

Rule 12

Day 99

Invocation

We Call Upon Beloved Arcturus and Diana to nourish the Essence and Qualities of this 14 Rules Study Program today, in RHYTHM. We know that We are Encouraged, Inspired, Supported, and Moved to maintain the Truth of this Study with Djwhal Kuhl's Presence, and that it proceeds with the regularity with which We breathe each breath, as We inhale the precious Pranic Breath of Akasha Life, and with which We exhale all impurities to be swept up by the Violet Transmuting Flame blazing in, through and all around us. We call forth the Elemental Grace Alliance Council and the I Am Presences' of the Sun of Even Pressure Council to join with us now! We call forth Beloved Chohan St Germain and the Goddess of Justice, Lady Portia, Archangel Zadkiel and Amethyst to imbue us with Radiation of the Qualities and Virtues of Transmutation through the Violet Flame, Invocation, Diplomacy, Music Arts and Justice. With unbound enthusiasm that Qualifies the Manifestation of this Invocation without falter, We express this demand in the Violet Transmuting Flame, knowing that It comes Blazing on Our Behalf, and that Master Rakocsy Magnifies, Amplifies, Strengthens and Intensifies this Decree 1,000-Fold.

DAILY PRAYER BEFORE I STUDY AND GO ABOUT

MY FATHER'S AND MOTHER'S BUSINESS

O Divine Mother, Father, may we actualize through intention and extension our body vehicle, Singing Eternally before the Throne with the Words: Kodoish, Kodoish, Kodoish Adonai 'Tsebayoth. May the Hierarchy and the Bands of Heavenly Angels Sing with us on earth as it is in Heaven. May the Holiness of Our Brothers and Sisters in the Higher Worlds be with us in every heartbeat and every thought-form. We Pray that all of the Letters in the Language of Light be Eternally Expressed in this Holy Prayer and Song Ceaselessly for us.

KODOISH, KODOISH, KODOISH, ADONAI 'TSEBAYOTH (3 times)

THE GREAT INVOCATION

**From the Point of Light within the Mind of God
Let Light Stream forth into the minds of men. Let
Light descend on Earth.**

**From the Point of Love within the Heart of God
Let Love Stream forth into the hearts of men.
May Christ return to Earth.**

**From the Centre where the
Will of God is Known
Let Purpose Guide the little wills of men –
The Purpose which the Masters Know and Serve.**

**From the Centre which we call the race of men
Let the Plan of Love and Light work out
And may it seal the door where inequity dwells.**

**Let Light and Love and Power Restore the Plan on Earth.
And So It Is and It Is Done!**

Begin Writing -

At this time and in a peculiar manner, the initiate-consciousness sees the Hierarchy as primarily energized by life, and by the energy of Aquarius, carrying a hitherto unknown aspect of the life energy of deity. This is of course difficult for you to comprehend and will only be understood as it truly is at the close of the Aquarian Age.

The initiate sees the New Group of World Servers brought under the illuminating power of Taurus, with the rest of humanity still under the influence of Pisces. You have, consequently, the "overshadowing raincloud of knowable things" hovering over humanity, just as the Hierarchy overshadows the New Group and just as the soul overshadows the personality of man; you have all the needed illumination and light upon all the coming problems, waiting to precipitate itself through the New Group of World Servers under the influence of Taurus, the nurturer of all illumination, and you have humanity, at the same time, conditioned and made sensitive by Piscean energy during the past two thousand years. You have, therefore, a condition of great spiritual promise, and in this combination of

energies you have present those forces which will implement the activities of the Hierarchy, condition its initiates, affect every Ashram, bring light into the present darkness, and—as can already be seen—stir into new understanding the present Piscean consciousness of mankind.

It is in the New Group of World Servers that the training of the needed disciples for the Ashrams of the Masters takes place at this time in world history. This is a new hierarchical venture. In this group also accepted disciples learn to work in the same manner as does the Hierarchy. The Hierarchy works within the field of the world of human living; the New Group provides a similar field for the new disciple. It is towards that group also that initiates in the various Ashrams converge at times, in order to study the caliber and quality of the disciples who are engaged in world salvage, for it is through these disciples that the Hierarchy carries out its plans. Initiates do their main work upon mental levels and from behind the scenes, and because of this their potency is great; this is particularly so with those who have taken the third initiation. A certain percentage of them are, however, active out in the world of daily living.

You need ever to remember that at this time the main technique of the Hierarchy is that of conveying inspiration. The Masters are not openly lecturing or teaching in the great cities of the world; They work entirely through Their disciples and initiates. It will, however, be possible for Them to appear increasingly among men and evoke recognition as the influence of Aquarius is more firmly established.

The Masters, in the meantime, must continue to work "within the silence of the universal Ashram," as it has been called, and from there They inspire Their workers, and these latter in their time and way, inspire the New Group of World Servers.
