

Part 21 - Introduction - Elemental Grace Alliance

INTRODUCTION - ELEMENTAL GRACE ALLIANCE - ST. GERMAIN, 6TH JUNE 2015

ST. GERMAIN: *"Greetings, 'I AM' St. Germain, Chohan of the Seventh Ray. I have come not by the behest of Peter but by My Own Request to hold a Seat upon this Council. I have been a part of this Proposal from its investiture, listening to and watching all the twists and turns within its unfoldment, both from within the physical and mental expressions, or I could say projections, that have been made in order to approach and refine and clarify a very powerful idea.*

"I have interjected and, at times, intervened in Peter's thought processes to warn him of the dangers in proceeding toward this goal. I have shared with him my concerns and apprehensions, yet I have not told him how to proceed or given any particular direction to travel with it! The proof that this Proposal is not your normal conscious creation lies in the fact that Each of You have come to listen, share and represent God at the Highest Levels of Earth's Creation and the Evolution of Mankind at this critical and most auspicious Moment in time.

"If nothing else, this Dear Soul has caught the attention of many, and his simple yet very complex Proposal is but a firm foundation to proceed. Thus far, it has ticked all the boxes progressively within the Laws of Precipitation. We have seen the creations of mankind that which is seen as destructive, negative and inhumane from their perspectives. We have seen that which is deemed as constructive, positive and humane, as they believe. However, as You All Know, this duality, these opposing energies that manifest the good and the bad, are All Energies of Love, Power and Wisdom. The Energy is always Neutral. It is All-Loving, but there are many levels of Vibrational resonances and Frequencies within It! It is only humanity's use of this Energy that differentiates this duality through lack of understanding, knowledge and experience. There is no such thing as negative, yet the survival of the species demands both sides of the coin. It is part of the Plan, the Original Idea. So, as a measurement of the expansion of consciousness, many people upon the planet are now pushing the envelope, thinking outside the box, leaving behind the old ways of belief. They are no longer thinking like a human! They are thinking, speaking and acting within their physical realities as the Individualized Expressions of The Prime Creator. They are listening and allowing Their Higher Selves and the Christ within to Guide Them. I will have much to share throughout the itinerary of these Discourses, so for now, 'I AM' St. Germain, In Love with Humanity. I shall return to My Seat."

PETER: I know that quite a few days seem to pass in between each speaker, but I need to allow this, for it seems very pertinent, and there must be a reason for it. It is the flow of the

Alliance information that matters, not the time it takes to be transcribed down into written form. 'I AM' also finding that in between times, 'I AM' receiving a lot of information that I need personally to assimilate before I feel comfortable with it to share in this way!

'I AM' recognizing that each speaker seems to be making salient points. 'I AM' not going into any details, but I will just set a sort of formula that 'I AM' sure will unfold soon enough. The Pleiadeans wished to speak next.
