

## Part 2 - GESARA RV CURRENCY RESET

---

### IMMACULATE CONCEPTION - ST. GERMAIN, 15TH MAY 2019

**PETER:** Beloved, God 'I AM' Presence, Of Infinite Love and Light, Who is the Harbinger of All That Is Immaculate in Conception As It Is In Heaven and on Earth, whether of human Child or any other physical creation of and for The Eternal Cosmic Christ Love, I Call Forth My Beloved Brother St. Germain, to Bring Forth the Truth and Supply us, with that which will assist the human personality mind to better understand the Divine Work we are here to accomplish for and on behalf of God for the Benevolence of All Life. That includes Humanity, The Elementals, Devas and Angelic Host, The Natures Spirits, Animals, Birds, Fish and the Mineral Kingdoms. It includes the Planets, Asteroids and other Space bodies within this Universe. And it also includes all the thousands of Human Races who are represented here as Our Galactic and Intergalactic Brothers and Sisters, those Emissaries of the Light that Beloved Lord Melchizedek has spoken to us of in His last Discourse, *'Like Kicking Off A Shoe That Is Too Tight.'*

In particular, we would like you to speak of the subject which actually has inspired this communication opportunity; that being the present delays in the situation with the World Re-Valuation Currency Reset for the Benevolence and Equality for All of Humanity; that which is of Your Divine and Immaculate Conception, that you Dear Brother, are The God 'I AM' Authority Governing here, and where the manifestation of NESARA (*'National Economic Security and Reformation Act'*) and GESARA (Global Economic Security and Reformation Act) is in terms of finally coming into effect.

Our Holy Desire is to hold fast to the Truth that 'I AM' whatever I desire to be or manifest. 'I AM' the Omnipresent, limitless Supply of God's Riches and Opulence in My use for the Benevolence of All God Life!

We Give Praise and Thanks for Your Love and Light to Guide us.

Bless You!

**INVOCATION:** Thou Mighty, Silent Watcher - Beloved Immaculata! Even as Thou hast before Thee the Cosmic Eye of God, send forth Thy Emerald Rays and Crystal Sacred Flame of Truth, Science, Precipitation, Constancy and Concentration, Anchoring Them in the Hearts of God's Children. Teach them Obedience to the Great Cosmic Laws. Teach them Obedience to the Light. Fill their hearts and minds with Thy Peace, with Thy Silence, with Thy Poise. Let the Rejoicing of Thy Heart fill their hearts, everyone, even to overflowing, with Thy Substance and Pure Electronic Force that brings with It Thy Immeasurable Infinite Blessings. Let each one feel Thy Omnipresent, Watchful Care, Thy Sustaining Love, Wisdom and Power.

Greetings, Dear One's,

**ST. GERMAIN:** 'I AM' St. Germain with you in the Atmosphere around you, 'I AM' Here and 'I AM' There, with each and everyone who may read or listen to this Discourse. Once again, Dear Brother, your request stretches beyond the parameters of any sort of simple explanation or, indeed, guided instruction. As you have already experienced from a single thought, a simple idea, the History of a Human Race can be changed for Eternity! And that is exactly what We Desire from humanity, especially at this time of extraordinary opportunities for Global Change!

This request is far greater in Scope than you could ever imagine, and it is going to be a most difficult one to put into words that will touch the Hearts of those who are in the Position of Igniting and Initiating the changes needed upon the planet at this very moment in time. So, to provide what you have asked for within any single Discourse will not be possible, not if it is going to touch the Hearts and Minds of the New World Servers that this Discourse shall be destined for! What you have asked for, Dear Brother, has already filled volumes of books worldwide, on every subject matter of human evolution, in nearly every language, and so to condense the needs here, I will do My best to offer the Information in the shortest and in the most concise, succinct and condensed way as possible, to achieve both the New World Server's and indeed Our Desired Result, for We are All One in this and All Divine Evolutionary Plans. To do this, I must first Prepare the Stage. Each Act will then tell a story, offering a complete understanding of this Divine Portrayal of Enactment as it plays out in the human Play-acting or Role Plays to reach Its Peak of Perfection within the Final Act.

