

### Part 3 - Regeneration of the Sacred Banyon and Sycamore Trees

---

WELL OF SPIRIT - LORD JESUS, 26<sup>TH</sup> NOVEMBER 2023

**INVOCATION:** Thou Mighty, Majestic Christ Power, now Grown to Full Stature! We Salute You by the Sign of the Higher Heart and Head, Accepting the Fullness of Your Mighty Power Made Manifest in the Hearts of the Sons, and Daughters of God. We Accept the Fullness of the Light and Its illuminating 'I AM' Presence within the Heart and Mind of Each One, Surging Forward with such Intensity that It Carries the Courage and Strength for All to Make the Needed Conscious Effort Which Will Enable the Mighty 'I AM' Presence to Raise the Atomic Structure Into Its Full Ascension.

**LORD JESUS:** Sons and Daughters of God I Know Who You Are, and You Know, You have been Called to Gift Humanity with a Miracle, and through that Miracle to Gift the Elementals, Devas, and Angelic Host with an Opportunity to Enlighten Humanity of Their Own Christed Abilities when They are being asked to Celebrate their Own Glorious Love and Light to all in the Most Harmonious Way, Known as the Immaculate Conception. You have been Called to Give of Your Self in a Way that could change the history of humanity in such a Loving and Miraculous Way. You have been Called to Contribute Who You Are, and these Discourses that fill this Petition are offering you that help for you to Self-Realize what We have been trying to tell you for so long now. Yet there remains a small imbalance yet, in how you use your personality ego minds against your Higher Mind and Higher Heart; The 'Well of Spirit', that Inner Threefold Flame, Those God Sparks of Electronic God Life that Exist in You. This conflict of interest between your ego will, and Your Divine God Will, serves you not, for one is the great illusion of mankind, the other the All That Is!

A question has been asked.

**Question:** *Can the Masters offer some Extraordinary Instruction to help us know what we need to do to make this Invocation for the Regeneration, Rejuvenation, Revitalization and Reconstitution of the Sacred Banyon and Sycamore Trees a success?*

**Answer:** *Of course, Dear Ones for you have earned the Grant to receive such Instruction when you Call upon Us as ask in a way of your sincerity to Serve Humanity and the Elementals, Devas, and Angelic Kingdoms. This is why you are here! You may think however, that this Petition is about the Reconstitution of these Mighty Tree Beings. And in part you are correct. Yet, the Higher Understanding would be Wise to consider, more so, acknowledging in this moment, that you are first and foremost Calling for your own Regeneration, Rejuvenation, Revitalization and Reconstitution! Let Me explain further for you.*

Your thoughts are the last bastion of your separated self, the fertile ground, still, of your individuality, your testimony that you believe you are still on your own, and that you still desire to be, for only here, in this area of your individuality, do you believe you make your contributions to the world. Your desire then to make such a contribution to the Banyan and Sycamore Trees back to their Full Glory, to help to make new the world that you have known, while seeing it collapsing around you, that has been enhanced and amplified by what you have learned from your past experiences. And so, your thoughts have turned their focus on this problem and attacked it, in a way that the ego mind approaches all problems; trying to solve them from the ego mind, and not from a place of God Mind. The idea of making a contribution to any problem-solving attempt, has begun to receive the attention of your thoughts once again and so this Petition is vital to assist in the Understanding that no human problem can rightfully find its Resolution outside of God and God Alone! Remember here that We are not speaking of the human mind or body. Rather We Speak from the God Spark within you that Reflects the Likeness of God in its Perfected State of Consciousness. The hope of answering your Call and Fulfilling Your Promise has lit a bonfire in your heart and begun a stampede of thoughts within your mind. Where does the aspect of desire come in your approach to this Petition? The human ego, or the Knowing Who You Are and Who You Are Trying to Reconstitute when both are already Perfected in the Eyes of God.

In My Discourse, *'I Am' Activity Of The Saint Germain Foundation, Discourse 32 of 33, January 01, 1935'*, I said this! This remains as pertinent today, as it was back in 1935 when given to the Student Body.

