Begin Writing -

Let us now descend to thoughts more practical and within the range of comprehension, and consider the thirteenth rule somewhat in detail. It runs as follows:

### **Rule 13**

Let the group get ready to reveal the hidden mystery. Let the group demonstrate the higher meaning of the lessons learnt, and these are four and yet are one. Let the group understand the Law of Synthesis, of unity and fusion; let the threefold mode of working with that which is dynamic carry the group together towards the Higher Three where the Will of God holds sway; let Transfiguration follow Transformation, and may Transmutation disappear. Let the O.M. be heard right at the center of the group, proclaiming God is All.

The key to the significance and the clue to the secret of this rule are to be found in the preparatory rule given to applicants in the earlier book (Initiation, Human and Solar). It is included here so that you can refer to it as you study its higher corresponding rule, as given to initiates and to advanced disciples.

Rule XIII. For Applicants. Four things the disciple must learn and comprehend before he can be shewn the inmost mystery: first, the laws of that which radiates; the five

meanings of magnetization make the second; the third is transmutation or the secret loss of alchemy; and lastly, the first letter of the Word which has been imparted, or the hidden name egoic.

In this earlier rule, the disciple is told that before he can advance to the mysteries which will be revealed to him sequentially as he advances along the Path of Initiation, there are four things which he must "learn and comprehend." These are:

1. The laws of that which radiates. I would call your attention to the fact that this does not refer to the Laws of Radiation. That which radiates comes under its own laws which are different to those which produced radiation. Students need to read with increasing care as they advance upon the occult way which leads to the Way of the Higher Evolution.
2. He must study the five meanings of magnetization. This refers to the five modes in which the Law of Magnetization works; this is another name for the Law of Attraction.
3. He must comprehend what transmutation is and in which consists the secret art (now lost along with the Lost Word) of Alchemy. Esoterically speaking, transmutation is the mode whereby force is transmuted or changed into energy. This means (where a disciple is concerned) the transmutation or changing or stepping up of personality force into egoic energy.
4. He must know the "hidden name egoic" or the first letter of the imparted Word. Two things should be noted here. The "Word" here does not refer to the Sacred Word but to the name of the planetary Logos, the hidden name of Sanat Kumara Who is the soul of the world in all its phases, the manifesting Ego of the Logos on the cosmic mental plane. Only the first letter of that "ineffable name" is permitted expression to initiates until the fourth initiation. You will see, therefore, how vast a field this instruction on Rule XIII covers.

The higher correspondences of these four requirements are expressed in the following terms:

1. Let the group understand the Law of Synthesis. (This is the law which governs the thinking of those great Lives Who form the Council of Sanat Kumara in Shamballa.)
2. Let the threefold mode of working with that which is dynamic carry the group together towards the Higher Three where the Will of God holds sway.
3. Let Transfiguration follow Transformation, and may Transmutation disappear.
4. Let the O.M. be heard right at the center of the group, proclaiming God is all.

You can gather from the above what a tremendous field of esoteric truth is here covered and how abstruse to the average occult student is the theme. Again, I would remind you that the real significance will only be perceived by the trained initiate and

that what I say here must necessarily be veiled and even meaningless to the noninitiate, even whilst radiantly clear to those who truly know. Again, I would remind you that I write this particular section of *A Treatise on the Seven Rays* entirely for initiates, and that aspirants who have not taken initiation cannot understand or duly appreciate the inner meaning of these fourteen rules. In this fact lies no reason for discouragement, nor is there any suggestion that those with initiate consciousness should endeavor to explain, even if—through compassion or from the desire to stimulate approach to the Mysteries—they desired to do so. No true initiate would be so tempted, for he would realize that it would not only be impossible but also that there is a vital necessity for the disciple to work out significances and meanings through the medium of his own life experiment and to arrive at understanding through direct experience. Then no questioning can ever arise, and sure knowledge takes its place. There are no questions of any kind in the consciousness of those who form the Hierarchy. The lower analytical concrete mind which questions and separates this from that has been completely controlled and superseded; response to indicated group activity takes place. Students need to realize more concretely that group consciousness, universal awareness, and therefore synthetic effort, synthetic understanding and synthetic activity are possible to a Master or an initiate of the higher degrees. That involves the keynote of this solar system, particularly within this planet, the Earth; it will be succeeded in the next solar system by a type of life activity which is as yet only known in Shamballa.

Here I should like to pause a moment and interpolate some remarks.

There are certain phases of teaching and knowledge which I have given to the world which are relatively new—new to the modern esotericist and occult student though not new to disciples and initiates. It might be useful here if I mentioned one or two of these new aspects of the fundamental Truth which have been given by me to the public. If these new phases of the teaching have been later given to the public by other occult groups, it will have been because the information was gained by those who have read the books put out by A.A.B. for me or who are directly and consciously in touch with my Ashram.

### RULE 13

Let Transfiguration follow  
Transformation and may  
Transmutation disappear. Let  
the O.M. be heard right at the  
center of the group,  
proclaiming God is All.

Let the group get ready to  
reveal the hidden mystery. Let  
the group demonstrate the  
higher meaning of the lessons  
learnt, and these are four and  
yet are one. Let the group  
understand the Law of  
Synthesis, of unity and fusion;

Let the threefold mode of working with that  
which is dynamic carry the group together  
towards the Higher Three where the Will of  
God holds sway;

## THE REQUIREMENTS OF REVEALING THE HIDDEN MYSTERY

Rule 13 – Day 107

## EXPANDING THE FOUR REQUIREMENTS OF COMPREHENSION

### 1. THE LAWS OF THAT WHICH RADIATES

- Clarity that this does not refer to the Laws of Radiation; that which Radiates comes under its own laws
- Let the group understand the Law of Synthesis, of Union, the Absolute Focus of Oneness that governs Shamballa

### 2. THE FIVE MEANINGS OF MAGNETIZATION

- The five modes in which the Law of Magnetization (Law of Attraction) works
- Let the group serve in union in the physical/etheric, emotional/astral and mental worlds of human endeavour, toward the Atmic, Buddhic and Causal

### 3. STEPPING THROUGH AND BEYOND ALCHEMY

- The group moves beyond transmutation through personality force into egoic energy
- Let the group sense of identity shift from bodies, thoughts and sensations in relation to a separate world to an awareness of the Union of I Am through all

### 4. KNOWLEDGE OF THE "HIDDEN NAME EGOIC"

- A deeper awareness of the manifesting Ego of the Logos on the Cosmic Mental Plane
- Let the group be free of glamour and relate only to Spirit and Soul, proclaiming that God is all