As the Dear Souls who have become aware of the Elemental Grace Alliance and My Part within it and who interact with Me Personally, you will Know I attempt to eliminate any misunderstandings about what one should do to work toward a very Truthful, Faithful, True-to-God Life, Natural and Authentic Engagement in attaining the maximum interaction and the Full Embodiment with the 'I AM' Presence. I can do little more as to explain the processes involved and to help you in the focus of any progressive development of any specific plan or desire in its management and administration of the practicalities involved.

The Truth is the rest is up to you. Like any studies or any vocational studies, it is the volition behind the individual that will dedicate the time and space for its ultimate achievement. It would be an impossibility for anyone who desired a particular trade, professional position or indeed an interest or hobby that, without the study and practical application and implementation of the information, text or knowledge being tested through personal experience, could be achieved.

I tell you, please be at Peace and rest with all of this information coming your way now, as best you can; use your Discernment and Inner Guidance as to what feels right and what does not. Just remember that the Law is the Law, and as We have gone to great lengths to express

and define the Laws with you, only you can ultimately choose to follow the Cosmic Laws or follow your own free will! If it were not for the onrushing Cosmic Christ Light, which continues to incrementally increase, I would have very little hope of averting the world calamities for mankind; but I know how great is the impelling Power of the Cosmic Light, The Cosmic Sacred White Fire Light, that is acting within the feeling world of each of you and mankind on mass.

Remember, seeing this in the beginning of this Work, and since the time was ready and the Mighty 'I Am' Decrees began to go forth into the mental and feeling world of mankind from America in the early 1930's, the Cosmic Christ Light has been the Power of Action since then. As it continues today to rush forth, it will take Greater Action by humanity, through Greater Awareness and Responsibility, that shall emanate from the mental and feeling worlds, in through and all around you, with a Power that will be inconceivable without It. I congratulate every one of you reading or listening to this for your determination, your Self-Control and the Governing of yourselves and your feelings to help the 'I Am' Presence and Us to do the things that can be done now and into the future of your time and space.

I tell you, Precious Ones, could you just believe Me or feel within yourself the Glory that stands just in front of you now, there would not be anything in this world that would make you have an irritable feeling about anything or anybody anymore. It is the most marvellous freedom, financial release, and opening of the Sacred White Fire Light to each one of you; it is awe-inspiring, incredible and miraculous indeed!

'I AM' going to come from a different direction today in this Part 1 Discourse to offer you something that will be unlike any Discourse that I have given before. I have a point to make, Dear Ones, and so in the Scope of what has been asked, We shall return to a Place that has no Beginning and No End!

Please open your Hearts and Minds Now and take all this into your Every Atom and Electron of your Being! Are you Ready? Stop for a moment and take three very deep breaths with this Divine Intention before continuing!

'I AM' using the words of a conversation that took place in India between Master Puriji and Baird Spalding and his Group. Remember, I have told you in My 'I AM' Discourses that India and America are deeply aligned in the Work of the 'I AM' Presence. And Master Puriji's Words are The United Words of All Masters and of The Divine Creator Him/Herself!

'I AM' looking far out into the Great White Cosmos of Light. There Stands One with a simple Seamless Gown of Purest Light drawn closely around Him, from which Shines the Benevolence of Pure Light Beaming from His Countenance. From all around Him comes the Voice, and through that Voice, I hear the Words: ***'You are forever and forever.'*** He comes nearer and nearer. The Voice again speaks: *'This day and hour are given unto you, the priesthood of all humankind, that has no beginning and no end!'*

It is the Focal Point of the Emanations of Pure Cosmic Light, brought together to show all humanity their Origin in Divinity. This is not the symbol of an Order or Brotherhood; it is the Symbol of Humanity in its Pristine Purity before any Brotherhood ever began. The Pristine Condition has not yet been Spoken of by humanity; this is long before the Earth moved in its Great Nebula, long before this Earth claimed its Orbit and Attracted that which belongs to it.

