THE GREAT INVOCATION

**From the Point of Light within the Mind of God
Let Light Stream forth into the minds of men. Let
Light descend on Earth.**

**From the Point of Love within the Heart of God
Let Love Stream forth into the hearts of men.
May Christ return to Earth.**

**From the Centre where the
Will of God is Known
Let Purpose Guide the little wills of men –
The Purpose which the Masters Know and Serve.**

**From the Centre which we call the race of men
Let the Plan of Love and Light work out
And may it seal the door where inequity dwells.**

**Let Light and Love and Power Restore the Plan on Earth. And
So It Is and It Is Done!**

Begin Writing -

At the time of the June Full Moon, each year, the love of God, the spiritual essence of solar fire, reaches its highest point of expression. This it achieves through the instrumentality of the Hierarchy, that great group of souls which has ever been the custodian of the principle of light, of enlightened love, and which always—down the ages—focusses its attention upon the race of men when the spiritual influence is at its height. This it does through one of the great Sons of God. The Full Moon of June of 1943 saw this outpouring of divine love reach its highest expression for all time, and at the point of attainment which is, for that particular Son of God, His highest also. Such is the Law. When an embodied Christ in time and space reaches His goal of achievement, recognition of this comes to Him at the time of the June Full Moon, for in that sign of Gemini the complete victory of life over form, and of spirit over matter, is consummated and celebrated.

The love of God, focused in the Christ, seeks to express itself in some act of peculiarly useful service to humanity. This service has taken different forms down

through the ages, but it has always expressed itself through two episodes: One of them, the first, reveals the Christ in His capacity of the God-Savior, sacrificing Himself through pure love for His fellowmen. The annals of the Hierarchy contain many such histories of sacrifice and service, dating far back into the very night of time. The saving principle of pure love finds its expression at the hour of humanity's greatest need in the work of a World Savior and "for the salvation of His people, He comes forth." He thus meets the need, and at the same time strengthens the link which relates the Hierarchy to Humanity. The task of the Christ (as the expression in time and space of the second divine aspect) is to establish relationships. Every cyclic Representative of Deity furthers the approach of the Hierarchy to mankind, and seals this service by some final act which becomes the historical nucleus whereby later generations remember Him.

That accomplished, He stays with His people as Head of the Hierarchy until His second opportunity comes, in which as Representative both of Humanity and the Hierarchy, He can relate them both to Shamballa. This He does through a great act of evocation, seeking to bring about a closer relationship between all the three great planetary centers: Shamballa, the Hierarchy, and Humanity. He can do this because the development of the Wisdom aspect in His nature makes it possible. The major linking agent in the universe is the energy of Love-Wisdom. Love relates the Hierarchy to Humanity, and Wisdom relates the Hierarchy to Shamballa. Only when Humanity and the Hierarchy are working together in a practical synthesis, can the energy be permitted complete inflow through the medium of the two other centers.

RULE 4

Only the greater
Wheel must onward
move and turn.

Let the Group see that
all the eighteen fires
die down and that the
lesser lives return unto
the reservoir of life.

The lesser wheels
must not for aye
revolve in time and
space.

This they must bring
about through the
evocation of the Will.

MAJOR LINKING THROUGH PRACTICAL SYNTHESIS

- Only when Humanity and the Hierarchy are working together in a practical synthesis, can the Shamballa energy be permitted complete inflow through the medium of the two other centers
