**INVOCATION:** Mighty, Silent Watcher, Beloved Immaculata! Even as You have before You the Cosmic Eye of God, send forth Your Emerald Rays and Crystal Sacred Flame of Truth, Science, Precipitation, Constancy and Concentration, Anchoring Them in the Hearts of God's Children. Teach them Obedience to the Great Cosmic Laws. Teach them Obedience to the Light. Fill their hearts and minds with Your Peace, with Your Silence, with Your Poise. Let the Rejoicing of Your Heart fill their hearts, every One, even to overflowing, with Your Substance and Pure Electronic Force that brings with It Your Immeasurable Infinite Blessings. Let each one Feel Your Omnipresent, Watchful Care, Your Sustaining Love, Wisdom and Power.

In The Name Of The Almighty '*Presence*' Of God ', I AM' That 'I AM', And Through The Full Power Of The Three-Fold Flame Pulsating In My Eternal Heart, In The Name of Father-Mother Life, Alpha and Omega, Helios and Vesta, Beloved Maha Chohan, the Silent Watcher - Immaculata, the Great Divine Director, Serapis Bey, St. Germain, Lord Melchizedek, Djwhal

Khul, Lord Jesus Christ and All Masters of Light, We Command Through the Light of a Thousand Suns, That What We Say Now Is Heard Directly in the Heart of the God Intelligence, Within Every Electron of Precious Life Energy Existing in Our four lower Bodies, the Bodies of Humanity and the Bodies of Beloved Earth.

We Call Forth the Divine Marys, 14 Beloved Goddesses, All Chohans, Archangels, Elohim, Eloah and the Elemental Directors of the 7 Rays, the 5 Secret Rays, Devas and Angelic Host. We Call In the Gods and Dragons From the Great Mountain Ranges of the World. We Call Upon All of You, Each One, to Bear Witness to Our Clarity and Our Claim to Our Eternal Unification In Purity, Wholeness and Oneness.

Let Us Now Say the Invocation for the 'I AM' Presence Within Through the Radiance of Beloved St. Germain:

***“May your Hearts, O Beloved Ones, be filled with Our Eternal ‘Presence’ of Divine Love; and may you become so charged with Its Active ‘Presence’ that Its very Radiance becomes an Eternal, Consuming Activity, keeping out everything but the Eternal Light of Perfection. ‘I AM’, charge the mental and emotional world of humanity with Our Eternal, Active ‘Presence’ of Divine Love, manifest everywhere in the hearts and minds of mankind. In the Name, in the Power, in the Love of that Eternal Light and Perfection of the Universe, ‘I AM’, send forth the Consuming, Purifying Flame throughout the earth - freeing mankind, controlling the feelings of mankind, and holding them in the Governing ‘Presence’ and Perfection of Divine Love, now and forever. With all the Love of My, ‘I AM’ Being.”***

As I Become Centered in My Heart and My, 'I AM' Presence, I Call Upon the Company of My Sponsors. I Stand forth in My Mighty 'I AM' Presence before You, Godmother Vesta asking You to Invest Your Energies into this New Life, Heart and My Divine Purpose and Plan. I Declare My Allegiance, Loyalty, Commitment, Dedication, Fidelity and Adherence to the 'I AM' All-Pervading Knowing of My Divine Plan and the Elemental Grace Alliance Divine Plan.

As I Birth New Life in the Renewal of My Covenants with My 'I AM' Presence and the Elemental Grace Alliance, All I can Do is Nurture it the Best I know how. I Trust That when this New Life comes into Manifestation, the Immaculate Concept of Our Visions, Creations and Dreams Will All Become REAL. I Have Personally Qualified, Clarified and Comprehend My Own Personal Responsibility to My 'I AM' Presence first and to the Elemental Grace Alliance as a Pledged Group Member. 'I AM' Aspiring to the Fullness of the Expression of God, and I Devote All of My Being and Service to That End. I Will Walk Gently Through the Universe, Knowing That the Body is a Temple in which Resides the Holy Spirit That Brings Peace, Illumination and All 12 Divine God Virtues to All Life and Kingdoms Everywhere.

Mighty 'Presence', Give Me Your Full Empowerment, Full Understanding and Full Unification in Oneness with the Overall Evolutionary Plan for Humanity and the Earth and Putting Love In Action in a Way That has never been Conceived before the Elemental Grace Alliance Plan was

Revealed As It has. Help Me to Be an Integral Part of such a Loyal and Consecrated Group, to be the Guardians for Grounding the Transmission Flames of God Virtues Upon the Earth, the New Radiation Centres and the New Radiation Temples of Pyramidal Light. I offer My Loyalty, Constancy, Love, Devotion and Commitment and Dedicate My Life to this Task.

