

Part 21 - Earth Nuclear And Chemical Affairs - 'ENACA' Petition

KARMIC BOARD RESPONSE - SOEPC PETITION APPEAL, 4TH APRIL 2020.

INVOCATION: Thou Mighty, Infinite 'Presence', Thou All-Pervading Intelligence Come Forth Radiating Your God Light Upon Us! Thy Love, Wisdom and Power, Govern All things. Thy Divine Justice is Ever Operating in the lives and worlds of those who look to Thee with unflinching determination. Thou Art the Ruling Power and Governing Intelligence Ruling all things in our world with Ever-Sustaining, Invincible Power. God Always and In All Ways Finds a Way to Help those whose Hearts reach out to Him.

LADY PORTIA: Beloved Brother, Peter, Esteemed Brothers and Sisters of the Sun of Even Pressure Council and the Elemental Grace Alliance Council and to All Other Beings Who may be tuning into these Transmissions, We have been waiting for the Opportunity to Respond to the Appeal since the completion of the final 4 Discourses that Peter has presented to Us on behalf of the Sun of Even Pressure Council, to enunciate Our Verdict regarding the Six Petitions, that this single Petition Incorporated. Nearly 6 months have passed in Earth time, yet to Us, it is but a single human breath, and so it is with Great Admiration and Adoration for the Clarity and Intensity that has gone into, not only your Appeal Peter, but the personal Application that Always Envelops and Encircles every Exchange of All Callings and Communications that are entered into on both sides of the Veil.

Over the past 5 months or so We have seen the effort that has been made to Reform the EGA and bring to the Core of this Divine Plan those who are Steadfast in the Covenants that they have given to their 'I AM' Presence. We Acknowledge that you personally Peter, do tend to feel responsible for those who through their own '*free will*' have chosen to leave or simply are not ready to offer their Full and Undivided Attentions to this Very Specific Work, and this is very admirable. Yet it is also very self-defeating and in turn does create resistance of its own, not so much within the Groups but within your own Energetic System. You are well aware of this, and yet you are undeterred and for that, We Know that the efforts that are taken to keep the EGA on track and build upon the Master's Directions and Guidance have just the same allowed for many Historical Advances which would not yet have been able to be achieved if not for your intervention. None more than that of the Present Activation of the Global Independence Day Activity.

As My Beloved Consort, St. Germain told you all yesterday, this is not about One person or One Group, but millions upon millions of all those who have passed before this time. Nevertheless, Elevation of the Elemental Grace Alliance has been a successful Endeavour due to all those that have been thus far magnetized to it. We understand all the past problems and delays, all the imbalances of the Group Membership and the lack of Full Participation and Co-Operation, yet I say once again, the Steadfastness, Commitment and Dedication by the

majority of the EGA, gives all of Us here upon the Karmic Board much room to Rejoice and Celebrate all your efforts, each one!

To this Degree, We can Offer Our Gratitude Beyond Measure, in the Abilities of those Dear Souls in the Elemental Grace Alliance to be able, not only to Maintain the Magnetization of the Company of Heaven to continue their Support of your Forward Movement but also to Sustain Your 'I AM' Presence Magnetism of All That You Require to Create This Mighty Victory that you yourselves cannot see from your perspectives just yet! We tell you Dear Hearts, Working from a place of invisibility of the Truth and unable to see the differences being made and keeping up the Divine Impressions to Keep On Keeping on, Helps The Evolutionary Plan in ways We cannot yet share with you, for to do so, would only distract you from your Points of Tensions. In many ways, Dear Ones, the lack of foresight for you in What We Ourselves can See, and the limited understandings of what still is required to achieve is all part of the Evolutionary Ascension.

In saying all this, however, We can tell you all, if you could only embrace more Fully the 12 Divine Virtues as Beloved Jesus did, you will discover things you have never dreamed, not in a physical form anyway! You are all Ascended Masters Beloveds, but you still need to Apply your Lives with much more Focus upon Higher Truth and Application of God Life. And that is Why My Beloved has come to Train You to remember what you already KNOW! So Please, I Plead with you all, stop wasting your time on unnecessary things that have the potential to hold you to further incarnational loops. We have tried with all Our might to help you see, but We cannot make choices for you! Only You can do that!

