

Part 17 - Protecting The future - Elemental Grace Alliance

PROTECTING THE FUTURE - THE ELEMENTAL GRACE ALLIANCE COUNCIL - PETER, 28TH JULY 2015

Beloved God, I Am of Incorruptible Matter at Infinite Speed, Dearly Loved Brothers and Sisters, Esteemed Friends and Family, In Oneness, I greet you All as I stand before you with My Heart upon My Sleeve.

PETER: I have to admit that the unfoldment of the Elemental Grace Alliance is becoming a little overwhelming for me. I am understanding a great deal, and when I Am fully within my Higher Awareness, I Know that I need do nothing! Yet I still struggle from time to time with all that is transpiring.

I keep telling myself, *'one step at a time, Peter'*, and that is the only way I know how to achieve my goals however, I can be a little impatient at times, particularly when I see the Greater Picture, albeit probably just my imagination working overtime.

But I Am here for the duration, for I know that this is what God Desires of me. I guess that I am just feeling a little unsteady in the steps that unfold from day to day. It is funny however, I do see where this is going! I can see this phase closing and a new one opening, I can see what has been shared to date is the backbone of what is to come. I do not wish to describe any of these visions right now as I do understand a process is unfolding, and that procedure is far more important than going from 'a' to 'z' without passing each of the other letters along the way!

By the same token, I remain confused, perhaps it is fear for what may be expected, not of me, but by me of myself. That has always scared the living life out of me. Hmm, The Living Life! Something I have never done, Lived My Life! Tears begin to flow, my Beloved Friends, in this realization that I have so given myself. Tears of sorrow, of unfulfilled desires, of not believing I have done what God has asked of me in the past.

In many ways, I feel like I have failed, have not stepped sufficiently up to the mark and performed my duties as a human being to the best of my abilities. Perhaps I have, perhaps I have not, but sometimes I feel I have let so many down, knowing that I could have done better. I do not even know how I can contribute here within this sharing that is of the same resonance to what others have shared. Oh, My Lord! There is an emptiness that I am feeling, even though I have the wealth of Your Love and Your Grace all around me now.

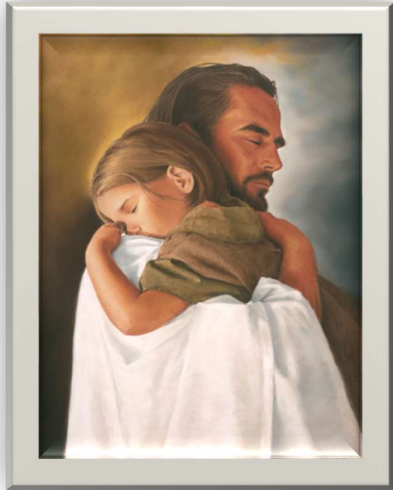

My mistake right now, I guess, is that I am coming from Peter the human and not from that place I have shared in the past, not in the communiqués anyway. Yet I will accept this feeling of sadness, of sorrow and regret, and I will sit with it. And allow it to be what it is. The only

thing I can think of right now to share is a Prayer that I have just written, or should I say, revised to suit where I wish to go from here.

It is a daily Prayer to God and to the Mighty Elohim. I will do my best to read it with all the Love, and Heartfelt Peace and Gratitude I can. Please accept it for what it is, and may it bring forth the Protection I desire for the future of humanity and the New Unified Consciousness of the Holy Trinity that Beloved Yeiazal spoke of in His speech.

I Love You and Bless You All, God Leads Us to His Glorious Victory! May I have the Strength and Courage to Follow!

My New Daily Prayer to the Mighty Elohim and God

Do not limit my expansion just to this Earth walk, Oh Lord, for I Am That I Am and cannot be limited to a single domain. Bring forth all remaining lessons for me to complete so My Soul can return back to the Wholeness I Am/You Are!

"I call upon the Seven Mighty Elohim to surround me and sit upon the Altar of My Heart, the very Core of My Being endowing me with Your Divine Virtues and Attributes so that I may Create Instantaneously That which is Your Desire through Me, Dear God.

