule which we have now to consider carries us into realms of extra-planetary energy, into a world of a larger consciousness towards which the higher initiates strive and which is related in a peculiar way to both the past and the future. This rule might also be called the formula controlling the work of the New Group of World Servers.

The three remaining rules for initiates and disciples are concerned with the work of the New Age and the coming revelation which will make that work both new and possible. They are therefore of supreme importance to us. Step by step, in the eleven rules already studied, we have seen the initiate or disciple carried from his position as an accepted disciple standing before the Angel of the Presence, to that point of attainment where the spiritual will is released in full service and with full comprehension at the time of the fourth initiation, where atma or pure spirit is in control, where the Spiritual Triad is expressing the nature of the Monad, where identification with the purpose of deity has transcended illumination of the mind, and has also transcended cooperation through pure love with the Plan. These words are all attempts to indicate the path of progress which is—to the initiate consciousness—the necessary preparatory stage to treading the Path of the Higher Evolution, just as the Probationary Path is the necessary preparatory stage to being accepted into an Ashram. Briefly, the eleven rules already dealt with might be regarded as controlling the conscious activity of the initiate in the following stages and relationships.

1. The stage of the burning ground and the establishment of illumined group relation. This is revealed by the mind, functioning as an aspect of the group mind.
2. The stage of ashramic recognition and the establishing of a forward-moving group rhythm; these reciprocal activities produce a needed group tension.
3. The stage of emitting the group sound and the establishing of the power to invoke divinity, followed by a united group realization that "God is Fire."
4. The stage of extinguishing the lesser fires through the means of the above realization, and the establishing of a defined group reaction to the divine purpose or will; this results eventually in the negation of the Laws of Karma and Rebirth as they condition life in the three worlds.
5. The stage of Triadal perception and the establishing of spiritual contact, thus negating both the life of form and the soul. Duality is no longer recognized.
6. The stage of identification with the life aspect and the establishing of complete divine integration into the greater Whole. The initiate then moves onward in life and not in consciousness—a concept and a truth which it is not possible for you to understand at this time.
7. The stage of a group sounding-forth of the Word and establishing direct relation with Shamballa as an integral part of the Hierarchy. This means the enunciation of a dual chord.
8. The stage of responding to the higher aspects of the seven Ray Lives and establishing contact with the Three and the One. This is done under the Law of the Supplementary Seven.
9. The stage of spiritual negation, as it is called. This establishes a new affirmative attitude and results in a recognition of the true nature of the One Initiator.
10. The stage of the dissipation of all veils and the establishing of the power to work with light energy, thus, earning the reward of new utilized ability, i.e., the ability to work with the consciousness aspect in all forms.
11. The stage where the potencies of the death aspect of divine purpose can be used to carry out divine purpose, plus the establishing of complete identification (as a group) with the divine will. This marks the period of the Great Renunciation and prefaces the complete transition out of the Fourth Creative Hierarchy, the human kingdom.

This is a brief and inadequate summation of the more general and the more easily comprehended results of obedience to these rules. The initiate stands free and becomes consequently a dynamic factor within the working Hierarchy. Rule XII now becomes clear to him, not only through the realization induced by his illumined mind, but through the higher divine qualities which are related to the expression of the will and purpose of the planetary Logos.