Anyway, you would like to hear Our Verdict, correct!

It is with Great Pleasure that due to the Concretization and Establishment of many Levels of Awareness and with the minimum Levels of Commitment within the EGA Group to One's 'I AM' Presence, the Elemental Grace Alliance has been Granted All Six Petitions.

- 1. The Cleaning Up Of Nuclear Fallout And Chemical Waste Dispensation.***
- 2. The Universal Ambassadors Educational Dispensation.***
- 3. The Ascension Flame Dispensation (The 144,000 Seeds Of The Adam/Lilith Kadmon Man And Woman Dispensation).***
- 4. The Removal Of Planetary And Human Primal Karmic Cell Implants And DNA Programming Dispensation.***
- 5. The Dissolution Of Technology That Shall Suppress Humanity Within Any Sort Of Delayed 'Incarnational Loop' Of Any Compartmentalized Mind Consciousness Dispensation.***
- 6. The Time Contraction Dispensation.***

Each Petition, however, because of the Nature of each one will require different Levels of Application to God Life by those of you who shall Step Forward to undertake Such Aspirations and Responsibilities. Each Petition will require certain Obligations that will unfold in due

course. Each Grant will Demand Greater Unification, not only between each Member of this Ashramic Group to Attain Greater Unity and Synthesis. But, you will most definitely not be able to do this on your Own. But, as you have the Company of Heaven at Your disposals, it is only your time effort and focus that will support the forward movement and Rise to the New Levels of Delegations that will now be Afforded you!

In this I shall Announce herein, that the Unanimous Decision has also been made that a New Christ Council of 12, or High Commission, that will be made up of 6 Members of the Elemental Grace Alliance and 6 Members of the Higher Circles of Light. The Members have yet to be finalized, but both The Beloved Chohan El Morya and Myself shall be 2 of the Masters from the Hierarchy. If you care to review the Discourse, I gave, called The 'EGA Triune Grace Commission Lady Portia, 29th December 2017', it will fill you in on the details thus far! I shall be opening a New Discourse soon with only those who will be nominated to hold Seats in this New Triune Grace Commission.

"The weight of world Karma has never been as great as it is today. And as Peter has outlined within these Discourse Proposals, they are very definitely aspects of the Work to come, that must still be Addressed in some detail. Here is where I see the use of these New Radiation Centres also coming into 'Their Own' with the Appropriate Directorships at the Helms of the Commissions Assigned. Make a mental note here Dear Peter, for I Am herewith, nominating you as an unascended human Representative, Acknowledged by the Karmic Board of Directors, as one of the New Earth Directors, who shall sit upon a New Board of Administrators, that I Myself are now considering with such a contractual obligation within the Formation of the New Radiation Centres of Light!" End of Paragraph.

"The statement of nominating Peter at that time, as an unascended human being to become a Representative of a New Board of Administrators for the Planet, was for introductory purposes to once again plant that 'Seed' within the consciousness of those who were and are drawn to this Divine Plan. I also used the word 'Commission' in a way to provide direction toward the Means for which other even more well-defined Plans will expand and display! The EGA Discourses are full of such Light Language and this will play a much bigger part in times to come as you will further discover.

"Today, virtually 2 years on, that Acknowledgement is now extended with greater clarity to those who shall fully complete the 'Group Antahkarana' and pass through the 'Rings Passeth Not' of the 3rd Initiation. I therefore, Officially announce, as a Member of the Karmic Board of Directors, for the Akashic Records, after long and deep deliberation, that due to the 'Hour of the Day' and 'the weight of world Karma never having been as great as it is today', Declare Our Plans to Formally Create, through the Elemental Grace Alliance, not a New High Council, for the Elemental Grace Alliance Council already encompasses the Full Breathe and Extent of all those needs, but a New High Commission that shall Embrace and Execute a very Specific Facet of this Divine Plan.. This 'Commission', 'Executive Body', or 'Authority' shall be made up of 12 Seats Representing Members of Shamballa, The Hierarchy, Humanity as the 3 Groups of Seven, and the Supplementary Seven; ie. Humanity on the Ground; the One! We had no

name for this Commission in mind, although Peter did put forward a name appropriated from his original understanding of the New Council or Group being proposed in thought. However, now that it has been revised and reconstituted through the Divine Confluence of the Three plus One, it has been decided that the name shall more directly reflect this Specific Plan and thus shall be called:

The Elemental Grace Alliance (EGA)

“The Triune Grace Commission”.

