

Rule 14

Day 125

Invocation

Through Beloved Cyclopea and Crystal, We celebrate the Power of CONCENTRATION that Empowers us as We study the Rules this day, and that We are imbued with the Wisdom to follow through, to stay with this Study until it is wholly completed. We are grateful for the constant re-establishment of the mental picture and emotional vista underpinning this Decree. We call forth the Elemental Grace Alliance Council and the I Am Presences' of the Sun of Even Pressure Council to join with us now! Exultation floods our every cell at the Materialization of Beloved Djwhal Khul, Chohan Hilarion, the Goddess of Charity, Archangel Uriel and Archaii Aurora in the Radiation of the Qualities and Virtues of Transmutation through the Ice White Flame of the Vision, Conception, Science, Truth and Charity.

DAILY PRAYER BEFORE I STUDY AND GO ABOUT

MY FATHER'S AND MOTHER'S BUSINESS

O Divine Mother, Father, may we actualize through intention and extension our body vehicle, Singing Eternally before the Throne with the Words: Kodoish, Kodoish, Kodoish Adonai 'Tsebayoth. May the Hierarchy and the Bands of Heavenly Angels Sing with us on earth as it is in Heaven. May the Holiness of Our Brothers and Sisters in the Higher Worlds be with us in every heartbeat and every thought-form. We Pray that all of the Letters in the Language of Light be Eternally Expressed in this Holy Prayer and Song Ceaselessly for us.

KODOISH, KODOISH, KODOISH, ADONAI 'TSEBAYOTH (3 times)

THE GREAT INVOCATION

**From the Point of Light within the Mind of God
Let Light Stream forth into the minds of men. Let
Light descend on Earth.**

**From the Point of Love within the Heart of God
Let Love Stream forth into the hearts of men.
May Christ return to Earth.**

**From the Centre where the
Will of God is Known
Let Purpose Guide the little wills of men –
The Purpose which the Masters Know and Serve.**

**From the Centre which we call the race of men Let
the Plan of Love and Light work out
And may it seal the door where inequity dwells.**

**Let Light and Love and Power Restore the Plan on Earth.
And So It Is and It Is Done!**

Begin Writing -

In this final rule for disciples and initiates, a great summation is embodied. I would here point out again (as I have so frequently in the past) that the obvious meaning—no matter how elevated—is not that with which we shall deal. It is the significance behind the meaning which is ever the concern of the initiate mind. Students would do well to remember the following sequence of words, embodying ideas: Symbol, Meaning, Significance, Light, regarding light as the emanating creative energy—the organizer of the symbol, the revealer of the meaning, the potency of the significance.

We have studied the rules and have penetrated deeply into the world of significances. Most of you have not, however, passed beyond the stage of groping in the world of meaning. The reason for this is that you have not yet taken the third initiation. I would ask you also to bear in mind that the *world of symbols* is that of the personal life, of the phenomenal world as that phrase covers the three worlds of human evolution; the *world of meaning* is the world in which the soul lives and moves with intention and understanding; the *world of significance* is the world of the Spiritual Triad, which only confers its freedom fully after the third initiation.

The words dealt with in this Rule XIV are apparently so simple that they can be easily understood. I will attempt to show you that their real meaning is deep and esoteric to what you call the nth degree.

Rule 14

For Applicants: Listen. Touch. See. Apply. Know.

For Disciples and Initiates: Know. Express. Reveal. Destroy. Resurrect.

The following relationships should be noted, for the first is the seed of the other.

APPLICANTS INITIATES

Listen....Know

Touch....Express

See.....Reveal

Apply....Destroy

Know.....Resurrect

You will note that the applicant eventually arrives at knowledge and begins to know; the disciple or the initiate starts with knowing, and through his ability to express esoterically that which he knows is able to reveal the light, and by that light to destroy all illusion, glamour and maya; he brings about resurrection upon the physical plane—a resurrection from the death which physical plane life inevitably confers.

The five words as given to the applicant are indeed relatively simple. Most aspirants understand their meaning to a certain extent. They know that the listening mentioned has naught to do with the sense of physical hearing, and that the touch to be developed has reference to sensitivity and not the sensory perception of the physical vehicle. They know likewise that the sight to be cultivated is the power to see the beauty underlying form, to recognize the subjective divinity and to register also the love conveyed through the medium of symbols. The application of soul energy to the affairs of daily life and the establishing of those conditions which permit of soul knowledge are the elementary lessons of the aspirant.

With these I need not deal, except in so far as they give the clue to the significance of the five words as given to the initiated disciple.

Let us take each of these five words and seek to ascertain their significance. But first of all, I would like to point out that here we are concerned with *monadic signatures*, with that which synthesizes significances, and with that which contributes vital significance to the initiated life. I would have you, as you read my words, retreat within yourselves and seek to think, feel and perceive at your highest possible level of consciousness. The effort to do this will bear much fruit and bring rich reward to you. You will not grasp the full intention of these words, but your sense of awareness will begin to react to Triadal impression. I know not how else to word this, limited as I am by the necessity of language. You may not register anything consciously, for the brain of the average disciple is as yet insensitive to monadic vibration. Even if the disciple is capable of some responsiveness, there are not the needed words in which to express the sensed idea or to clothe the concept. It is therefore impossible to put the divine ideas into their ideal form and them bring them down into the world of meaning, and from thence into the world of symbols. What I say will therefore have more significance towards the close of this century, when men will have recovered from the chaos and cruelty of war, and when the new and higher spiritual influences are being steadily poured out. I write, my Brothers and Sisters, for the future.
