Let Love Stream forth into the hearts of men.  
May Christ return to Earth.**

Will of God is Known

Let the Plan of Love and Light work out  
And may it seal the door where inequity dwells.**

And So It Is and It Is Done!**

**Begin Writing -**

What will come through that series of spiritual happenings and their inevitable reaction upon the whole body of humanity is in no way related to consciousness, to revelation or to light. There will come to humanity at some moment still a long way ahead a period of realization, constituting both a point of crisis and a point of tension. That realization will summarize, in effective conditioning consciousness, all that the quality of sensitivity has conveyed to mankind throughout the ages. It is the consummation of the activity of the Christ-consciousness, and is the state referred to when it is said of the Christ: *"He shall see of the travail of his soul and be satisfied."* At the crisis of that revelation, at its highest point of tension, humanity as with one voice will say: "Behold! All things are become new." This is the apotheosis of vision and the prelude to an unfoldment in the general massed human consciousness (from that point in time slowly brought about) of certain powers and capacities of which the race is today totally unaware. The immediate

revelation ahead will be only the first step towards this distant related point, and its significance will not be apparent to the present generation, or even to the next; it will, however, be steadily though gradually appreciated as the new world religion with its emphasis upon the invocation of energies and the evocation of "life more abundantly" is developed and has its inevitable effect. Students would do well to bear in mind that the impact of energies upon forms produces results which are dependent upon the quality of the forms receiving the impression. This is a statement of occult law.

One of the purposes lying behind the present holocaust (World War II) has been the necessity for the destruction of inadequate forms. This destruction could have been brought about by an act of God, such as a great natural catastrophe or a universal epidemic, and such had been the original intention. Humanity was, however, swept by forces that carried in themselves the seeds of destruction, and there was that in humanity which responded to those forces. Therefore, the Law of destruction was permitted to work through humanity itself, and men are now destroying the forms through which many masses of men are functioning. This is both a good and a bad thing, viewed from the evolutionary angle. It is nevertheless, a fact which cannot be gainsaid, and the problem, therefore, confronting the Custodians of the Will, working through the Custodians of the Plan, is to bring good out of the evil which man has wrought, and thus gear events to the larger issues.

That is one of the objectives before the Hierarchy at this time (written April 1943) as it prepares for participation in the May and June Full Moons. Can the forces be so organized and the energies so distributed that the full measure of good may be evoked from humanity by the invocation sounded forth by Shamballa? Can this evocation of a new cycle of spiritual contact and of liberation be brought about by the invocation of the men and women of good-will? Can the will-to-good of the spiritual Forces and the goodwill of humanity be brought together and produce those conditions in which the new world order may function?

These are the important questions which the Hierarchy is attempting to solve. It must be remembered that the Science of Invocation and Evocation is a reciprocal effort. Humanity could not be invocative were it not that the Spiritual Hierarchy (and by that term I include both Shamballa and the planetary Hierarchy) is evoking the spirit of man. The invocative cry of humanity is evoked by the invocation or Sound of the spiritual hierarchies. Man's responsibility, however, is to invoke at this time the Lords of Liberation and the Spirit of Peace. These are the Beings which have the power to raise

humanity, once the race of men has assumed the right attitude. They correspond to the group, in the third degree of Masonry, who raise the Master. Their response to the cry of mankind is largely, but not wholly, dependent upon the quality of that cry.

## THE IMPORTANT QUESTIONS THE HIERARCHY IS ATTEMPTING TO SOLVE

### HUMANITY'S RESPONSIBILITY

- Is to invoke at this time the Lords of Liberation and the Spirit of Peace
- These are the Beings which have the power to raise humanity, once the race of men has assumed the right attitude
- Can the forces be so organized and the energies so distributed that the full measure of good may be evoked from humanity by the invocation sounded forth by Shamballa?

### RECIPROCAL EFFORT

- The Science of Invocation and Evocation is a reciprocal effort
- Can this evocation of a new cycle of spiritual contact and of liberation be brought about by the invocation of the men and women of goodwill?

### TRANSCENDING SELF

- Students would do well to bear in mind that the impact of energies upon forms produces results which are dependent upon the quality of the forms receiving the impression
- Can the will-to-good of the spiritual Forces and the goodwill of humanity be brought together and produce those conditions in which the new world order may function?