This is the Projection of the first human Form that must Stand Forth in Complete Command of All Force that starts to Bind the Atoms and Electrons of the Earth's Nebula into form. Listen. The Voice around Him is Speaking again. The Command is: ***'Let there be Light.'*** The Dazzling White Rays shoot Forth, and the Form brings them to a Focal Point; the Earth's Nebula is bursting Forth, and that Focal Point is the Central Sun of the Nebula. As the Central Nucleus draws its Atoms together, they take on more Light. There is a Conscious Direction back of this Form that Projects Light Rays to the Focal Point.

Now the Form is Speaking again, and we hear the Words. They are Formed by Letters of Pure Gold Light; I can read them: *'I come from the Great Cosmos of Light to watch you, O Earth. Draw your Particles to you. Into every Particle, Project Light which is Eternal Life, Light which is of the Great Principle of Life, the Father, the Emanations of All Life; and I Declare unto you 'I AM.'*

Now I see the Form beckoning. Standing with It are other Forms, and, from the midst, One Speaks: *'Who is the Dearly Beloved that Stands Forth from the Father, the Light Cosmos?'* The Voice from around again Speaks in low whispered Words: *'This is Myself brought into Form to have Dominion, as I have Dominion, and through Myself My Dominion Manifests.'* Lo and Behold, it is the Krishna, the Christos, the Cosmic Christ, all Three in ONE.

The Form again Speaks and Answers: ***'I AM', and all of you are THAT 'I AM.'*** The Voice continues: *'Look beyond Me; the Voice of God Speaks through Me. 'I AM' God, and you are God. Every Soul in its Pristine Purity is God.'* The Silent Watcher, Sitting, Hears the Voice Speaking through that Form, saying: *'Behold, Man is God, the Cosmic Christ of God comes from out the Great Cosmos.'*

This is not emotion nor infatuation; this is a clear, calm Vision of Man, standing forth from God in His and Her Full Dominion and Mastership. This is the Mastership of All Humanity; not one is excluded.

Back of the Form is Pure Crystal, Dazzling White Fire Light Emanations. It has come Forth from Pure White Fire Light; it is Formed of Pure White Fire Light; therefore, Man is PURE WHITE FIRE LIGHT! Pure White Fire Light is God Life. Through Man/Woman ONLY do the Pure Rays of God Life Emanate or Manifest. As We Fix and Focalize Our Ideals, Visions and Desires through contemplation, the Vision Takes Life, Stands Forth, and comes Closer and Closer until Our Vision and the Form are United and Stand Forth as Ourselves and Become One With Us; then We Become ***'THAT'***.

'Thus, We say to all mankind, .... ***'I AM' YOURSELF - Expressing God.'***

When the True Mother Sees this at the time of Conception, the Immaculate Conception Takes Place; then there is no rebirth. This is Womanhood, Manhood; Wo-man-hood is God, the True Godhead of All Humanity. This is Atma, the Inclusion of Soul in Man and Woman.

Woman's True Dominion is Co-Existent, Coordinate with the Image of God! The '*One*' is the Ideal Male and Female. Together They are the Pride of Motherhood, the Ideal of Womanhood, and the Eternalization of Humanity Brought Forth as Helper and Helpmate; many times, Destined to Stand Alone in Perspective but Together in the Whole of the Cosmic Plan. In Woman's True Dominion, She Offers Her Body on the Altar of Birth to be used to Nurture and Present the Christ Child and or Gift of any Creational Plan, Ideal, Vision or Desire to the World.

This is the True Conception of the Immaculate, and, when presented in True Thought, Word, and Deed, the Child/Creation is not Conceived in inequity and born into any form of imbalance but is Pure, Sacred, and Holy, Conceived of God, Born of God, the Image or Cosmic Christ of God. Such a Child/Creation need never go through rebirth. It is only through the thoughts of the physical that the Child/Creation is born into the physical and thereby allowed to assume the physical thoughts of inequity and discord of the elders or parents. This alone makes rebirth necessary.

When Woman allows The Christ to stand forth from Within, She is not only the Christ but the Child/Creation is the Christ and is like Jesus. She then Sees the Christ of God Face to Face.

