THE CHRIST CONSCIOUSNESS - PETER

PETER: There are several things that I would like to bring to your attention before I get down to the business of outlining the beauty and flow of this Divine Inspiration to assist in the bringing The Elemental and Nature Kingdoms closer into the awareness of humanity in general. As we are Working in Alignment with the Christ Consciousness, it would be due diligent for me to very briefly share what the Christ Consciousness is. I have no reason to re-invent the wheel, so to speak, and so I will simply repeat the description already outlined by Joseph Benner from his book *The Way Out*. The copyright of his work has now ceased being after 50 years of his passing, and I Am using it here for teaching and inspirational purposes only!

Living the Christ Consciousness is far more than this, of course, however, for a very simple yet profound outline in simple lay terms, for me, it expresses the very core of the Christ in Us very clearly! This is what Joseph says about Christ Consciousness.

“And what do they see in this Consciousness? They see that they are Souls living in a perfect world, where every Soul is young, good, beautiful and perfect, even as the Father conceived them, and where everything is devised for the free use and enjoyment of its inhabitants. Which means that there is a rich abundance of all good things for everyone always available. No one there ever needs anything, for it is always at hand. There any desired thing is created by thought, and you can have it when and as you wish it. Then, of course, no one takes from another or owes another anything, for everyone has everything he wants. because all he has to do is to see clearly in his mind what he wants, and it takes shape and substance right before his eyes, ready and perfect for his use.

“From this, you can see there is no selfishness there, for all there are those in who self no longer is. There is no injustice, for the Law of justice rules everyone’s consciousness. There is no evil, for it has been learned that evil, sin, sickness, inharmony, and unhappiness are the creations of mortal mind, and of course, one who is selfless is in his Christ Consciousness and no longer thinks and thereby creates such things. Does this help you to see how and why man is responsible for this outer world - that it is his own creation and not God’s creation? And can you now see what is God’s World - His Kingdom, your heavenly home, where you can return as a Prodigal Son anytime you will be remembering and seeing only the truth, and where you will find your heavenly Father waiting for you with outstretched arms?

“And Who is this Heavenly Father? He is your own Real Self, the God-You, that is always back in that Consciousness deep within your Soul, where you can retire any moment you will. All you have to do is to throw off everything that presses upon your consciousness from the outer

world of the human mind and turn your attention to the Inner World of Spirit. Especially must you refuse to see, to talk about, or let your mind dwell upon outer conditions, no matter how hard they appear or how they seemingly affect you. for remember, they exist only in the world of man's mind and not in the Real World the God-You sees and lives in. If you resolutely do this, it will not be long before you will have evidence of the reality of this Kingdom within, and you will hear His Voice and receive definite guidance as to what He wills and what is His purpose for you. For He must have a purpose, or why all this disciplining and developing of your mind and character? Make no mistake, He knows what He is doing and why. and when you have given self entirely over to Him, He will take you into His Consciousness, and there you will work with Him to accomplish what He intended from the beginning. The beautiful part of it is that there are others there working with you, others who have found Him within themselves, have found there a new and wonderful self, a wonderful world, and wonderful comrades in it. a world far more real than the ever-changing one of their own creation.

"Yes, they have found their eternal home, the Kingdom of God's Consciousness, the same home which Jesus described in His many parables when trying to tell of it to the people of His day, where He went after His Mission was accomplished. where He now Lives and Works among His disciples who have followed Him there. To them, He is a very real and actual Teacher, Guide and Friend, Who is preparing them for the great day when He will make Himself manifest to all His followers on Earth and will bring Heaven down to Earth to be truly in the midst of men".

This is a worthy aspiration to seek within oneself, is it not? There is much more associated with The Christ Consciousness, and this sharing is not really the place to go into any detail, yet what I hopefully am providing here is to demonstrate how God, through the Christ in me or anyone else, can achieve the most amazing experiences if we only apply ourselves with the due diligence that The Holy Spirit asks of us to perform.