“As We look upon the accomplishment of the past year from the Higher Octaves of Light and then come into your octave of human activity, We see and feel the great change which has taken place, even in one year. It is truly most encouraging, most assuring, of the ultimate goal of Victory in the Freedom of mankind from the chains and limitations of their own creation. After all, the pity is mankind does not understand that the human activity alone is the only creator of limitation and inharmony that there is.

“In other words, through the ungoverned activity of the outer, personalities allow themselves to constantly requalify the Perfect Energy, the Pure Essence of their own Mighty ‘I AM’ Presence, producing all that is undesirable when it is within their ability to keep themselves so harmonized that the Perfect Intelligence and Energy flowing through the human form could not and would not be requalified.

“Therefore, it would constantly do Its *'Perfect Work'*, not only in perfecting the human form, causing it to express Divine Perfection, but it would allow that Purity and Perfection to flow out into the individual's world, producing the beauty, harmony, and success each heart so much craves.

**“Question: *Why does almost everyone desire Greater Beauty, Perfection and Abundance of every good thing?***

**“Answer:** Because it is an Inner Recognition of each one’s own God-Given Dominion, which everyone can Assert at any time. I assure you, Beloved Children of Light, that every individual can assert His or Her Dominion at any time, if She or He only will, by his or her Recognition and Acceptance of His or Her own Mighty, ‘I AM’ Presence, for that enables this Mighty Invincible ‘*Presence*’ to become the Mighty, Directing Intelligence.

“Therefore, do you not see that to this Mighty ‘*Presence*’ there is no obstruction, therefore, no struggle, no interference of any kind? This is why the old Scriptural Statement so long used: ‘***Be Still, and Know that ‘I AM’ God***’, can be made a dynamic Power in one’s Life. This ‘*Being Still*’ means the harmonizing and quieting of the outer mind. In the past year, We have drawn attention to many of the Scriptural Statements, giving more explanation of their True meaning. This year We hope to bring forth a full and complete explanation of all the ‘I AM’ Statements used through the centuries, that mankind may have the evidence before their own eyes of the Freedom and Dominion which is within their own grasp. We Rejoice and Give Thanks that this year will release such Abundant Financial Support for this Work that Boundless Light and Blessings will be brought to mankind.

“In all past Golden Ages when the Great Light of the Higher Octaves descended into the earth, enfolding and dissolving the human creation about individuals, they were so enabled to reach into the Higher Octaves through the Inner Sight, Hearing and Feeling that they Knew, Firsthand, the True Reality; and that the outer form was but the garment of this All-Wise, Supreme Intelligence which the Mighty ‘I AM’ Presence used to find Individualized Expression in the denser octave into which the human had drawn itself.” End of Excerpt.

Now, I want to highlight the following so as to give you some areas to give you some deeper focus. You use thought to solve problems, apply thought to intellectual puzzles, focus your thoughts in order to make up your mind whether you are the ego mind acting out here or the Divine Mind and the Infinite Spark of Life from Deep within Your Heart, the ‘*Well of Spirit*’ where you will find the reservoir of all answers to solve all problems.

It could be said that you make lists of your thoughts, so you don’t forget what they remind you to do, you order your thoughts to communicate effectively, you take note of your thoughts, and you take notes on the thoughts of others.

You might even consider these Discourses being the notes of the Masters thoughts. In this one example can you not see the fallacy inherent in all the others? To think of these Discourses in this way, Dear Brothers and Sisters, is insane. To think of the thought or idea of God by which you were Created as the same type of thought, I have just described would be insane. Are you willing any longer to see Me, Your Brother, as a lecturer, or even as a Great Teacher? Am I but a Giver of Information from whom another is capable of taking notes? You

think it is only the content of your thoughts that differentiate you from others. Do you think the same is True of You and Me? It is that you think that differentiates You from Me, not our content, which is one and the same.