“The Purpose of the EGA Triune Grace Commission shall become clearer as each person enters the Studies that are about to begin. Although this shall be a very personal experience, different from one to another, depending on individualized conscious interpretations of the information, it should become automatically understood as you assimilate, participate and integrate the Unification of the Three plus One. So, I Am not going to go into such things at this time, for they would make little sense to you just now, and could have the potential to sidetrack your focus within the tasks ahead.

“The Purpose of this introduction is therefore simply to inform you in advance, that like all that has transpired to date within the EGA, including all the Activations, Initiations and Dispensations, that have been Granted thus far, shall continue as you move closer toward the goals of achieving the attainments for the completion of the Proposals as set forth with the Elemental Grace Alliance and more.

“I do have a Responsibility to say to each of you and all those who may read this in the future, you are reaching very quickly the point whereby, NO-ONE shall be permitted to pass through the next ‘Rings of Consciousness’ having reached these next Stages of the Initiations, who continue to hold onto any practice, use or appearance of an attitude that contains or embodies, any degree of, ‘I will do it my way’.

“This thought form can play no further part in the Future Developments of the Soul, where one truly wishes to Pass into the Domains of Divine Purpose, Divine Will, Divine Love, Divine Wisdom, Divine Order and Divine Synthesis. The ego-self personality, that has not been integrated with the Soul or the Monad, shall remain bound to that ego-self-personality until they are ready to Fully Sacrifice this aspect of themselves. This is only one of the releases that you shall be asked to Sacrifice, there are many now that relate to old consciousness that continue to play out in your lives on a daily basis. This is not a criticism, and free will shall always remain at the forefront of human evolution. This is simply a Fact, I Assert the Fact, whereby the Laws Demand your Obedience to your ‘I AM’ Presence. Sooner or later, your lives will have to be adapted, reformed, tailored, designed, and Individually Personalized more fully into the Cosmic Laws, that Govern and Administer to what shall play out through you, here upon the Earth.” End Excerpt

This was all shared with you 27 months ago, so again those with Eyes and Hearts to Embrace, must see that what you started was not and is not in vain! It is, in fact, Ordained, if you could only Acknowledge this over all other aspects of your life, affairs and business.

It is also with Great Pleasure that I can announce that because of the efforts of the EGA another Major Event can now take place there upon the Earth. It is already in existence within the Etheric Realms, so perhaps you may look at this in another way that Secures your Success, thus allowing only time on your part to make such manifestations there upon Earth Now or sometime in the future! You are not quite ready yet, due to your 'free will' not being in full Alignment with your 'I AM' Inner Commitments, but once the Clean-up is sufficiently attained the Outer Circles of this Earth Sphere shall be closed off and Sealed so that the Masters from within Shamballa, Hierarchy and Humanity, along with the Supplementary 7, will be able to then come to Earth and spend time there, not to do any work, but simply to experience the results of All They have Worked toward to help achieve such Revelations of Monumentus Levels. You will all Walk Side by Side within your Radiation Centres at first and then out into the Lands of Human Quality of Life and Freedom of Spirit. The Objective! **To Experience the Purity and Perfection of Being A Human Angel!** Here is Lord Melchizedek speaking of this in His Discourse 'Lord Melchizedek - Kicking Off A Shoe That Is Too Tight EGA The Group Antahkarana 8th April 2018', nearly 2 years ago today!

"The connections made by the EGA have now Demanded the need for Reformation with the Council Chambers of Shamballa and therefore Reformations within the Realms of Hierarchy and Humanity. This was never really conceived in a way, that the EGA Founder has foreseen the need for. And, it does Highlight the Powers of Dear, unascended, Human Souls upon the ground who are indeed on the front line with their feet deep in the quagmire of human conditions. This is something in many ways those who are not in physical reality cannot fully grasp from their Higher Mind Perceptions and Existences within the Greater Truth. This was indicated in the Melvadek Alliance with the Pleiadean contingency, where they, through earth-bound humans, reminded them that to be human, is so far outside the box of their own Life Conditions. With this, I tell you, Shamballa and Hierarchy and Humanity are also still learning, and it is why We Love humanity so much, for it is your contribution to the Greater Whole that WILL make this Earth Experience, Indeed This Solar Experience, Yes, This Universal Experience, a Mighty Victory!

