DAILY PRAYER BEFORE I STUDY AND GO ABOUT

MY FATHER'S AND MOTHER'S BUSINESS

O Divine Mother, Father, may we actualize through intention and extension our body vehicle, Singing Eternally before the Throne with the Words: Kodoish, Kodoish, Kodoish Adonai 'Tsebayoth. May the Hierarchy and the Bands of Heavenly Angels Sing with us on earth as it is in Heaven. May the Holiness of Our Brothers and Sisters in the Higher Worlds be with us in every heartbeat and every thought-form. We Pray that all of the Letters in the Language of Light be Eternally Expressed in this Holy Prayer and Song Ceaselessly for us.

THE GREAT INVOCATION

**From the Point of Light within the Mind of God
Let Light Stream forth into the minds of men.
Let Light descend on Earth.**

**From the Point of Love within the Heart of God
Let Love Stream forth into the hearts of men.
May Christ return to Earth.**

**From the Centre where the
Will of God is Known
Let Purpose Guide the little wills of men –
The Purpose which the Masters Know and Serve.**

**From the Centre which we call the race of men
Let the Plan of Love and Light work out And
may it seal the door where inequity dwells.**

**Let Light and Love and Power Restore the Plan on Earth. And
So It Is and It Is Done!**

Begin Writing -

A great upheaval in all the kingdoms in nature has characterized this day and generation; a stupendous destruction of all forms of divine life and in every kingdom, has been the outstanding note of this upheaval. Our modern civilization has received a death blow from which it will never recover, but which will be recognized someday as the "blow of release" and as the signal for that which is better, new and more suitable for the evolving spirit, to make its appearance.

Great and penetrating energies and their evoked forces have met in a conflict which has, figuratively speaking, elevated the mineral kingdom into the skies and which has brought down fire from heaven. I am talking to you factually and not just symbolically. The bodies of men, women and children, as well as of animals, have been destroyed; the forms of the vegetable kingdom and the potencies of the mineral kingdom have been disintegrated, distributed and devastated. The coherent life of all the planetary forms has been temporarily rendered incoherent. As an ancient prophecy has put it: *"No true united Sound goes out from form to form, from life to life. Only a cry of pain, a demand for*

restitution and an invocation for relief from agony, despair and fruitless effort goes out from here to There."

All this upheaval of the "soil" of the world—spiritual, psychological and physical—all this disruption of the forms and of the familiar contours of our planetary life *had* to take place before there could come the emergence of the Hierarchy into the public consciousness; all this had to do its work upon the souls of men before the New Age could come in, bringing with it the Restoration of the Mysteries, and the rehabilitation of the peoples of the earth. The two go together. This is one of the major points which I am seeking to make. The disruption, disintegration and the completely chaotic conditions existing for the past five hundred years within all the kingdoms of nature have at last worked their way out into paralleling physical conditions. This is good and desirable; it marks the prelude to a better building of a better world, the construction of more adequate forms of life and of more correct human attitudes, plus a sounder orientation to reality. The best is yet to be.

Everything is being rapidly brought to the surface—the good and the bad, the desirable and the undesirable, the past and the future (for the two are one); the plough of God has nearly accomplished its work; the sword of the spirit has severed an evil past from the radiant future, and both are seen as contributory in the Eye of God; our material civilization will be seen as giving place rapidly to a more spiritual culture; our church organizations, with their limiting and confusing theologies, will soon give place to the Hierarchy, with its emerging teaching—clear, factual, intuitive and non-dogmatic.

The Hierarchy has been invoked and its Members are ready for a great "act of evocation," of response to the invoking sound of humanity and of a definite (though relatively temporary) "act of orientation." This will force the Hierarchy, of its own freewill, to turn towards a new and more intimate type of relation with humanity. That period of orientation will end when a powerful, earthly Hierarchy will factually, externally and in reality, hold sway on earth, working in all the kingdoms of nature and thus bringing about (in truth) the expression of the divine Plan.

This plan is implemented through the medium of the senior Members of the Hierarchy, Who invoke the "Lights which carry out the Will of God"; They are Themselves invoked by the Light-Bearers, the Masters; They again, in Their turn, are invoked by the aspirants and disciples of the world. Thus, is the chain of Hierarchy only a life line, along which travel the love and life of God, from Him to us and from us to Him.

THE REQUIRED DISRUPTION OF FORM

CREATING THE LANDING PAD FOR EMERGENCE

- All the spiritual, psychological and physical disruption of the forms
- The disruption of the familiar contours of our planetary life must take place before there can be the emergence of the Hierarchy into the public consciousness

REHABILITATION OF THE SOULS OF HUMANITY

- All this has to do its work upon the souls of humanity before the New Age can come in
- This brings with it the Restoration of the Mysteries, and the rehabilitation of the peoples of the earth

SYNTHESIS OF DISRUPTION AND SOUL REHABILITATION

- The two go together
- The disruption, disintegration and the completely chaotic conditions existing for the past five hundred years within all the kingdoms of nature have at last worked their way out into paralleling physical conditions

THIS SYNTHESIS MARKS THE PRELUDE TO

- A better building of a better world
- The construction of more adequate forms of life and of more correct human attitudes
- A sounder orientation to reality for Humanity
- The Plough of God has nearly accomplished its work
- The Sword of the Spirit has severed an evil past from the radiant future

THE DISRUPTION OF FORMS NOT SUITED TO THE NEW AGE

- Everything is being rapidly brought to the surface – the good and the bad, the desirable and the undesirable, the past and the future (for the two are one)
- Our material civilization will be seen as giving place rapidly to a more spiritual culture
- Our church organizations, with their limiting and confusing theologies, will soon give place to the Hierarchy, with its emerging teaching – clear, factual, intuitive and non-dogmatic

THE GREAT ACT OF EVOCATION

- This period of orientation will end when a powerful, earthly Hierarchy will factually, externally and in reality, hold sway on earth
- They will work in all the kingdoms of nature and bring about (in truth) the expression of the divine Plan