You might imagine that the way you think is so different from the way I think that they are incomparable. But thinking is not an accurate description of what I do, or of what occurs in Unity. I Am and I extend What I Am. This Discourse is then, that Extension. God's Idea of You Extended and Became You and Me and all the Sons and Daughters of Creation.

I say to You, that you Give, and You Receive from the '*Well of Spirit*' by Way of the Threefold Flame its Balanced Masculine and Feminine Holy Union and Electrons that Clothe such Divine Unity and Wisdom, and so the True Giving and Receiving is of Unity of the Christed Universal Consciousness Held Within It. The Access this All Knowing, is only restricted by the limitation that the ego mind places around It! True Giving and Receiving of Life, That is, the Electrons, that pass through your '*Well of Spirit*', is not of the separated thought, or the separated thought system of the separated self.

Your continued acceptance of your past concepts and beliefs are but the results you continue to miscreate. Your Self-Realization that you are not your past beliefs will allow you to embrace the Reality of Who You Have Always Been in order to go on to the Contributions toward Creation of the New. You MUST Create the New from, and within, the Holy Union of Universal Father/Mother Consciousness and It's Unity with All.

I mentioned desire in My opening paragraph, let me ask you a question. Do you think desire will still be with you when you have achieved what you have desired? Is it not possible to conceive of a time in which desire will no longer serve you, just as learning now, no longer serves you? If you reach a State of Full Acceptance of Who You Are, and in that State, Fully Accept that Your Contribution is Being Made, will desire still be with you?

The way to achieve this state is through Acceptance that it is already accomplished. And yet, as soon as your thoughts begin to accept this, many of you reverse the direction of your thoughts and turn to ideas of what you still need to do to accomplish your Calling, to make your Contribution. Such is the way of the mind, the way of the thoughts of the mind.

Now, I return you to your idea of how these words have come to you, for if you can fully accept the way in which these words have been Given and Received, you will see that you can fully accept the '*Way of Unity*'.

You have been told you Give, and you Receive from the '*Well of Spirit*'. What might this mean? How might this relate to the Giving and Receiving of these words? To the discussion we have been having about the body and the elevation of the self of form. How might this relate to your desire to make a Contribution and Answer Your Calling? How does this relate to your desire to know what to do?

These answers lie within you, at the Heart or Centre of your Self, as do all answers. Your desire to make of Me a Teacher is the same as your desire to make your thoughts into answers that will provide you with direction. As was said earlier, you dare not, as yet turn to your own Heart for Answers. Yet your Heart is the *'Well of Spirit'* from which true answers are drawn. Your heart is a full well, a wellspring from which you can continually draw with no danger of ever drawing an empty bucket. You need never thirst again when you have Accepted this. You need never seek again for answers when this has been accepted. Because you will Know and Fully Accept that the answers lie within.

To believe that You Are Already Accomplished and not live from this belief is insane for reasons already enumerated time and time again. What prevents this belief from becoming an ability and prevents it from going from being an ability to simply being Who You Are, is your thoughts, thoughts that need an explanation for everything, and an explanation that makes sense in terms of the world you have always known.

The Giving and Receiving of these words will never make sense within the terms of the world you have always known. No explanation will ever be good enough for those who set limits upon the Truth. But for those willing to open their Minds and Hearts to a New Way of Seeing, for those willing to suspend disbelief, the Answer to the Giving and Receiving of these words will provide the answer to the question your thoughts cannot quite comprehend well enough to even articulate, much less to answer.

These words give evidence of *'Who I Am'* because they give evidence that I Know Who You Are. That these words give evidence that I Know Who You Are and that they give the same evidence to your Brothers and Sisters that I Know Who They Are, will tell you something of the Nature of Who You Are if you but let this idea dwell within you and take up Residence in Your Heart. We are the Sacred Heart. As was said as we began this Discourse, We, Together, Are the Well of Spirit. We, Together, are the shared consciousness of unity. In our Union We Bear the sameness of the Son of God. In going forth with the vision of unity you become as I was during life. You do not think your way through life, but instead draw your knowing forth from the *'Well of Spirit'*, from the Shared Universal Consciousness from which these words are Given and Received.

