MY FATHER'S AND MOTHER'S BUSINESS

O Divine Mother, Father, may we actualize through intention and extension our body vehicle, Singing Eternally before the Throne with the Words: Kodoish, Kodoish, Kodoish Adonai 'Tsebayoth. May the Hierarchy and the Bands of Heavenly Angels Sing with us on earth as it is in Heaven. May the Holiness of Our Brothers and Sisters in the Higher Worlds be with us in every heartbeat and every thought-form. We Pray that all of the Letters in the Language of Light be Eternally Expressed in this Holy Prayer and Song Ceaselessly for us.

**From the Point of Light within the Mind of God
Let Light Stream forth into the minds of men.
Let Light descend on Earth.**

**From the Point of Love within the Heart of God
Let Love Stream forth into the hearts of men.
May Christ return to Earth.**

**From the Centre where the
Will of God is Known
Let Purpose Guide the little wills of men –
The Purpose which the Masters Know and Serve.**

**From the Centre which we call the race of men
Let the Plan of Love and Light work out And
may it seal the door where inequity dwells.**

**Let Light and Love and Power Restore the Plan on Earth. And
So It Is and It Is Done!**

Rule V, which we are now purposing to consider, is one of great interest and practicality. I would remind you that one of the new things which the coming era of spiritual expansion will see is the inauguration of something entirely new: Group Initiation. Hitherto, one by one, units of the human family have found their way through the Door of Initiation. If this system is to persist and considering the vast numbers of souls in and out of incarnation who must eventually achieve the goal—two-thirds of the total in this world cycle—even the greater cycles which include many world cycles would prove too short a time. The space-time schedule of the planetary Logos Himself would be upset, for He has such a schedule for the cycle of His present incarnation. There is a term set for the appearance of His body of manifestation, our planet, just as there is for the human body. He therefore has to work out His plans within a certain time limit, and this factor conditions the experience of all the lives that move within the radius of His expression, including the human kingdom.

It must be remembered also that as humanity develops, and more and more people begin to function as souls, the nature of the soul (which is relationship) begins to have an effect; men become larger in their outlook and their vision. The outlook of the separated self vanishes, and group relationship and group interest supersede that intense personal and interior relationship and interest which have made evolving man, what he is: first of all, an integrated personality, and then a disciple—a candidate for initiation. As more and more disciples come into group realization it will become increasingly possible for the Hierarchy to admit such disciples in group formation. That is one reason necessitating the re-establishing of the Ancient Mysteries on Earth. That group relation has to be demonstrated in the three worlds and expressed by disciples in their group life upon the physical plane. Hence the new experiment being undertaken by the Hierarchy of externalizing Their Ashrams. This process involves immense difficulty, owing to the astralism, the ambitions and the growing personality influence of so many people. Many groups, under self-seeking leaders, will react to this experiment and will proclaim themselves as Masters with Ashrams and as occupied with training people for initiation. Signs of this can already be seen.

The Hierarchy has been confronted with definite difficulty in this matter, for on the one hand the Masters were faced with the glamour-making tendency and astralism of the majority of people and, secondly, with the rapid advance of the human consciousness into the realm of group relationship, group life, group reactions and group activity. This has brought about the intention of the Hierarchy to train such ready minds and hearts for a united moving forward through the Door of Light onto the Lighted Way. That externalization has not yet taken place. Tentative experiments are being made with some success and some discouragement.

Two things have therefore been decided upon by the Masters as They face the future of humanity and prepare to take the required steps to meet man's advancing aspiration. I have chosen these two words with care. These two requirements have been demanded of the Hierarchy by Shamballa in order to safeguard the Mysteries and prevent a too premature precipitation of the hierarchical life upon the Earth. Both these requirements are expressed in this fifth Rule.

RULE 5

Let the group
perceive that Whole
and then no longer
use the thought "My
soul and thine"

In unison let the
group perceive the
Triad shining forth,
dimming the light of
the soul and blotting
out the light of form.

The macrocosmic Whole is all
there is.

THE COMING ERA OF GROUP INITIATION

THE PAST SYSTEM

- Hitherto, one by one, units of the human family found their way through the Door of Initiation
- Considering the vast numbers of souls in and out of incarnation who must eventually achieve the goal – two-thirds of the total in this world cycle – the space-time schedule of the planetary Logos Himself would be upset
- He therefore has to work out His plans within a certain time limit, and this factor conditions the experience of all the lives that move within the radius of His expression, including the human kingdom

THE COMING SYSTEM

- As humanity develops, and more and more people begin to function as souls integrated with personality, the nature of the soul begins to have an effect
- Humanity will thus attain a larger in their outlook and their vision
- The outlook of the *separated self* vanishes
- Group relationship and group interest supersede that intense personal and interior relationship and interest that defined the Piscean age

THE TRANSITION REQUIRED

- As more and more disciples come into group realization it will become increasingly possible for the Hierarchy to admit such disciples in group formation
- Group relation has to be demonstrated in the three worlds and expressed by disciples in their group life upon the physical plane
- Hence the new experiment being undertaken by the Hierarchy of externalizing Their Ashrams:
- Many groups, under self-seeking leaders, will proclaim themselves as Masters with Ashrams and as occupied with training people for initiation