"Come Forth Beloved Hercules and Amazonia and Bless Me with Your Power to make firm and instantaneous decisions for each of the Creations that God Desires to manifest through me. "Almighty Vista and Crystal, Empower me with the confidence and ability to hold the CONCENTRATION to see GOD'S DESIRED CREATION through me to be Wholly fulfilled and completed.

"Elohim Arcturus and Diana, Charge me with Your RHYTHM so that I may regularly and diligently perform my task.

"Oh Beloved Peace and Aloha, come to me and surround me with your PEACE, Harmony and Joy and embed, enfold and embrace GOD'S DESIRED CREATION through Me with these qualities so that HIS CREATION will not deteriorate, fail, fall apart, become incomplete or be opposed by negative energies and when complete remain so

for as long as it is prescribed by The Will of God. SEAL AND PROTECT GOD'S CREATION through Me with Your PEACE AND LOVE! Bless You All with My Loving Heart!

"Beloved Holy Spirit take me to The Truth of God's Love and Light, through the teachers and Teachings of the Masters at every opportunity, that will allow me the most Joyous and

beneficial, effective and efficient information for the success and completion of raising the Vibrational Frequencies of my 4 lower bodies, physical ascension process, my Earth Mission in Service to Humanity and Mother Earth and My Holy Charter with You!

“Take me during my waking hours to those who can help me achieve Your Goals for me and during my sleeping hours to the Ethereal Temples around the Earth that will best offer me Your Guidance, Support and Love to do Thy Work. And allow me the remembrance of such Offerings, Blessings and Gifts of Love.

“Dear God, recalibrate my Ever-Increasing Energetic Toric Field, Moment by Moment to its highest potential Frequencies at all times and adjust, activate and radiate it accordingly, include my lower bodies and their DNA programs and encodements to automatically match those resonances in preparation for a much Grander Co-Creative Manifestation of Life here on Earth.

“Charge My Three-Fold Flame with Love, Wisdom and Power, so that it increases in Radiation of the White Fire Light, The Love Substance held in Harmony by Beloved Pilleur. Make me a Magnet for Your Love and Light! Restore, Rejuvenate, Regenerate my Entire Being including my conscious awareness to the 5th Dimensional Frequencies and beyond to My Divine Wholeness.

“Beloved Father, I Am anointed with Your Abundance, Health and Well Being, with Joy, Happiness, and Your Inner Peace. I Am ready to do Thy Work!

“I Invoke Beloved Archangel Michael and Blessed Archaii Faith, Protect and Surround me always with your Blue Ray and Shining Light of Love! Activate my White Fire Tube of Light for my Inner and Outer Protection.

“Dear God, Blaze, Blaze, Blaze and Direct the Cleansing Transmuting Violet Flame of St. Germain and Lady Quan Yin throughout my Being to Purify me at all times. May you open all my communication senses, including my pituitary and pineal glands so that I may rejoice in Direct and Clear Communion with You and All Higher Beings of Light!

"May the Elohim, The Elementals and The Nature Kingdoms and all Beings of Light recognize Your Love within, through and all around me, so that They may enter with confidence into communication in Holy Union with me, for the Greatest Good of All Concerned.

"I Bless My Beloved Body Elementals and Those Who maintain and keep my lower bodies in great shape, free from any discord or negative influences of old patterns of human consciousness. Thank you for my flexibility and strength to do Thy Work. Bless You for My Divine Perfection and Order in All Matters of the Heart!.

"By God's Own Hand, in Deep Humility and Gratitude I hold before me, My Heart Chalice, poised to offer it to All Life with Ease and Grace and with My Mighty I Am Presence's Radiant Love and Light.

"For The Greater Glory of God go I, I Am That I Am, In Service to the Whole!

"Let Thy Will Be Done and not my own. And So It Is - I Am That I Am. Amen."

"Even though I had no intention of doing another communication today Beloved Vesta made Herself known and that She wished to speak before our family arrived. And So It Is!"
