THE GREAT INVOCATION

**From the Point of Light within the Mind of God
Let Light Stream forth into the minds of men. Let
Light descend on Earth.**

**From the Point of Love within the Heart of God
Let Love Stream forth into the hearts of men.
May Christ return to Earth.**

**From the Centre where the
Will of God is Known
Let Purpose Guide the little wills of men –
The Purpose which the Masters Know and Serve.**

**From the Centre which we call the race of men
Let the Plan of Love and Light work out
And may it seal the door where inequity dwells.**

**Let Light and Love and Power Restore the Plan on Earth.
And So It Is and It Is Done!**

Begin Writing -

This, however, is only a beginning of an entirely new phase of development; consciousness eventually drops below the level of perception. It becomes as automatic and unregistered in its expression as animal instinct is to the human being. It functions, but the man is not consciously aware of it. It is a protective mechanism. The will aspect of the Monad supersedes but does not negate love (which has become, in its turn, instinctual); a one-pointed, rapier-like assumption of identification takes the place of the inclusiveness hitherto felt and practiced. Perhaps I can convey to you something of what I mean by pointing out that the circle with the point at the center is symbolic of the perfected man. He is rounded out; he is inclusive both vertically (soul contact) and horizontally (human relationship), yet he stands at the center of his consciousness and of its self-imposed ring-pass-not. From thence he never moves, but is aware all the time of all that proceeds within his sphere of influence. Here is the symbol of the Master, from a specific point of attainment.

But the Master Himself is not static. His field of work is clear; His realm of contacts—human, subhuman and super-human—is also clear. Within the ring-pass-not and in

the world of sentiency and in relation to the world of loving understanding, He stands the Master.

It is at this precise point in time and space that the work of Transformation begins for the Master—a transformation which is brought about by the unfoldment and the development made possible upon the three levels of the Spiritual Triad. As this transformation takes place, a new activity supervenes which finally enables the Master to break through the planetary ring-pass-not, and thus arrive at the door of the Higher Evolution.

What I have now to say may be made somewhat clearer by means of the following symbol. The Master has now penetrated into another cosmic level, but He is still within the aura of the One Life.

Now the cosmic astral plane is revealed to Him. He sees the reason why, first of all, sentiency had to be developed; why it had then to be used and mastered and finally had to be completely negated—negated in such a manner that it dropped below the level of consciousness. There is no glamour upon the cosmic astral plane, and only those who have dominated sentient reaction upon all levels of the cosmic physical plane and are completely free from it, can then—through the illumined will and through the power of that mysterious quality (if I may so call a factual expression) of identification—direct the lowest aspect of cosmic desire upon the cosmic astral plane. This necessarily has to be tuned in with that to which they are irrevocably related. This identification is therefore the highest expression of divine purpose upon the cosmic physical plane, even whilst it is the lowest aspect of the cosmic astral desire. Therefore, my Brothers and Sisters, the transformation with which this rule deals is the transformation of consciousness into identification. More than that I may not say. To express the true meaning I have no words or symbols.

IDENTIFICATION

Rule 13 – Day 122

THE PATH OF THE HIGHER EVOLUTION

COSMIC ASTRAL REVELATION

- The Initiate then sees why sentiency had to be developed, used, mastered and completely negated in consciousness
- The Initiate is completely liberated of glamour and has trusted transcendence of the Cosmic Astral plane

DIRECTION OF COSMIC DESIRE

- The Initiate, through illumined will and the power of identification, can direct the lowest aspect of cosmic desire upon the cosmic astral plane
- This direction has to be tuned in which that to which they are irrevocably related
- Identification is the highest expression of divine purpose upon the cosmic physical plane, even whilst it is the lowest aspect of cosmic astral desire