When Wo-man, that which has wedded or brought in Holy Union, the Male and Female, sends forth Her True Call, Her Immaculate Body is Ready for that Immaculate Thing, the Conception of the Christ Child/Creation to be Presented to the World. This Body was Prepared and Projected Forth for Woman long before the World was Projected into Form.

Therefore, 'I' in the individual is the first Movement of His/Her Nature, the Central Point of His/Her Identity. And 'AM' is That which Embodies or Embraces Within the 'I', individual identity, whatever it Encircles. The 'I' is a positive assertion, and the 'AM' is the Qualifying Element.

'I' is Masculine, and 'AM' is the Feminine Principle. The 'AM' Brings Forth into Being, whatever it Embraces or Conceive. The 'AM' must become Immaculate in its Embracing Power if man is to bring forth that which is in Spirit. 'I', which is My Identity in Spirit, 'AM', that which Embraces or Embodies All That Is In God, Is the True Use of these Words. ***'I AM' THAT 'I AM'*** which is the Embodiment of God. 'I' can never, in Reality, be anything but THAT which it IS in Spirit. ***"I AM' THAT 'I AM', and beside Me, there is no other."***

Precious Ones, I want you to Truly understand this Cosmic Law and Expression of God Life that is Known as Immaculate Conception, for without this clarity of Knowing, little else within your desired manifestations will become more than human creation, that which is manifested through the imperfection of free will, and so it shall remain flawed with illusions and that which is not of God-Man/Woman. These such manifestations or creations of physical thoughts of inequity and discord of the elders or parents and must, therefore, go through rebirth to be corrected in time. In other words, must return to the Wheel of Karma.

We desire for you ONLY that which is Perfection Itself, and in so, sharing this today will afford you a greater clarity as to how you presently create, so you can Perfect those Creations to Become the Sacred White Fire Light of The Christ Love, without rebirth!

This Discourse lays the foundation now for what I shall speak of in Part 2. Take some time to consider and ponder upon these words, for they are so Expansive and True to your Godlike Reality; if you but Embrace them with more Awareness and Zeal, your Christed Creations be than Child or any other physical form, even the manifestation of all that you desire to do your Divine Work, will be so much more immediate and far-reaching!

Beloved Archangel Gabriel gave a Discourse to the Elemental Grace Alliance and Sun of Even Pressure Council on this Reality of Immaculate Conception just prior to Christmas Day last year, and it shows the potential of what 'I AM' making more widely known through this My Discourse today! I would invite and encourage each of you to visit or revisit it for a Greater Vision than you may perhaps hold right now!! (*'Archangel Gabriel - Immaculate Conception of the New Erthe - 'I AM' FREEDOM Class - 23rd December 2018'*)

**Let us All Give Praise and Gratitude for the Immaculate Conception for the Birth of the New Erthe. To Our Beloved Brothers and Sisters of Earth and in the Heavens, We Send Hope, Purity and Liberty in The Joy that Intensifies the Golden Flame of Resurrection and Ascension within all of Mankind. 'I AM' The Immaculate Concept of the Vision of God's Glorious Blessings. 'I AM' the Immaculate Manifestation of the God Design for every man, woman and child upon Earth.**

***'I AM' the Resurrection and the Life'***. Try earnestly to feel the mighty importance of this.

Many of you are making wonderful strides. Go forth with certainty in your hearts, always being aware: ***'I AM' the Conquering, Victorious 'Presence' in any achievement I desire; that 'I AM' now the Full Dominion of every application that I make; that 'I AM' the 'Presence' always within every demand, supplying, and fulfilling it.'***

The proper attitude is to joyously take the stand that: ***'I AM' the 'Presence' which enables me to see or hear with both the Inner and outer Sight and Hearing.'***

This ends the Transmissions for Part 1.

**BENEDICTION:** Out of the fullness of Thy Mighty Opulence, O Mighty 'I AM', we feel Thy Flowing Energy. We feel Your Enfolding Love. We feel Your Qualifying 'Presence', hastening all who turn to Thee into Your Perfection. We feel Your Glorious 'Presence' enfolding them in Your Mighty Mantle of Peace, enabling them to maintain Perfect Self-control, sustaining them in Your Mighty Perfection, that they may manifest Your Mighty 'Presence', Now.