I Have Made and Renewed My Pledge and Commitment to the Elemental Grace Alliance Divine Plan. I Give My Eternal Covenant to this Lifetime and All Future Lifetimes. I Ask You, Godmother Vesta, Queen of Light, to Commit to Investing Your Energies into Me, who Stands before You to Fulfill this Divine Plan. We are Blessed and Honored for the Opportunity to be able to have the Investment of Your Energies to Fulfill this Plan!

I now say this Mantra Voicing My Essential Service to this Living Group Organism, the Elemental Grace Alliance Divine Plan. I Give spontaneously with no thought of loss, that is as Natural and Constant as Breath Itself. I Say this Mantra in utter Selflessness, breaking down all barriers where Complete Unity and Freedom Rules. I know when nothing That I have is Mine; then there is nothing left to give but Myself, and this last Gift brings Bliss and Graduation from the Hall of Learning in the School of Life.

**‘I AM’ One With My Group Brothers and Sisters and All That I Have Is Theirs.**

**May the Love That is In My Soul Pour Forth to Them.**

**May the Strength That is In Me Lift and Aid Them.**

**May the Thoughts in Which My Soul Creates Reach and Encourage Them.**

**Behind the Group, there Stands the Door. Before Them Opens Up the Way. Together let the Band of Brothers and Sisters Onward Move.**

O Mighty ‘*Presence*’ of God, ‘I AM’, Flood Your Pure Light of a Thousand Suns Into Our Hearts to Absorb, Cleanse, Transmute, Realign and Reactivate All Energy, Forms and Life Into Your Higher Frequencies. We Ask You to Awaken All Within this Elemental Grace Alliance Contingency into Christed Levels of Consciousness where old divisions are left behind, and the Light Within All Life is Acknowledged and Witnessed as Precious, Unique and Divine. Create a Universality In which Soul-centered Individuals Become Channels For the Light of the World, Bringing Nourishment To All Life. Cleanse Our Memory Banks and Remove all fear Within the Collective Field. Assist Us and All Humanity in Birthing a Unified Field of Consciousness. We Ask for Your Light to Maintain Our Inner Balance and Harmony, whatever outer appearances may be. Shine Your Light to Remove the long-held illusion of separateness and Help All Life Evolve to a Greater Sense of Awareness, Unity and Wholeness.

As Multi-Dimensional, Radiant Beings, We now position Ourselves on the Rainbow Bridge of Our Antahkaranas, Sending and Receiving with Ease the Golden Rays Embedded Within the

Divine Universal Alchemical Processes which We have Transcended Into. We Lovingly Offer Our Services to Help Clean, Balance and Transmute the Electrons Within these changing evolutionary cycles Ordained by God Within this Time and Space.

We Stand Within the Crystalline Matrixes Overseen by the White Dragons Who are now Ready to Wield the Violet Fire in Cooperation With the Great Divine Plan. Through The Power of God 'I AM', We Direct The Crystalline White Flame of Purity and Violet Fire from the Heart of Our Creator's Love, Light and Life, to Blaze Away, Dissolve and Remove any shadow energies of discord That are not of Divine Love. We Command the shadows cloaking the Electrons Within Our Physical, Etheric, Mental and Emotional Bodies to Be Removed In This Eternal Now of the Christ Consciousness so as we within the EGA approaching the Threshold of Our Full Divinity, we Fully Realize our own potentials as God Beings Born of the Adam/Lilith Kadmon Root Race, as we Now have the strength to embrace and walk through This Threshold, Now!

I Accept That This Activity of Light Is God Victoriously Accomplished In this Sacred and Holy Now Instant. I Command It to Be Intensified, Moment By Moment, To the Maximum That Cosmic Law Will Allow, Until Our four lower Bodies Are Returned Back To Their Divine God Radiance of the Sacred White Fire Electronic Light.

Charge, Charge, Charge Our Hearts and Consciousness with Your Great Clarity and Your White Fire Radiance! May We Each Contribute to the Flowering of Universal Light and Love.

In God's Holy Grace, It Is Done! Beloved 'I AM', Beloved 'I AM', Beloved 'I AM'!