"In Light of this it has been decided, that due to the limiting nature of old definitions of Ashrams, these in this context of Creating the New Christ Councils upon Earth shall now be called 'Circles of Light'. Just so as not to confuse or attract a lesser understanding of what is developing here, I shall continue.

"There now exists, 4 New Circles of Light ready in waiting to be activated for the purpose of Commissioning the Laws of the Cosmos to be Acted Out upon the Earth. Now think about this Dear Hearts, that means that this is no longer the sole domain of the Council Chambers of Shamballa, it is now the domain of the Spiritual Triad of Shamballa, Hierarchy and Humanity and the Inclusion of Humanity the Supplementary Seven; those Dear Souls, whose feet are on

the ground at Point Zero, who are doing the Work on the front line, if I may use these terms with respect.

“First and foremost, will be The Shamballa Circle of Light Council, who shall have the Over Lighting Responsibility for the Second; The Hierarchy Circle of Light Council, who shall be Responsible for the Third; Humanity Circle of Light Council who shall be Responsible for the Fourth; The Supplementary Seven Council of Light Council who shall be Responsible for Humanity, The Animal, Plant, and Mineral Kingdoms., not to forget the Elemental, Devas and Angelic Host Kingdoms. All shall be able to communicate with each other and All shall be interactive through Divine Will, Divine Order, Divine Synthesis. All in Absolute compliance with the Law of One and indeed the Law of the Circle!

“These Circles are Circles within Circles, Rings of Consciousness, within Rings of Consciousness, so when you hear that The Law of the Circle has been initiated throughout this Universe, and the Energetic impact of this Grand ‘Supreme Creator Seed Thought’ is now operating in Full Force and the time of expansion for this phase of Creation has come to a close, and the current phase of the cycle entails the Creator sending forth Its Essence to incorporate All that has been created during this particular Cycle of Expansion. It means that the Outer Circles have been closed, A Ring Passeth Not! This will allow for the collective Knowledge and Experiences to be brought into translatable terms on All Levels of Existence within this Greater Plan and within All The Participants at All Levels.

*“This then is part of a final merging of all the balanced, manifested Essences of Creation so that the Supreme Creator, the Gods and Goddesses throughout the Omniverse, and All the Great Beings of Light can Know and Experience, all that they have Created. This means, all levels of dimensional Kingdoms including the lower four; Mineral, Plant, Animal and Human, there on Earth. You have heard this saying many times, **“As above, so below”**, and this is an important Truth to remember. Just as you are reclaiming all the facets of your Divinity, the same Reunification Process is occurring from the Supreme Creator Source outward.*

“The information We are giving to assist you is to Reclaim your Co-Creative abilities is a microcosmic duplication of the Creative Process throughout the Omniverse. First, you must gain the ability to draw forth the Full Spectrum of Metatronic Light, the Life Force of this Universe called Adamantine Particles, which is radiated forth into the River of Life from the Heart Core of Father, Mother God. It becomes accessible when your Energetic Signature is attuned to the mid-fourth-dimensional level and higher. In order to take advantage of this Divine Gift, you must understand and apply the Universal Laws of Manifestation; and you must activate the Adamantine Particles of Light with your Pure Intention before this Essence of Light can be Activated and flow forth out into the world. To speed up the process, it is important that you have created your own personal Creator Wheel, Flower of Life Circle around you, and you have filled it with your carefully thought out Grand Design for the future. Thereafter, via the Infinity and United Breath, your focused intention and deliberate actions, the process of manifestation in the material world is greatly accelerated.

*“So, now you have an even greater opportunity to do all this with Higher Awareness through the Infinite and United Structures that the Process must Embody, within Unison, One within the Other, One Circle within the Other. The Cosmic Laws have no exclusions. **What is Bound for the Higher Realms to Obey**, so must they Apply to All Kingdoms. End Excerpt*