In other words, the elevated Self of form does not remain contained within the dot of the body, but draws its Sustenance from the Larger Circle, the Circle of Unity, The Circle of Life!

What then becomes the Contribution, the Unique Contribution of each Elevated Self of form? The Contribution becomes a Contribution from the *'Well of Spirit'*, from the Shared Consciousness of Unity that finds Its Expression, Its Unique Expression, through the Elevated Self of form. Why would you retain your ego desire to make an individual contribution, when you can now make a Shared Contribution as the Holy Union within Unity of Christ, God Consciousness, such as this? Is not your Unique Expression of the Whole enough for you? Is

it not Infinitely Greater than the contributions that are possible for the individual, separated self to make? And yet history of your world filled with individual contributions can and do facilitate, incredible scope?

Do you still believe that the Contribution made by the man Jesus was an individual contribution? I tell you Truthfully that the only Contributions that Endure, the only Contributions that are Truly lasting, are Contributions that arise from the 'Well of Spirit'. To seek importance for the personal self would be akin to placing the importance of Jesus on the man Jesus, who existed in history. Some do see Jesus only as an important man among many important men. Those who do so, miss the point of the Life of Jesus just as they miss the point of their own lives. Those who do so seek to make individual contributions as important men and women and do not seek to give Expression to what is in everyone's Hearts, the Threefold Flame, to what is Shared in Unity, to what is the Truth of Who We All Are, rather than the Truth of who the individual is.

There is no Truth inherent in the individual, separated self, but only illusion. Illusion can be described in many different ways that lead to many paths of seeking, but illusion can provide no place in which the seeking ends and the Truth is found.

Turn now not to your thoughts, but to the Universal Mind and Likeness of God within your Higher Heart joined in Unity Consciousness. In Holy Union is Unity found! Unity is where the Heart and Mind of Father/Mother God Are Joined. Unity is the place from which the Expression is Extended, the Right-Minded Love in Action of the Elevated Self of form arises. Unity is the Source of these Words, Your Words and My Words Uniting in the Word of God.

I will close now with a Quote from A Course in Miracles.

*"Let this day be a day of stillness and of quiet listening. Your Father wills you hear His Word today. He calls to you from deep within your mind where He abides. Hear Him today. No peace is possible until His Word is heard around the world; until your mind, in quiet listening, accepts the message which the world must hear to usher in the quiet time of peace.*

*"This world will change through you. No other means can save it, for God's Plan is simply this: The Son of God is free to save himself, given the Word of God to be his Guide, forever in his mind and at his side to lead him surely to his Father's house by his own will, forever free as God's. He is not led by force, but only love. He is not judged, but only sanctified.*

*"In stillness we will hear His Voice today, without intrusion of our petty thoughts, without our personal desires, and without all judgement of His Holy Word. We will not judge ourselves today, for what we are cannot be judged. We stand apart from all the judgements which the world has laid upon the Son of God. It knows him not. Today we will not listen to the world but wait in Silence for the Word of God.*

*“Hear, Holy Son of God, your Father Speaks. His Voice would give to you His holy Word to spread across the world the tidings of salvation and the holy time of peace. We gather at the throne of God today, the quiet place within your mind where He abides forever in the Holiness which He created and will never leave. He has not waited until you return your mind to Him to give His Word to you. He has not hidden Himself from you while you have wandered off a little while from Him. He does not cherish the illusions which you hold about yourself. He knows His Son, and wills that he remains as part of Him regardless of his dreams; regardless of his madness that his will is not his own.*

*“Today He speaks to you. His Voice awaits your Silence, for His Word cannot be heard until your mind is quiet for a while, and meaningless desires have been stilled. Await His Word in quiet. There is peace within you to be called upon today to help make ready your most holy mind to hear the Voice of its Creator speak.” End Quote.*

Let there Be Light! Let there Be Love! Let there Be Truth, the Life, and the Way.

I Am Your Brother in the Holy Union with the Christ in All.

And So, It Is!
