## THE GREAT INVOCATION

**From the Point of Light within the Mind of God  
Let Light Stream forth into the minds of men. Let  
Light descend on Earth.**

**From the Point of Love within the Heart of God  
Let Love Stream forth into the hearts of men.  
May Christ return to Earth.**

**From the Centre where the  
Will of God is Known  
Let Purpose Guide the little wills of men –  
The Purpose which the Masters Know and Serve.**

**From the Centre which we call the race of men  
Let the Plan of Love and Light work out  
And may it seal the door where inequity dwells.**

**Let Light and Love and Power Restore the Plan on Earth. And  
So It Is and It Is Done!**

Begin Writing -

The old age and the coming new age, old rhythms of thought and new approaches to truth and consequent new and better ways of life are presented with clarity to the minds of men. The guarantee of the success of the experiment started more than a century ago is the fact that (in spite of much that is undesirable) so many nations have ranged themselves upon the side of right, and only two definitely and altogether upon the side of evil. The evil is more concentrated, and therefore more powerful temporarily upon the physical plane; the good is more diffused and not so pure in its concentrated essence being coloured by many undesirable aspects; the good, however, is concentrating rapidly and will triumph. The "Lights that carry out the will of God" now wait to give another touch which will enable the reconstruction work to move forward along right lines, but They wait for the invocative cry of humanity and for the dust of battle and of conflict to die down.

The next two rules will reveal the issues still more clearly and will outline for you when better understood, explained and amplified, the processes and methods of hierarchical work, carried on in conjunction with the Great Council of Shamballa. To this must be added the cooperation—as far as may be—of all enlightened men, working under the

Light bearers, the Masters, and under the inspiration of the Lights which carry out the will of God.

In the foregoing, I have endeavoured to give some faint idea of the relation existing between the Hierarchy and Shamballa. I did this in order that you might grasp some measure of the synthesis underlying the entire planetary life; in order also that this rule for initiates could be interpreted as intended, as far as is possible, to the uninitiate consciousness; and finally, in order that the entire concept of Shamballa and its immense reservoir of energy, which we call the will or the life of God, may take its rightful place in the occult presentation of truth. The will of God and the life of God are esoterically synonymous terms, and when the life aspect of an individual and his spiritual, selfless will are completely synchronized, then you have—in a human being—the full expression of divinity or what has been called esoterically, "Shamballa is consummated in him."

This again is, of course, only relative but the expression of this relationship may elucidate the problem somewhat, and the aspirant or disciple needs to remember that it is only through the analogies existing in the microcosm to the Macrocosm that enlightenment can come. And how, I ask you, will he understand the relation existing between the three great planetary centres (Shamballa, the Hierarchy and Humanity) when as yet he scarcely knows himself as a human being? How can he grasp these fundamental and advanced truths when he is only just beginning to learn the nature of the hierarchical quality of love and when his spiritual will (which links him to Shamballa) is as yet totally unawakened? And I mean, totally. But the dim outlines of the general picture must be grasped, and each decade in the future will see the aspirant and the disciple more capable of grasping it.
